

## **DIARY ENTRY**

A diary is a personal journal where you write about your thoughts and feelings, fears and hopes. In your diary you can write about your hopes and dreams, your emotions and about your experiences of the day. Diary entry is honest and candid form of writing as you are writing for yourself. While writing a diary entry always remember to mention the date and time at the top of the page on the left hand side corner. Address your entries in the first person. You can address the diary entries as – Dear Diary. In the end you can sign off with your name.

Keeping the above mentioned points in mind write diary entries on the following topics:

1. Today was your birthday a lot of your friends and family came over for the celebrations and you got a lot of gifts. Write a diary entry in 200 words.
2. Today you visited the Taj Mahal with your family. Write a diary entry in 200 words.
3. There was a wedding in your family. Write a diary entry in 200 words.

4. You missed your bus and were late for your first semester exam. Write a diary entry in around 200 words.
