RESEARCH GRANTS –PROJECT HIGHLIGHTS

- A research project entitled “Development of an Educational Program to enhance Food Label Understanding among Early Adolescents: Periurban Delhi”. The study team comprises of Dr.Upasna Seth (Associate Professor, Department of Home Science - Food Technology), Dr. Sandhya Vatsayana (Associate Professor, Department of Hindi), Dr. Manju Goel (Assistant Professor Department of Social work) and Ms. SnehGangwar (Assistant Professor, Department of Geography) as well as 10 undergraduate students. It is a periurban government school based educational intervention study, designed to assess the knowledge of early adolescents regarding Nutrition Fact Label (NFL) and to educate them about NFL through an Education Program to promote lifelong food selection skills and healthy eating habits. During its first and second phase the eating habits, nutrition status and existing knowledge on NFL of children in early adolescence was assessed and the team has developed a nutrition education programme (module) on NFL.
- The innovation Project AM301 ‘Enhancing income generation skills of rural population of Delhi’ is being conducted by the team of Dr Sadhna Jain, Department of Home Science, Dr Neelam Rathi, Department of Hindi and Hindi Patrakarita and Ms Manisha, Department of Economics and 10 students from the college. The project aims to build awareness among rural population about how to develop/ enhance income generation and entrepreneurial skills of people through surveys and workshops.
- The innovation project AM303 titled as ‘Psychological, commercial, and legal fight of aged consumers: A self- help group technique’. Principle Investigators: Dr Mamta Sharma, Principal Aditi Mahavidyalya; Dr Ritu Sharma, Assistant Professor, Department of Psychology, Dr.Divya Sharma, Assistant Professor, Department of Commerce; Dr Sunita Dhaiya, Assistant Professor, Department of Commerce. Students: Himani, Chetna, Debakshi, Nidhi Mishra, Chandrika, Pooja, Diksha, Sheetal, Shivangi, Nidhi Dabas. This project is a medium to bring awareness in the society for generation of black money due to wrong consumer practices on day to day basis in our society. We organized the workshops for skill and knowledge development of students and older people at various places. The workshops were conducted by International and national experts in the area of Psychological, commercial and legal aspect of consumer behavior. Prof Sue. C.

Jacobs, Professor, Oklahoma States University,USA took the workshop on psychological aspects of consumer behavior. Advocate Ankita Chaudhary, Lawyer Supreme Court of India and Advoacte Ashoka Jain, Higher Court lawyer conducted the workshop for legal aspects of consumers behavior and talked about the procedures of filing complaints in consumer forum, consumer rights and responsibility of consumers. Dr Rekha Dayal, Associate Professor, Department of Commerce, Jesus and Mary college and Dr Abha Mathur, Department of Commerce, Satyawati college imparted skills and knowledge in the area of commercial aspects affecting consumer behavior. These workshops served as intermediary to bridge the gap between the knowledge and skills among the young and older participants. Various competitions have been organized to spread consumer awareness among people such as t-shirt painting, collage making, debate, poster making at intercollege level in which students have participated with a great enthusiasm. Data has been gathered for development of plans and formulation of policies.
