

Alumni Report 2020-21

In 2020-21, considering the requirement of NAAC, Alumni Committee decided to start the procedure of registration of Alumni Society. Following the regulations of Govt of NCT Delhi, this process was initiated. All the required papers were completed. A governing body for Alumni Association was constituted that comprised of Senior members of teaching as well as non-teaching staff and committee members. A memorandum was prepared and it was uploaded on the govt website. Documents were also submitted in hard copy in the SDM office. The Alumni Committee is regularly following the matter and taking updates from the authorities regarding the issue. Hopefully our Alumni Society will be registered this year which will be a big achievement for the committee.
