Similarly, if there is no Annual Day in our college, there would not be any chance for our young and dynamic students to uphold the pride of the institute, to catalogue the challenges we face, the endeavors we made and the success we achieved and to show what we were and what we will be. Here am I hence, much privileged to stand before you, to extend sincere and profound wishes and greetings, to bring the warmth of our affection, through the stream of love, to welcome each and every one of you and I deem it my privilege to place before you a brief report of the activities of the college for the academic year 2017 – 18.

The most impressive fact of this organization is that it focuses on the empowerment of women and girls because they are disproportionately affected by poverty and discrimination. Run by Shree Narayan Sanskritik Chetna Trust, the food cart has been providing cheap and hygienic meals to workers from lower-income sections of the society for the past few years. The initiative was started by Mr. Rajan Kumar Srivastava, chief patron of the trust, as a tribute to his now deceased parents. Both, Professor Sehgal and Professor Singhla are also the University representatives of our Governing body.

The theme for today's annual day is the "North East MOSAIC." The reason behind this being that we are able to remind ourselves and all citizens about the love, brotherhood and the spirit of integrity that prevails in our country. The programme is a harbinger of nurturing an integrated feeling and admiration for the most magnificent regions of our country, which had earlier been

neglected despite the finest and the most unique forms of dance, art, handicraft, martial art and culture and to ensure safety for the people from northeast to bring back their confidence.

The entire country is united over issue of acceptance of all colours of skin, all languages of the country, all costumes of various regions and all ways of thinking and being.

I would like to put on record the contribution of all teachers, Incharges, committee conveners, members of all committees and societies and the non-teaching staff, who have contributed towards the growth of this institution. PLACEMENT CELL

The Placement Cell of the college has been working according to guidelines laid down by Central Placement Cell of the University of Delhi since its origin. Under supervision of the convener for the academic year 2017-18, the placement cell has been constantly working towards furtherance of its aim of developing professional skills and competence among girls that shall help them to meet their career goals. The dedicated team of the cell has always strived to organize workshops and seminars that would impart necessary job skills and improve knowledge base of students. At the beginning of the session, a hand on workshop on 'How to crack a Group Discussion' was organized, with Mr. G.N. Mishra, an eminent member of academic fraternity, as the key note speaker. Various real time G.D. rounds were designed on latest topics of commercial relevance for students to provide them hands on experience of the same. Taking its goal further, the cell had organized mock personal interview sessions for the students in final year by inviting industry experts from the T.I.M.E. Education, who discussed

about various do's and don'ts to be adopted while facing the interview board, and stressed upon the relevance of facing the interview board with proper task knowledge, confidence and conviction. I.T.S., Ghaziabad, had organized a short selection quiz for students for the grand inter college 'Young Talent Quiz' competition to be held at Ghaziabad, inviting top 05 performers for higher inter college rounds at their campus. Keeping in line with the career development series for students, the cell, in collaboration with Department of Commerce of college, had organized a seminar on 'How to be a Good Public Speaker,' which gave useful insights to students as how to put forth their opinion strongly and effectively, and make their presence felt. The relative strength of students of final year registering with the C.P.C. was high in the current year. Many of our students appeared in campus placement drives of reputed companies like the Amazon Ltd., Genpact, Navig8, Shahi Exports, and Hindustan Times etc. with many of them being able to grab the offer letters of placement.
