## *From the Principal's Desk*

### **Greetings from Aditi!!!**

I take the opportunity to welcome you all to 27<sup>th</sup> Annual Day of Aditi Mahavidyalaya. It is my pleasure and honour to welcome Ms Atishi Singh, our chief guest for today's annual function. Ms Atishi Singh has been—a Rhodes scholar, a grassroots activist, an educationist, a policy reformer and a political leader. She has been a gold medalist in History from St. Stephen's college, Delhi and was a Rhodes scholar at the University of Oxford, where she earned a degree in Education. She has worked as a grassroots activist before joining the Aam Aadmi Party. She is best known for her work as the advisor to the Education Minister of Delhi. Her policy interventions have ensured that Delhi's government schools are ranked highest in the country and give more than sixteen lakh children the opportunity to realize their full potential, irrespective of their family's socio-economic background. Most recently, Ms Atishi has been elected as an MLA from Kalkaji and has continued her work in education, as the Chairperson of the Delhi Government's Standing Committee on Education. Her work inspires young people to enter the muddy terrains of Indian politics and selflessly work for the nation's progress. Thank you, ma'am, for sparing us precious time from your busy schedule.

I also have the pleasure of welcoming Dr. Vikas Gupta, Registrar, University of Delhi as Guest of Honour. Before joining as Registrar, he served at different positions in several government organizations related to the field of education covering school, technical, distance and Higher education. He was founder Senior Director, National Testing Agency; Joint Secretary, University Grants Commission; Director, Distance Education Council; Joint Secretary, CBSE & Regional Officer of North East Region of CBSE. He started his career as a Lecturer in Electronics at ARSD College, University of Delhi. A Ph.D. in Electronics, he completed his B.Sc. Honours and M.Sc. in Electronics from University of Delhi. He also served Delhi University as Joint Registrar and Deputy Registrar at both North and South Campus. He has been Member of various prestigious Committees. To name a few, Finance Committee, Central University of Haryana, Expert Member for Recruitment Rules & Roster for HNB Central University, Central University of Kerela and

Ambedkar University, Delhi. He is an active sports person who has won accolades in athletics, Badminton and Carrom at School and University level. A very warm welcome to you, Sir.

I must also take this opportunity to thank Mr. Prince Sharma, Chairman of the Governing Body. His dynamic approach and careful guidance have helped us immensely in taking the college forward. We are also deeply honoured by the gracious presence of other Governing body members and guests. I assure you that your presence here is a source of inspiration and motivation for the staff and students of our institute.

Aditi Mahavidyalaya was started with the noble purpose of bringing emancipation through inclusive education. For all these years, we have ventured ahead with fortitude, uplifting the youth and providing meaningful guidance. Today it has blossomed into an institution full of initiatives for the rural girls to nurture their potential and achieve their dreams.

With the promise that our country will grow into a knowledge superpower with NEP 2020, our college has been working steadfastly towards the same goal. We are trying to improve the career horizons of our students through student-centric activities and multi-disciplinary short-term courses based on their inclination, interests and learning needs. Our vision is founded on hard work, discipline and a strong emphasis on providing empowered and dynamic students who will take the country forward.

2021-22 has been a year of exceptional achievements for us. Our results have been exemplary as can be seen in the long list of academic and sports awardees. But that is just the beginning. We have marched forward in introducing trailblazing projects like Unnat Bharat Abhiyan, TISS Saksham Project and Vidya Vistar Scheme. In Unnat Bharat Abhiyan, we have adopted a cluster of five villages in the north-west district. We will be partnering with them in developing activities with the vision to bring transformational changes in these villages. In Vidya Vistar Scheme, we have partnered with Kirodimal Govt Arts and Science College, Raipur Chhattisgarh. In this visionary scheme, we will be sharing resources, expertise and experience with each other. We are working in close collaboration with Tata Institute of Social Sciences (TISS) for Saksham Project in prevention and control of HIV/AIDS and TB in North India.

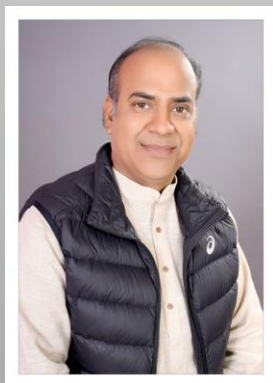

The list of our achievements is long and exhaustive. The promotions that started in last academic year continued this year as well. I am proud to share with you all that with 12 promotions in various departments this year, Aditi now has 26 professors among its teaching faculty.

As I present the achievements of the college in detail, let me assure you all that this is an exciting journey for our college. I am confident you will see a more progressive and more successful Aditi Family in the coming years.

Thank you!

## *Message from the Chairman*

Dear faculty & non faculty members, and my dear students,

Greetings!

Today we have gathered here to celebrate the Annual Day of our college and applaud the progress that we have made in the last one year. After two very difficult years, life is slowly coming back to its normal routine. The tiny, invisible enemy that brought the whole world to its knees has thankfully been controlled. With caution, we can now enjoy the normalcy that we had in the pre-covid times. This is a victory of indomitable human spirit. I take pride in saying that the entire Aditi family including Principal Prof. Mamta Sharma, the teaching staff, non-teaching staff and students have exhibited the same noble spirit. We have come together stronger since the offline classes started in February 2022. Focus of our college is holistic growth of all its students. When they walk out of Aditi's threshold after graduation, they should be empowered visionaries leading from the front. This Annual Day is a celebration of their dreams, efforts and aspirations. I hope they will continue to grow, shine and bring glory to the college.

Finally, I wish safety, health and success for all.

Thank You!!

**Mr. Prince Sharma**

The conference witnessed huge participation of working professionals, policy makers, professors, teachers, scholars and discussed about India emerging as a major player in peacebuilding.

# PROJECTS

## TISS SAKSHAM PRAMAAN PROJECT

Saksham (means “making capable”) is a project of the Tata Institute of Social Sciences funded by GFATM (Global Fund for AIDS, Tuberculosis and Malaria) to support the Ministry of Health and Family Welfare in its fight against HIV and TB. India is committed to ‘ending the AIDS’ epidemic as a public health threat by 2030 in line with Sustainable Development Goals (SDG). National AIDS Control Organisation (NACO) has targeted to revise the National approach to reach the last mile’ – to ensure a more effective, sustainable and comprehensive coverage of AIDS-related services. The goal of the National Strategic Plan 2017-24 is to accelerate HIV prevention in ‘at risk’ populations including the ‘key population’ and the ‘high-risk group’. NACO has initiated several interventions in AIDS prevention and control among the High-Risk Groups (HRGs). The Targeted Intervention NGO/CBOs work among the HRGs and support them with counselling, capacity building and clinical support with the help of funds received by NACO. These programmatic evaluations are critical to identifying programme implementation gaps of these interventions and appraisal of options to address those gaps so that mid-path course corrections can be implemented.

Saksham Pramaan in consultation with NACO identifies areas for programme evaluation on annual basis. The main objective of the project is to design and conduct evaluation of select programmatic interventions. Saksham Pramaan involves building the capacities of evaluators and organizing the evaluations of TIs/LWS in consultation with SACS. To implement this program, TISS-Saksham has partnered with five educational institutions in the north, central, east, south and west regions.

Aditi Mahavidyalaya has been selected for the northern zone covering the states and UTs of Delhi, Punjab, Haryana, Himachal Pradesh, Uttarakhand, Uttar Pradesh, Jammu Kashmir, Ladakh and Chandigarh. Aditi Mahavidyalaya supports the National AIDS Control Program (NACP) for the evaluation of Targeted Interventions (TI) and Link Worker Schemes (LWS) in the northern states of India. The objective of the coordination is to build the capacities of the evaluators and coordinate evaluations of all TI and LWS projects under NACP.

Saksham Pramaan project started in Aditi Mahavidyalaya in the month of October 2021. The first task of the project was empanelling the program and finance evaluators for the Targeted Intervention NGOs for the financial year 2021-2022. Post empanelling, Aditi Mahavidyalaya provided capacity-building training for the selected evaluators. Post-training, 86 empanelled evaluators have participated in the evaluation in all the North Indian states. Aditi Mahavidyalaya TISS Saksham Pramaan project is tirelessly working towards prevention and control of HIV/AIDS in the northern states of India.

## TISS SAKSHAM PRAVAAH PROJECT

Saksham is an initiative of the Tata Institute of Social Sciences (TISS), Mumbai working with the Ministry of Health and Family Welfare

(MoHFW) to combat Tuberculosis. The nation's psychosocial support programme for Tuberculosis (TB) has been created by Saksham. The Program is funded by the GFATM (Global Fund for AIDS, Tuberculosis and Malaria) Saksham Pravaah has shown the need to move beyond the "bio-medical," "disease control" approach and address the most important components and the social determinants of Tuberculosis such as stigma, poverty, malnutrition, lack of awareness, gender inequality and by introducing psycho-social counselling for TB in the government's tuberculosis control programme paving it's way forward in the National TB End Strategy by 2025. TB is a disease of poverty and financial constraints which can make treatment adherence challenging. One of the major goals of the Saksham is to connect the counsellors to patients, to nutrition services and the available Government of India Social Protection Scheme which in order to reduce the catastrophic burden of tuberculosis and increase treatment adherence and completion of the medicine course which is a very pivotal component. Saksham has now spread national wings and it has become a country driven motive towards the elimination of the dreadful disease. One of Saksham Pravaah's treatment adherence strategies is to address the continuity of treatment. Counsellors are alert to any instances of treatment interruptions and counsel the patients to become regular on treatment through regular counselling follow-up visits with the patients, discussions with family caregivers, and NTEP treatment supporters. Role of Aditi Mahavidyalaya- In Pravaah Project Aditi Mahavidyalaya will be working in collaboration with CTD ( Central Tuberculosis Division ) ,TISS (Tata Institute of Social Sciences) and STDC ( State TB Training and Determination Centre ) in 8 States/UT's in the North India ( Delhi, Uttar Pradesh, Jammu-Kashmir Ladakh, Himanchal Pradesh, Uttarakhand, Punjab, Haryana, Chandigarh ). The Master Trainer's trained will be providing training to create sustainability in the approach of counselling towards people living with Tuberculosis.

Aditi Mahavidyalaya will be working to select and train a pool of Master Trainers who will further train the NTEP ( National TB Elimination Programme) staff on counselling skills to control Tuberculosis and how to deal with the psycho social aspects of tuberculosis.

The online training programme has reached to its culmination with a deep insight that disaster situations are the real test of resiliency of communities and the social system actually test the ability of how to maintain development standards in the long term and points out to alter social structures that go beyond disaster-related work. There is need for more integrated approach in addressing the issues relating disaster, gender and women. More than 500 participants attended the training program.

The department moving ahead with its philosophy of 'Seeing is Believing' organized a **field tour to Uttarakhand and surroundings** for the students of BA (H) Geography 2nd year and 3rd year. The importance of educational trips with its enormous contribution to the intellectual as well as social liabilities of the learners was witnessed when a group of about 35 students (12 student from 2nd year and 23 from 3rd year) assisted by three teachers were taken to Uttarakhand and surroundings from 21 March 2022 to 27 March 2022 for the field work concerning Tourism and Disaster Management in the area. The students under the supervision of Prof. Punyatoya Patra, Dr. Roshani Devi and Ms. Sneha Gangwar investigated the study area on the Theme Tourism and Landslides in the major tourist spots followed by concerning objective to assess the impacts, benefits and prospects of tourism in study area. Using questionnaire, interview and observation technique students have explored the objectives in the area for report purpose. We have selected Uttarakhand as study area because Uttarakhand, a state in northern India crossed by the Himalayas, is known for its Hindu pilgrimage sites. Rishikesh, a major centre for yoga study, was made famous by the Beatles' 1968 visit. The city hosts the evening Ganga Aarti, a spiritual gathering on the sacred Ganges River. Also, the state is very severely prone to major disasters like landslides, earthquakes, floods and cloud burst etc. The students have been taken to Mussoorie, Dehradun, Sahasradhara, Rishikesh etc. for the exploration of the study, to find out the objectives and for the respondent for the survey. The students have filled 15 questionnaires per student. The trip has given insight knowledge to our students about Tourism and Disaster in Uttarakhand as It is often referred to as the "Devbhumi" (literally 'Land of the Gods') due to its religious significance and numerous Hindu temples and pilgrimage sites found throughout the state. As a result, religious tourism forms a major portion of the tourism in the state. Uttarakhand is known for the natural environment of the Himalayas. 2019 Tourist Arrivals Domestic - 40,000,000 per/year and Foreigner - 150,000 per year. Uttarakhand is famous for Chota Char Dham, which literally meaning 'journey to four centres, so very much vulnerable and impactful for the disaster purpose too. Since these studies forms a part of the students' curriculum, it gave a better insight into the topic for research.

Last but not the least, the department hosted its annual extravaganza - GEO - FEST with the theme 'India@75' on 23rd April, 2022 on Online mode. The program incorporated various inter- college competitions like quiz, digital map making, open mic, reel making, poster making and presentation competition. The enthusiastic students participated in large number and the event proved to be a grand success in terms of positive responses.

## **DEPARTMENT OF HUMAN DEVELOPMENT AND FAMILY WELFARE**

Although the Department of HDFE majorly operated in online mode in the academic year 2020-2021 the blended learning mode made it eventful in many ways for the teachers and students of Home Science. We started the year with great zeal, and Zen. The students were excited to learn new skills and the teachers warmly looked forward to greeting students of semesters 3 and 5.

1. The orientation of the students of semesters 3 and 5 was done by their respective teachers in their respective classes through online mode. Another Orientation Programme was planned for the students of semester 1 when the session started for them in the month of October 2020.
2. As the session progressed, students acquired new skills, and insight through discussions, presentations, and other activities. All students actively participated in the poster-making activity, and video/reel-making activities during breastfeeding promotion week in the month of August 2020. Students also made learning aids for pre-school children.
3. E visits to organizations working for women and children like Anganwadi, Delhi Council for Child Welfare, and SoS were made as part of their curriculum. Later a critical evaluation of the functioning of the organizations was done.
4. The students of all semesters also participated in the various webinars organized by colleges having HDFE in BA Prog.
5. A few students of HDFE also participated in Short-term Courses o Skill Building Training with special reference to Disaster Management and Entrepreneurship and received certificates.

## ALUMNI COMMITTEE

Alumni Committee did a stupendous job of connecting the current students with Alumni even in the pandemic times. Alumni Committee in association with the Departments of Commerce, Geography and Education organised webinars and online Interactive sessions. Alumni Committee in association with Geography Department organised a webinar and Alumni Interactive Session on 22nd January, 2022 in virtual mode. On the occasion, our Alumnae – Ms. Asha, PGT (Geography), Senior Secondary School, Holambi, Delhi and Ms. Shweta Tomar, Project Fellow, Forest Department, Panchkula, Haryana were invited for mentoring and motivating the current batch of students. Practical experiences shared by them coupled with career counselling boosted confidence in our students. Prof. Punyatoya Patra, Teacher-in-charge (Geography), also motivated the students in the webinar.

On 25th January, 2022, a Webinar and interactive session was organised by the Department of Commerce in association with Alumni Committee. The resource persons for the session were alumni students of the college viz. Dr. Manisha, Assistant Professor, Delhi School of Economics, University of Delhi and Ms. Kiran Yadav, Assistant Professor, PGDAV, University of Delhi. Dr. Rashmi Sharma, Convener, Alumni Committee, and Dr. Rajeev Kaur, Teacher-in-charge, Department of Commerce and other team members along with student volunteers organised the online event that aimed to understand positively oriented human resource strengths and psychological capacities that can be measured, developed and effectively managed for performance improvement in today's workplace. It covered relevant topics like Positive Organizational Behavior – Application of Positive Psychology at work' and 'how to become an asset'.

A webinar and interactive session on 'Mahila Utpeedan: Sangharsh Se Kaamyabi Tak' were organised by the Alumni Committee on 4th February, 2022. The speakers of the day were Ms. Swati Shokeen, Welfare Officer, Department of Women and Child Development, Ms. Axma Kumari, PGT (Hindi) and Ms. Sonu Devi, MTS, Udyog Bhawan (DGFT). Dr. Rashmi Sharma, Convener, Ms. Manisha Pal, Association Secretary along with the student Volunteers, Ms. Poojita and Ms. Kanika guided the event that aimed to understand and sensitize the students to the topic of women harassment.

The Department of Education in association with Alumni Committee organised 'Dialogue with Practitioner 2021-22 (Series II)' on 11th February, 2022 on the topic, 'Challenges in setting up and running schools. Ms. Vibha, Founder, **The Child-An American Montessori**, Chennai and Ms. Ruchika Rana, Principal, M.R. Global School, Delhi were invited to speak at the session. Ms. Vibha joined us from Australia for the webinar. Theme was encompassing women empowerment and entrepreneurship. Both the alumni are running their schools in metropolitan cities and narrated the journey of struggles and hardship they faced in establishing their institutions. Ms. Vibha established her Montessori school in Chennai more than a decade before. The idea behind it was to work on

the lingual and phonetics part with the young children. She proudly shared that her students learn to pronounce the letters and words correctly with the proper phonetics knowledge. Other alumni Ms. Ruchika's school is located at the outskirts of Delhi which comes under the rural belt. Through her experiences, she shared that only an aware teacher can provide positive guidance and mentoring to her students. Undergraduates of our college, especially from the teacher training course B.El.Ed., had queries and questions from the invited alumni. Prof. Manisha Wadhwa, Teacher-in-charge (Education), motivated the students in the webinar. Aditi mahavidyalay's alumni standee had been displayed at university's centenary year celebration. Thus, Alumni Committee had a very fruitful year despite the lockdown and pandemic challenges.

We had Dr.Faiyaz Ahmad Khudsar ( Scientist Incharge) and Ms. Preeti Vohra ( Nature Education Officer) as resource person . This was held through a Google meet for about 2 hours. This visit was organised to let the students know about bio- diversity park, how they are working, what they are doing to reserve our region from ecologically dead. It was quite productive and knowledge full session. It made students to show their interest towards our comfortably green earth. Delhi sultanate webinar was held on 15 Feb, 2022 at 3:00 pm. The webinar was organized by Eco Club of Aditi Mahavidyalaya under the Eco Fest celebrated from 14<sup>th</sup> to 19<sup>th</sup> February, 2022.The topic for discussion in webinar was "Delhi Sultanate and Water Problems in Delhi" And the speaker for the same was Prof.Nirmalkumar, Professor in the Department of History from Shri Venkateshwara College. It was our honour to take a lot of knowledge from him. He focused on the past and current situation of water in Delhi . He

also stated that during the Sultanate period (1206-1526 CE), rainfall and groundwater were stored in huge tanks called Hauz, and baoli, or step wells, were built to provide a constant supply of water in Delhi citizens. But nowadays, Delhi has been facing a supply shortage of water as water levels in Yamuna reduced to a critical low. He also stated many problems related to water in Delhi as well as threw that we all can take to reduce the water problems in Delhi. The main objective was to spread awareness about the importance of Water by comparing the situation from the past (the phase of Delhi Sultanate) and the present, not even in Delhi but in the whole world light on the appropriate steps. A Quiz competition was organized by Eco- Club with Vigyaan Sanjivani Science Society of Aditi Mahavidyalaya. - Three-day workshop on '**Inquiry in Science Classroom**' was organized from March 14, 2022 to March 16, 2022. For the first two days hands on activities were organized by resource persons – Ms Anshumala Gupta and her team from Joy of Learning Foundation. The sessions were on the topic 'Water: The Wonder Liquid' and 'Human Circulatory System'. The session addressed many misconceptions of students like - You only get dehydrated when you sweat a lot; Eight glasses of water a day?, Drinking more water improves your skin; Drinking more water helps in weight loss; Sports drinks are better than water?; Clear urine means you're always properly hydrated; All arteries carry oxygenated blood; all veins carry de-oxygenated blood; Blood travels in one continuous loop around the body; Blood circulation involves only heart; De-oxygenated blood is blue in colour and when it comes in contact with oxygen it becomes red in colour; The session was informative, practical and engaging. The workshop encouraged students to think critically.
- On March 16, 2022 a discussion was organized on the theme '**Role of Science and Technology in Society**'. The invited discussants were Dr Subhash Chandra, Department of Education, University of Delhi and Ms Aparna Joshi, Gargi College, University of Delhi. The session focussed on how knowledge is produced, distributed and utilised in any society and how it influences lives of people and vice versa i.e. how people and their demand influence research in science and technology.

During this academic year committee took the following initiatives:

S.NO.	EVENT DETAILS
-------	---------------

01.	<p><b>Research Gallery: INAUGURATION OF “WALL of Research innovation”</b></p> <p>Research development has generally been recognized as having an important role in ensuring that teachers are part of a skilled and up-to-date profession. The quality of research work directly translates to the quality of teaching and learning in the college. Aditi Mahavidyalaya provides a research environment that enables students and teachers to engage in research activities and develop highly valued competencies amongst them. The Research Advisory Committee coordinated the development of a research gallery in the college to the research innovation arena of the institution. The committee has dedicated a wall to showcase excellent research innovation contribution of the esteemed faculty of college. In the inaugural function, Head of the Institution, Dr. Mamta Sharma along with Hon’ble Chairman of the College, Mr. Prabhanjhan Jha and other dignitaries of the governing body and Convenor, Dr. Bhawna Rajput graced the ceremony and inaugurated “Wall of Research Innovation “ with pride in hearts and smile on faces. This is an exemplary wall showcasing the variety of projects the faculty of the college involved from time to time like University Grants Commission- Major and Minor Projects, Innovation Projects and International Fellowship Projects. This will stimulate and keep the morale high by infusing the research fervor among the faculty in future times too.</p> <p>“The building itself is only a shell to make possible the work that is done inside it. It is by the quality and volume of its scientific work that an institute like this must be judged, by the extent to which it has helped to explore and push back the frontiers of knowledge.”</p>
02.	<p><b>Research and Academic Journals</b></p> <p>The committee coordinated the enlisting of around 20 Research and Academic Journals in the UGC approved list of Journals in the year 2022. The committee organized the orientation lectures in research for the students and teachers to promote Research Climate in the Institution.(List Enclosed)</p>
03.	<p><b>MOU with National Productivity Council of India.</b></p> <p>The Research Advisory Committee signed an MOU with National Productivity Council of India. The Inauguration of the programme was held on 22nd October, 2021. The purpose of this MOU is primarily to do capacity building, training, consultancy and research. The occasion was graced by the presence of Mr. Nikhil Panchbhai, Director and Group Head (IT), National Productivity Council. The areas of collaboration include sustainable development goals, Management and Business disciplines such as marketing, HR, Finance, Operations and others. The aim of the MOU is to provide domain specific Technical Expert Support in areas of collaboration/SoW in consultancy assignments for Government and private Sectors within India. To conduct joint research, evaluation, assessments and consulting in the defined areas and collaboration/SoW above. The objective of the MOU is to jointly organize and conducting Workshops/Training/e-learning Programs/Awareness programs towards building awareness on Digital Skills and Capacity Building initiatives for various central, state and government departments as well as Industry sectors and educational institutions. 04. **Report on the Launch of RESEARCH CELL**

Research is the back bone of academics. The role of research in the academic institutions is of fundamental importance for its sustainability and development in the modern world. The Aditi Mahavidyalaya, University of Delhi launches its dream into reality by establishing a Research Cell on 27, December, 2021 under proficient leadership and direction of Principal of the college, Prof. Mamta Sharma along with dynamic impetus of Prof. Bhawna Rajput, Convenor, Research Advisory Committee. On the occasion of the launch, the convenor Prof. Bhawna Rajput formally gave the welcome address and invited the Head of the Institution, Prof. Mamta Sharma, Principal for the inaugural address. The major highlight of the inaugural address of the official launch is announcement of the financial support to faculty and students to conduct research along with objectives and activities outlook. The incubation center to facilitate the research fervor will be an innovative upshot in the near future of the institution. It is unique initiative to promote research and innovation under NEP2020 umbrella in the institution. The special guest of the event was Prof. Rajni Abbi, the Chairperson, Governing body, Aditi Mahavidyalaya, University of Delhi, graced the occasion with her presence and special address to the faculty and students. She motivated the institutions human resources to attain high standards of excellence not only in academics but also lifelong learning by being open to research at this preliminary level is real contribution to society at large. The launch has also successfully talked about scheme of research support, thrust areas of research projects, selection procedures and outcomes in the form of publication and reached to its closing remarks by presenting vote of appreciation behind this superb scheme and national anthem.
