ADITI MAHAVIDYALAYA... A COLLEGE ON THE MOVE

Situated on the outskirts of Delhi, Aditi Mahavidyalaya- the only institution of higher learning for a cluster of 52 villages was conceptualized in 1994 with the vision and mission to empower women with the indispensable tool of education. With the hard work, sweat and determination of the mentors, management and staff, Aditi has carved a niche for itself on the map of the University of Delhi.

Having access to quality education is especially significant for women, not only because education facilitates the realization of other human rights, but because the educational achievements of women can have a direct impact within the family and across society. Therefore, our aim at 'Aditi' is to empower rural women by imparting quality education. Though rural women constitute the essence of our institution, our versatility lies in catering to the urban women too and in providing the young and vibrant youth with wings of opportunities in their flight towards realisation of their dreams.

With a humble beginning of 200 students and a handful of courses, the college has transformed over the last two decades and proudly offers prestigious courses like B.El.Ed., Honours Courses in Social Work, Geography, Hindi Patrakarita, B.Com. to name a few. The mantra of the college is to initiate holistic development of young women equipping them with the power to act and adapt to the growing challenges of the changing world.

Under the flagship of the University of Delhi, Aditi Mahavidyalaya is working with determination, persistence and perseverance to conquer newer horizons and soar higher and higher in the skies of success.

From the Principal's Desk

Education plays a significant role in the inclusive progress of our society. The true goal of education transcends beyond just awarding degrees and certificates to the students. Its ultimate aim is the all-round growth of individual through extra-curricular activities and over all perspective. The quest of education is knowledge, humanity, culture, and wisdom but it should be noted that knowledge is not given but earned and character is not granted but cultivated.

Aditi Mahavidyalaya not only focuses on the theoretical curriculum, but also helps in the development of a student personality. Our highly trained faculty, rich library, placement cell, teaching methods, ideology of holistic growth- all these assets are in line with vision and mission of our institute. Since our college is located in the rural belt of Delhi, we ensure that our students have higher employability as well as a positive attitude to contribute in a constructive development of society.

I firmly believe that Aditi Mahavidyalaya is more than just a place to learn. We care for the individual development of each and every student. Our institute gives you a chance to grow by providing you opportunities that are needed to achieve excellence. We believe that education is an effective medium of social transformation. B.El.Ed (Bachelor of Elementary Education programme)

B.El.Ed (Bachelor of Elementary Education programme) is a four-year integrated professional degree programme for teacher education offered after the senior secondary stage. This programme is an attempt towards fulfilling the need for professionally qualified elementary school teachers. It is designed to integrate the study of subject knowledge, human development with pedagogy and communication skills. It offers compulsory as well as optional theory courses, compulsory practicum courses and a comprehensive school internship experience. Students are expected to cover 19 theory courses and 7 practicum courses during the four-year programme of study. Total weightage of the theory course over four years is 1250 marks and 950 marks for the practicum (total 2200 marks). These courses are designed in such a manner that they offer an opportunity to the students to study in detail the process of child development and learning, concepts and perspectives in education, processes and techniques of school organization and management, various issues related to elementary education and development of skills to relate and communicate with children. In 1995, the college started B.El.Ed. course with thirty-five students and became the second college in the University of Delhi to offer this course. Today, we have alumni of over 800 graduates.

A separate wing in the college building is exclusively dedicated to the department of BEIEd for the smooth conduction of the practicums, workshops and other course related curricular and co-

curricular activities. The Department has a curriculum laboratory in which a well-stocked library, computer (equipped with Internet facility) and Audio - Visual facilities are available for students and teachers. In addition to the basic reference materials, curricular resources and books including children's literature and school textbooks and audio - visual materials are also available in the library. The department has its own laboratories of Biology and Chemistry, along with a laboratory of the cooperating department of Geography, equipped with modern equipments. The Department organizes various workshops – Theatre, Art & Craft, Self-Development and Storytelling (Qissa-Goi) workshops as integral component of the course. Students also visit places of innovative teaching and learning practices in and outside Delhi. Other than these compulsory workshops, students also participate in various other activities such as heritage walk to the area of Chandni Chowk, visit to the National Museum, Science Centre, Bal Bhawan, Craft and Doll Museum, attend inter and intra college events such as TERI Earth Leadership Programme, Youth Development Programme, cultural events and competition in various Fests. BEIEd students participated (first official entry of the college in 25 years) in the University Flower show in the academic year 2019-20. Their hand made and crafted garden accessories, planters were appreciated by one and all. Students actively participated in Election Commission's awareness campaign on voting and did street plays to make people aware and sensitise. Students are encouraged to participate in curricular and co-curricular activities in other colleges and in the University. Students have been participating in various forums and showcasing their talents in poetry writing and recitation, debates and extempore, essay, drawing, poster, collage making and slogan writing, dance, drama and singing events and also present their academic research papers in other teacher training institutes. A collection of activities and experiences of the students of the Department is brought out as Newsletter 'AAROHI'. The e-versions of 'AAROHI' for the sessions 2014-15 and 2015-16 are available at college website [http:// www.aditi.du.ac.in](http://www.aditi.du.ac.in). Department's Alumni Meet ' MILAAP', is also the first alumni meet of the college which was organized in Jan 2013. In past years, our graduates meaningfully contribute to many government and private schools, teacher education institutions / colleges and Non-government organizations like Vidya Bhavan Society and Bodh Shiksha Samiti, Nirantar, Google, SARD (Society for all round development), Katha Manch. बैचलर ऑफ एलीमेंट्री एजुकेशन प्रोग्राम वरिष्ठ माध्यमिक शिक्षा के बाद शिक्षक शिक्षा का 4 वर्षीय एकीकृत प्रोफेशनल टीचर एजुकेशन डिग्री प्रोग्राम है। यह प्रोग्राम पेशेवर प्रारंभिक विद्यालय शिक्षकों की आवश्यकता की पूर्ति करने की दिशा में एक प्रयास है। इसे विषय ज्ञान, मानव विकास के साथ शिक्षा शास्त्र और संचार कौशल के एकीकृत अध्ययन के रूप में प्रस्तुत किया गया है। यह अनिवार्य और वैकल्पिक विषय, अनिवार्य प्रयोगात्मक पाठ्यक्रम और विस्तृत विद्यालय प्रशिक्षण (स्कूल इंटरनशिप) का अनुभव प्रदान करता है। 4 साल के अध्ययन कार्यक्रम में 19 सैद्धांतिक कोर्स और 7 प्रयोगात्मक (व्यावहारिक) कोर्स पूरा करना अपेक्षित है। 4 वर्षों में सैद्धांतिक कोर्स के कुल अंक 1250 और प्रयोगात्मक (व्यवहारिक) के 950 अंक (कुल 2200 अंक) हैं। पाठ्यक्रम को इस प्रकार से बनाया गया है कि वह छात्रों को बाल विकास एवं अधिगम, शिक्षा की अवधारणा एवं दृष्टिकोण, विद्यालय संचालन एवं प्रबंधन की प्रक्रिया एवं तकनीक, प्रारंभिक शिक्षा से जुड़े विभिन्न मुद्दों, बच्चों के साथ संबंध एवं संचार स्थापित करने के कौशलों को विस्तृत रूप में अध्ययन करने के अवसर प्रदान करता है।

1995 में 35 छात्रों के साथ यह कोर्स शुरू कर अदिति, दिल्ली विश्वविद्यालय में दूसरा ऐसा कॉलेज बन गया जो बीएलएड कोर्स कराता है। आज लगभग 800 छात्र यहां से स्नातक हो चुकी हैं। महाविद्यालय द्वारा बीएलएड विभाग को अलग से इमारत दी गई है ताकि प्रयोगात्मक (व्यावहारिक) कार्यशाला और पाठ्य संबंधी गतिविधियों का सुचारू रूप से संचालन किया जा सके। विभाग में एक पाठ्यक्रम प्रयोगशाला (करिकुलम लैबोरेट्री) है जिसमें संदर्भों से सुसज्जित पुस्तकालय, कंप्यूटर (इंटरनेट सुविधा के साथ), दृश्य-श्रव्य सामग्री छात्रों और अध्यापिकाओं के लिए उपलब्ध हैं। विभाग की अपनी जीव विज्ञान एवं रसायन विज्ञान

न की प्रयोगशालाएं हैं। साथ ही भूगोल के सहायक विभाग की आधुनिक उपकरणों से सुसज्जित प्रयोगशाला भी है। विभाग विभिन्न कार्यशालायें आयोजित करता है जैसे अभिनय, कला एवं शिल्प, स्व-विकास और कथा वाचन जो कि पाठ्यक्रम का अभिन्न अंग हैं। छात्राएं दिल्ली में और दिल्ली के बाहर शिक्षण-अधिगम में नवाचार अभ्यास के संस्थानों का भी अवलोकन करने जाती हैं। इन अनिवार्य कार्यशालाओं के अलावा छात्राएं अन्य गतिविधियों में भी हिस्सा लेती हैं, जैसे चांदनी चौक क्षेत्र में हेरिटेज वॉक (विरासत यात्रा), राष्ट्रीय संग्रहालय, विज्ञान केंद्र, बाल भवन, शिल्प एवं डॉल (गुड़िया) संग्रहालय का भ्रमण, अंतर एवं अंतः महाविद्यालय कार्यक्रम जैसे टेरी पृथ्वी नेतृत्व कार्यक्रम, युवा विकास कार्यक्रम, सांस्कृतिक कार्यक्रम और महाविद्यालय उत्सवों की प्रतियोगिता में प्रतिभागिता। बीएलएड छात्राओं ने 2019-20 में दिल्ली विश्वविद्यालय की पुष्प प्रदर्शनी में हिस्सा लिया (25 वर्षों में यह महाविद्यालय का पहला आधिकारिक प्रवेश था) उनके हाथ से बने उद्यान उपसाधकों वह गमलों को सभी लोगों से भरपूर सराहना मिली। छात्राओं ने भारत निर्वाचन आयोग के मताधिकार जागरूकता अभियान में हिस्सा लिया और लोगों में जागरूकता और संवेदनशीलता बढ़ाने के लिए नुक्कड़ नाटक का मंचन किया। छात्राओं को अन्य महाविद्यालयों और विश्वविद्यालय की पाठ्यक्रम संबंधी तथा पाठ्येतर गतिविधियों में भाग लेने के लिए प्रोत्साहित किया जाता है। छात्राएं कई स्थानों पर भाग ले रही हैं और अपनी प्रतिभा का बखूबी प्रदर्शन कर रही हैं, जैसे कविता लेखन एवं पठन, वाद-विवाद, निबंध, कला, पोस्टर, कोलाज और नारा लेखन, नृत्य, अभिनय और गायन के साथ साथ अन्य शिक्षण प्रशिक्षण संस्थानों में अकादमिक शोध पत्रों का पठन एवं प्रदर्शन भी किया है। विभाग द्वारा ऐसे सभी अनुभवों एवं गतिविधियों का संग्रह 'आरोही' नामक संवाद-पत्र में प्रकाशित किया जाता है। 2014-15 एवं 15-16 के ई-संस्करण कॉलेज की वेबसाइट पर उपलब्ध हैं। 2013 में भूतपूर्व छात्राओं का मिलन समारोह 'मिलाप' कॉलेज में इस प्रकार का पहला आयोजित सम्मेलन था।

गत वर्षों में हमारे स्नातकों ने एक अर्थ पूर्ण तरीके से सरकारी व निजी विद्यालयों, शिक्षण प्रशिक्षण संस्थानों/ महाविद्यालयों और विद्या भवन सोसायटी, बोध शिक्षा समिति, निरंतर, गूगल, सार्ड, कथा मंच जैसे गैर सरकारी संस्थानों में सराहनीय योगदान दिया है। कई विद्यालय प्राचार्या, संयोजिका, पाठ्यक्रम विकासक, परामर्शदाता, उपचारात्मक प्रशिक्षक व ई-अनु शिक्षक के रूप में कार्यरत हैं। उन्होंने अपने क्षितिज को कई गैर परंपरागत लेकिन आगामी कार्यक्षेत्र जैसे पर्यावरण शिक्षक, कथावाचक, शिक्षा उद्यमी, यू ट्यूबर व ब्लॉग लेखक को चुन, विस्तृत किया है। दिल्ली विश्वविद्यालय के नवाचार अनुसंधान प्रोजेक्ट में विभाग की कई छात्राओं व प्राध्यापिकाओं ने हिस्सा लिया है। वैशाली तोमर के पुण्य स्मरण में दिल्ली

विश्वविद्यालय द्वारा बीएलएड की श्रेष्ठ छात्राओं को महाविद्यालय शुल्क व पुस्तक अनुदान के लिए छात्रवृत्ति दी जाती है।

टिप्पणी:बीएलएड में प्रवेश संबंधी जानकारी के लिए शिक्षा विभाग(केंद्रीय शिक्षा संस्थान) या दिल्ली विश्वविद्यालय की वेबसाइट देखे.

GUIDELINES REGARDING DISCIPLINE AND ANTI-RAGGING

1. All matters relating to maintenance of discipline among students in the University/affiliated Colleges and Institutions/Departments/Faculties/Halls/Hostels will be governed by **Ordinance XV (B) and XV (C). Kindly refer Clause 3 – Ordinance XV (B)** which defines categorically the acts of gross indiscipline on the part of student.
 2. Detailed rules of discipline and proper conduct of students shall be framed at local level by the Deans of Faculties/Heads of Departments/Principals/Provosts of Halls/Hostels of Residence/ Wardens of College Hostels. These rules are to supplement rather than substitute guidelines available from the University.
 3. Full publicity should be given to the existing Ordinances XV (B), XV(C) of the University & **The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (14 of 2013) – website <http://wcd.nic.in/act/sexual-harassment-women-workplace-preventionprohibition-and-redressal-act-2013>** along with the local level rules and regulations to render a safe and secure environment to the students especially new comers.
 4. **As identified in Clause 5, Ordinance XV(B) the Heads of Institutions “shall have the authority to exercise all such disciplinary powers” over students in their respective institutions. Further, they may identify a Disciplinary Resource Person (DRP) in each College/Hostel/Hall/Department/Faculty. The name, address and telephone number of the DRP should be immediately intimated to the Proctor's Office for record and reference. The DRP may directly liaison with the Proctor's Office of the University.**
 5. **The Institutions may erect suitable hoardings/bill boards/banners in prominent places within the respective Campus to exhort the students to prevent or not to indulge in ragging. The names of the officials to be contacted and their telephone numbers to report any incidence of ragging should be clearly displayed on the notice board.**
 6. Along with the Disciplinary Committee Person, senior teachers, NCC/NSS officers, if any, and senior students may be involved to form a Disciplinary Committee (DC) at the college/faculty/ department level.
-
7. The DC shall be expected to maintain law and order inside the college/department. The Committee shall facilitate the Process of induction of new entrants, election of new office bearers of union/association/society, organisation of functions and all related activities of the student community in their respective premises.
 8. Vigilance squads may be constituted (in addition to the DC) taking help of NCC/NSS student volunteers wherever possible to keep constant vigil to avoid cases of indiscipline amongst students and any kind of untoward incident. Such squads may be specifically instructed to take timely action to prevent incidents of hooliganism, ragging, eve-teasing and any other undesirable event. The Vigilance squads should also be directed to take care of activities in and around the institutional premises including the cafeteria/canteen/dhaba/student common rooms/visitors' room/play-grounds and other places where students are likely to organise any group activity. Special attention should be given and vigilance exercised day and night over hostels and mess associated to it.
 9. **Sealed complaint boxes be placed in front of the Principal's Office, especially in those undergraduate colleges which have hostels, for the benefit of the potential victims of ragging to enable them to put their complaints/suggestions to College authorities. Officials in each college on whom the responsibility has been entrusted will look into those complaints and take prompt necessary action, as per University norms.**
 10. The Vigilance squads and the DC must act in complete coordination because ultimately action with regard to any incident of indiscipline involving any student or group of students will be recommended by the DC and thereupon respective Head of Institution will initiate the disciplinary action.
 11. Each student is expected to carry his/her own identity card. Entry to the institution should be strictly governed on the verification of the identity cards carried by students. To enforce such regulated entry, Security Guards and other associated staff may be engaged. Such security staff along with the Vigilance squads may organise, from time to time, some surprise raids on the premises of cafeteria/canteen/hostels/student union rooms/general common rooms/ parking lots etc.
 12. The use of institutional premises beyond office hours and for specific purposes such as extra-mural activities should be allowed only with the prior approval of the institutional head. The use of institutional premises for any illegal/immoral/ undesirable purposes and activities will be strictly dealt with as per the disciplinary rules and guidelines in force. The caretaker of the building must be instructed to be alert and vigilant so as to prevent unauthorised and illegal use of institutional premises.

13. Extra-curricular activities, e.g. drama, debates, quizzes, etc. should be planned in such a way that the student community is kept engaged in constructive activities.
14. The system of personal consultant / mentor may be introduced in colleges and departments. All new entrants may be attached both individually and collectively in a group to specific faculty member who should devote a little time and energy for helping the students individually or collectively to overcome any emotional problems resulting from adjustment to new environment, staying away from home. Ideally speaking, a student of science discipline should be given a mentor belonging to other disciplines such as humanities or commerce and vice-versa. Such a system can be a very effective step towards development of confidence and personality in young students.
15. The institutional head is authorised to negotiate directly with external agencies like Police, DTC/Metro etc. The University will render help and support towards maintenance of atmosphere of peace and harmony among students. For example, the matters like instituting a police picket, getting a PCR van for patrolling around the institution, arranging U-specials etc. can be directly taken up with appropriate authorities by the College Principal/Head of the Institution.
16. Special care must be taken to avoid harassment of any student on the basis of caste, sex, religion etc. In this regard preventive actions are more important than punitive actions.
17. The Proctorial system in the University intends to maintain a federal character of the University. It is, therefore, as per our Ordinance that local level decision and actions with regard to matters of discipline may be taken with intimation to the University Proctor's Office. Any kind of help and support that is required from the Office of the University Proctor will be made available on request and on availability of timely information. Any "distress call" to take care of any emergency situation may be made directly to the Office of the Proctor and/or Joint Control Rooms located on both North and South Campus.
18. The telephone numbers of the Principal (Head of the Institution), the Teacher designate (Disciplinary Committee Person), Warden of the Hostel/Halls, University Proctor should be prominently displayed on the Notice-Boards of the College/Institute so that students can contact them freely in case of emergency.
19. **The UGC has recently formulated very strict guidelines to curb the menace of ragging which is available on their web site www.ugc.ac.in**

20. As per "UGC regulations on curbing the menace of ragging in higher educational Institutes, 2009", the Principal/Head/Provost/Warden shall during the first three months of an academic year, submit weekly report on the status of compliances with Anti-Ragging measures under these regulations and monthly report on such status thereafter. The report can be sent by email to proctor@du.ac.in
21. **The Ministry of Human Resource Development (MHRD), Government of India has also launched a 24x7 toll free anti-ragging helpline No. 1800-180-5522 and an e-mail facility at helpline@antiragging.in This information may please be given wide publicity.**
22. A Control Room, jointly manned by Delhi Police and the University Officials at Room No. 13, 1st Floor, Proctor's Office, Conference Centre Opposite Department of Botany, University of Delhi, Delhi-7, would function to deal with any untoward incident. Telephone Number of Joint Control Room in North Campus is 27667221. The Joint Control Room Telephone Number in South Delhi Campus is 24119832. It is, therefore, requested that Principals, Heads of the Departments and Provosts of Halls/Hostels, disseminate information to students and Hostel/Hall residents about the location and functioning of the Joint Control Rooms.

<http://www.amanmovement.org>
24. Anti-Ragging App designed by the University Grants Commission can be downloaded.
25. Himmat App ^{HIMMAT} can be downloaded from Delhi Police website.
