

Activities for Students in the Academic Session of 2020-2021

The academic session of 2020-2021 brought with it a lot of stress and heart-ache. The advent of the deadly Corona virus resulted in lockdown. It brought a significant change in the academic institutions. For the teaching-learning process to continue, online classes had to be started for students. It was the first year for such classes to be held and, naturally, the road was bumpy and there were hiccups along the way. Students had to be occupied and their interest kept alive. Offline activities could, of course, not be held, so online activities were arranged.

In the **July-December 2020 semester**, a **Declamation Contest** was held for the students.
