Academic Session 2021-22

Webinar : Role of MSME in Sustainable Economic Development since Independence

The screenshot displays a Google Meet interface during a webinar. The main content area shows a presentation slide with the title "Role of MSMEs in Sustainable Economic Development of India". The slide features a white background with colorful geometric shapes: a large orange circle at the bottom, a blue circle on the left, and various green and orange lines and arcs. A small notification above the slide reads "You are sharing your entire screen." with a "Stop Sharing" button. The top of the browser window shows the URL "meet.google.com/hgw-kias-aoi" and logos for Amazon.in and AliExpress. A notification bubble in the top right corner says "Take snapshots without using PrtScn. Add reactions and edit". The bottom of the screen shows the Meet control bar with icons for mute, video off, chat, share, and end call. The system tray at the very bottom includes the search bar, taskbar icons, and system clock showing 11:04 AM on 03-09-2021.
