Agenda: Regarding a complaint by a first  
year student

It was found by the committee that the  
first year students had willingly gone with  
III year students on their own for outings/  
recreation. The incident happened outside  
the college premises. However, after taking  
versions of all the concerned students was  
taken verbally and in writing.

It was found that there was only heated  
arguments among the students and no physical  
case of ragging was observed.

Agenda: Letter received from a student,  
from 2nd year BSA (P).

1. The members observed following points.

1. Letter of Ms Soni II yr BSA (P) student has wrongly stated the subject. The content of the letter does not reflect any ragging by senior students.

2. Misbehavior was within BSA (P) II yr students.

3. Misbehavior of ex-students does not come under the purview of anti ragging committee.

4. Thus the committee concluded that it is purely discipline amongst students of the same year and ex students, hence it is a case for discipline committee and not anti ragging committee.

The committee decided that the letter should be returned to the

principal with a noting that  
it is a case to be looked by the  
discipline committee and not by  
anti ragging committee.
