

HDFE Activities 2020-21

The department has been actively engaged in different events throughout the academic year. The schedule of various activities conducted has been enlisted.

- The faculty and students participated in a short-term course by CEQUIN in collaboration with JDM College on “Understanding Gender” in August-October 2020. Several other workshops were also attended through digital mode.
- A webinar on “Empower your Subconscious Mind to Unfold your Infinite Potentials “ was held on 9 th Sept 2020 by Sh Ram Verma, a Wellness Coach.
- The fresher’s were welcomed through Online Student orientation programme on 20th Nov 2020, briefing them of department activities, syllabi, events and other important information. It facilitated to know them better through digital mode only.
- An Online orientation session for students of semester III and V was held on 4th Dec 2020 to brief them about OBE pattern and guidelines.
- On Sept 2020, HDFE dept Organised interactive session on 'Child Abuse and POCSO Act, 2012.
- An Online orientation session for Semester IV and VI students was held on 4th Jan 2021 to brief them about the online classes and syllabi.
- Dr Reema Lamba (Department of HDFE,AMV) and Ms. Nirmala Muralidhar(Dept of HDFE, JDM) collaboratively conducted a certificate course on “Decoding Disability in Children” during February-March 2021. The objective was to sensitize students and faculty involved in their colleges and other colleges offering similar UG programmes on this issues. An MOU for the same was signed between Prof Mamta Sharma (AMV) and Prof Swati Pal(JDM) for this collaborative conduct of certificate course.

The forte of this course was that there was no course fees, keeping in mind the financial constraints during the Co-vid period. An effort was to keep the students engaged and compensate for their field work exposure in the area of disability which was difficult to be completed during restrictive or lockdown period prevailing due to the pandemic. Fifteen sessions for more than thirty hours were held by resource persons from varied backgrounds such as rehabilitation professionals, medical experts, academicians, parents, research scholars and all those actively involved with these concerns. The different lectures covered topics ranging from understanding the diverse needs of children with disabilities, reimagining disability, educational provisions, capacity building, understanding lived experiences and role of family and community in bringing about a change. The resource persons brought to the sessions their varied and in depth experience and expertise. The popularity of the course could be judged by student attendance that reached 100 in most sessions on the virtual platform of google meet. The deliberations benefitted the students; improving their knowledge base besides sensitizing them on the deep seeded issues as could be interpreted from the feedback forms generated for each session. The course was culminated by an objective test of all the participants and valedictory. The results were shared with the participants and a short video based on the various sessions was previewed. The faculty from other colleges and students provided feedback on the course and a vote of thanks was extended. E certificates were provided to participants with stipulated attendance and test performance. An e-newsletter was prepared for the same.

Dr. Sadhna Jain organized the UGC funded National Conference on ‘Unfolding the Potentials of Women and Girls Including Children: Enhancing the Benefits Exponentially for One and All -

SabkaSaath Sabka Vikas Perspective. Eminent people like Prof AnupaSiddhu, Director and Head of Home Science, Lady Irwin College, Prof AnilAneja, Head Dept of English and Convenor, Equal Opportunity Cell, University of Delhi, Prof Geeta Singh, Director, CPDHE shared their views on the above theme.

A pre-conference workshop was held for undergraduate students to develop research aptitude. Prof Rajni Dhingra Dean (Research) from Jammu University delivered the talk on the 'Developing Research Aptitude' Poster making competition, Research Paper reading activity, and quiz were held for undergraduate students on the theme.

A panel discussion was held on 'Unfolding the Potentials of Women and Children through National Education Policy, 2020.

More than 70 abstracts were selected for paper presentation on different themes ranging from the role of technology in empowerment to LGBTQ+ and Article 377. The presentations were made in three different parallel sessions.

The selected papers were published in an Edited Book. An audiobook and the book was also converted into braille to make it accessible to all with an inclusive approach

अदिति कॉलेज में सबका साथ-सबका विकास पर राष्ट्रीय कॉन्फ्रेंस

नई दिल्ली, सत्यकेतन समाचार। दिल्ली विश्वविद्यालय के अदिति महाविद्यालय ने विश्वविद्यालय अनुदान आयोग (यूजीसी) के संयुक्त तत्वावधान में एक राष्ट्रीय कॉन्फ्रेंस का आयोजन किया। इस कॉन्फ्रेंस के विषय का मूल उद्देश्य सबका साथ-सबका विकास था। कॉन्फ्रेंस में राष्ट्रीय अनुसूचित जाति आयोग के चेयरमैन विजय सांप्ला मुख्य अतिथि के तौर पर मौजूद थे। उनके साथ होम साइंस विभाग की प्रो. अनूपा सिंह, इंग्लिश विभाग के प्रो. अनिल कुमार अनेजा और कॉलेज की प्रिंसिपल प्रो. ममता शर्मा भी मौजूद थीं।

कॉन्फ्रेंस में विभिन्न विषय विशेषज्ञों द्वारा पेपर प्रस्तुतीकरण किया गया जिसमें मुख्य रूप से महिला सशक्तिकरण, वर्चुअल और ऑनलाइन माध्यम के कारण होने वाली स्वास्थ्य संबंधी समस्याओं, हिंदी साहित्य में दिव्यांगों की परेशनियाँ, स्ट्रेस मैनेजमेंट आदि विषयों पर गम्भीरता व विस्तार से चर्चा हुई। कॉन्फ्रेंस में बहुत से सकारात्मक पक्ष निकल कर सामने आए जो निश्चित रूप से बेहतर समाज और बेहतर भविष्य के लिए कारगर सिद्ध होंगे। नई शिक्षा नीति प्रत्यक्ष प्रमाण है कि कोई व्यक्ति,

कोई वर्ग, अवसरों से वंचित न रहे। यही प्रयास जरूरी है।

कोविड के बाद हम बेहतर विश्व का निर्माण कैसे कर सकते हैं। महामारी से जो सबसे खतरनाक सबक मिला है वो यही है कि मनवाधिकारों का सम्मान करना किसी भी देश की सेहत दोरुस्त करने की सबसे अच्छी नीति है और इसी से यह तय होता है कि हम एक स्वस्थ समाज में रहते हैं या बीमार समाज में। इस महामारी में विश्व अर्थव्यवस्था पर असर और उसमें सुधार के बीच फर्क साफ दिखता है। इस महामारी ने भयंकर संकट पैदा किए हैं

तो साथ ही साथ नए अवसर भी प्राप्त हुए हैं। दुनिया भर के लोग अब इस बात को ले कर भी फि क्रमद है कि कोविड के बाद की दुनिया कैसी होगी ?

न्यू नॉर्मल क्या होगा साथ ही साथ कोविड ने हमें यही सबक भी दिया है कि समाज के कमजोर तबके के सामने जो जोखिम है उनकी अनदेखी नहीं की जा सकती, स्वास्थ्य व अन्य सेवाएँ सबके लिए हैं किसी एक के लिए नहीं। न्यू नॉर्मल में सबसे अधिक आवश्यकता इस बात की होगी कि हम कैसे समाज में सकारात्मक सोच को बढ़ावा दें।

About the Editors

Prof Mamta Sharma is heading Aditi Mahavidyalaya since July, 2015. Prior to joining Aditi Mahavidyalaya, she was working as an Associate Professor in the Department of Chemistry, Kirorimal College of Delhi University. She is a very well-known personality in the field of academia. She has bagged many prestigious awards including Gold Medal in M.Sc, worked on research projects funded by UGC, DST, and Research Council as a Principal Investigator, convened International and National conferences, published papers in reputed international and national journals, has served as a member of the Academic Council, pertinent core committees of University of Delhi.

Sh Baldev Gulati prior to joining academics as an Assistant professor at Aditi Mahavidyalaya in 2016 worked in the development sector for about two decades. His area of specialization had been the livelihood of persons with disabilities. He has worked as a livelihood consultant with the American India Foundation, resource consultant with the Noida Deaf Society, and inclusion consultant with the PACS project of the BFID. He has been a pioneer teacher in organizing a variety of programs with the aim to enhance the sensitivity of students to the concerns of persons with disabilities.

Dr. Sadhna Jain has been working as an Associate Professor in the Department of Human Development and Family Empowerment, Aditi Mahavidyalaya. She has published and presented papers in reputed journals and conferences. She has chaired and co-chaired sessions at conferences. She has also worked on research projects funded by UGC, Research Council as a Principal Investigator.
