Department of History

Vedic Society (2022-2023)

MESSAGE

Discipline of History enlighten students with knowledge based on Historical literary sources, Archaeological sources, oral sources, memories, traditions and rituals etc. to understand past societies, politics, economics, culture and environment etc. We try to build up analytical capacity of students to assess the continuity and changes between the past and present. We have tried to evolve the best possible ways through Project works, field visits, video shows and invited lectures etc. for developing student skills in understanding historical, archaeological sources, conservation of monuments, archival sources, different types of artefacts in Museums and skill to explore, plan and conduct heritage tourism etc. We wish our students further contribute in the enrichment of the discipline of History and have great future ahead!

On the occasion of 75th year of India's Independence and Har Ghar Tiranga programme, Department of History organized an online Documentary screening on the topic, Indian Freedom Fighters of Cellular Jail (Andaman and Nicobar Island) with Student group discussion, and the Awareness Campaign on salient Features of Flag Code of India, on 12th August, 2022, time at 4:00 PM.

It was highly motivating to rejuvenate the feeling of nationalism amongst the students. The screening of documentary was followed by question-and-answer round and group discussion session. The answers of students were very encouraging. They all showed dedication for serving their nation in best possible way. Students also presented wonderful PPTs highlighting salient features of flag code of India.
