## About the College:

### ADITI MAHAVIDYALAYA... A COLLEGE ON THE MOVE

Situated on the outskirts of Delhi, Aditi Mahavidyalaya- the only institution of higher learning for a cluster of 52 villages was conceptualized in 1994 with the vision and mission to empower women with the indispensable tool of education. With the hard work, sweat and determination of the teachers, management and staff, Aditi has carved a niche for itself on the map of the University of Delhi.

Having access to quality education is especially significant for women, not only because education facilitates the realization of other human rights, but because the educational achievements of women can have a direct impact within the family and across society.

Therefore, our aim at 'Aditi' is to empower rural women by imparting quality education. Though rural women constitute the essence of our institution, our versatility lies in catering to the urban women too and in providing the young and vibrant youth with wings of opportunities in their flight towards realization of their dreams.

With a humble beginning of 200 students and a handful of courses, the college has transformed over the last three decades and proudly offers prestigious courses like B.El.Ed., Honors Courses in Social Work, Geography, Hindi Patrakarita, B.Com. to name a few. The mantra of the college is to initiate holistic development of young women equipping them with the power to act and adapt to the growing challenges of the changing world.

With an illustrious and dynamic staff – both teaching and non-teaching – Aditi is moving steadily and surely on the path of excellence by offering quality education with a proliferation of new courses and a concomitant increase in the number of students.
