Report on TB FREE CAMPUS at Aditi Mahavidyalaya Under the Flagship of G20 activities on 17th March, 2023 at 12:30pm

The inaugural function to celebrate the partnership of Aditi Mahavidyalaya with the University of Delhi for the G-20 Presidency summit was organized at the University Conference Centre on 17th March, 2023. The event was graced by high profile guests including Prof. Anil Rai, Dean International Relations University of Delhi. The SAKSHAM project under the flagship of Tata Institute of Social Science Organized an extremely insightful discussion on a TB Free Campus. The Guest of Honour was Dr. K. K Chopra, Director, State TB demonstration centre- Delhi offered valuable insights on this sensitive that calls for urgent intervention. The chairman Prof. Ravinder Kumar, Dean Culture Council and the dynamic Principal Prof. (Dr.) Mamta Sharma Offered their unflinching support to all activities and events planned by various departments/committee/clubs to celebrate India's G20 Presidency Summit.

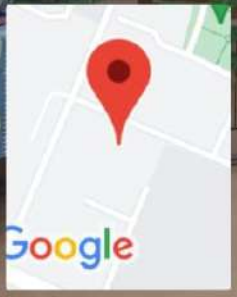

Prof. Pooja Khana (Convener, G20 Committee) highlighted the theme of this event and also invited Prof. Beena Antony Reji (Faculty in-charge, Saksham Pravaah), inaugurate the first TB Free Campus programme in the University of Delhi. She mentioned that Aditi Mahavidyalaya would be TB Free campus. She highlighted that stigma related to TB is to be eliminated and the importance of treatment of TB is to be addressed and counselling played a very significant role to eliminate Tuberculosis in India. Prof. Mamta Sharma and Prof. Beena Antony Reji welcomed the Chief Guest Dr. K.K Chopra, STDC Director, Delhi.

Dr. K.K Chopra talk about TB disease and the vision of the Government of India to eliminate TB in India by 2025. He introduced signs, symptoms and treatment process of TB in detail. He also mentioned that need to spread awareness among individuals and communities, strengthen community support and counselling for treatment are essential aspects to eliminate TB in India.
