# ADITI MAHAVIDYALAYA

(UNIVERSITY OF DELHI)

*A role model resonates in renewed roles,  
Moving with a relentless resolve  
On the road of renewed reflections,  
Rejuvenating every step with the spirit  
of her mind, body and soul.*

*With great pride, I acknowledge that the seeds of hope and anticipation that were sown in the rural soil 25 years ago have rooted into strong foundations and the branches of the tree have borne fruition in every direction of women education and empowerment. Today Aditi Mahavidyala has blossomed into an institution full of initiatives and incentives for the rural youth to display their innate potential and participate whole- heartedly in the individual, state, national and global stage. It has definitely been an arduous and challenging task for each and every person who contributed and continues to strive for the institution's growth. It was because they had set out with a unique and noble purpose - Emancipation through education, an area which needed great courage and fortitude to venture into. I support their cause and laud their efforts.*

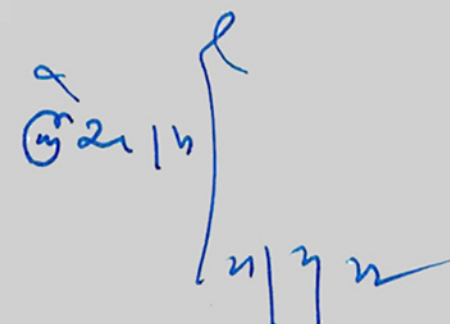

Manish Sisodia

  
Deputy Chief Minister  
Govt. of Nct of Delhi

*Aditi Mahavidyalaya has partnered in the realization of a dream of carrying the light of education to the young generations of women in the rural areas. This has been achieved through quality inputs, spanning 25 years of strenuous efforts. The rural girls who were bereft of the teaching-learning benefits have now become primary stake holders. Their scope, recognition and aspirations have expended into the developmental endeavors of not only their state and country, but in the direction of global awareness. In a developing country like India, if a social, economic and cultural change has to be effective, then women empowerment is a powerful driving force and more so through the tapping of the potential of the young rural generation's formative minds. Hence this institution which has conceptualized this fact and has tirelessly labored towards such an enlightenment, has definitely worked to create a positive and progressive difference in national upliftment. I offer my sincere encouragement and full support towards a holistic future of the stakeholders of Aditi Mahavidyalaya.*

Prof. Yogesh Singh

  
Vice Chancellor  
University of Delhi

*When the young generations of rural women will have their say and active participation, then the task of nation building will be given a fresh, renewed and invaluable impetus. It will be like a vital force that shall break through the stereotyped age-old norms and bring forth a new sunrise not only for all Womanhood, but for the country. I will continually support, commend and encourage Aditi Mahavidyalaya that took the plunge to make a dent and release the 'Winds of Change' that would blow away the dust, debris and clouds, which overshadowed the long due upliftment of the most deserving section of our society, namely the rural women of our country. May success be a partner at hand at every step that this institution strives for in the road of betterment and progress.*

Prof. Balaram Pani

Dean of Colleges  
University of Delhi

*Today when I look back at the gradual progression of the tireless inputs of last 25 years, I see the metamorphosis of a noble vision. Aditi Mahavidyalaya has widened its horizons and young generation of rural young women have empowered themselves and made their education instrumental in forging ahead at the national and global platforms. The prospects of progress have increased manifold. Not only an awareness and application of basic rights of women has been created, along with it has come responsibility of a role the stakeholders will play in the nation's future. This institution has incorporated self-assertion, self confidence and courage which are the basic objectives of education. The institution has targeted a vulnerable section of women for the purpose- which in itself is a commendable goal. I whole-heartedly appreciate and support the commitment of this institution to build a bright future.*

Prof. Rajni Abbi

Proctor  
University of Delhi

There is an adage that, "If you educate a man, you educate an individual; but if you educate a woman, you educate a nation". Indeed, educating every girl is the key to not only her empowerment but to nation building also. In this context, Aditi Mahavidyalaya - an all women college - has played a very commendable role in the last 25 years, in laying a sound foundation for the progress of women from diverse background and social strata through education, and providing them ample opportunities to prove their mettle in multifarious activities and become a role model for the younger generations. I congratulate the Management, College, Faculty, staff and co-workers for their fruitful contribution to the nation's progress and wish them all the very best in their strivings for empowering the vulnerable section of our society and also for all their future endeavours.

Moving in tune with the modern times it has always been our endeavour to give optimum exposure and latest educational facilities to enable holistic development of the students. Our aim is to provide a plethora of opportunities to enable them to take progressive steps towards the fulfilment of their dreams. Aditi Mahavidyalaya has come of age and its success is enshrined in recreating rural roots and giving wings of courage and confidence to its students. Armed with these ideals we move on with determination and true grit in our journey towards excellence in the field of education.

At aditi, every student undergoes a journey of learning. Each student is nurtured with inputs that enable holistic growth. Opportunities are provided to imbibe the intrinsic values which are enriched in the manure of learning experiences. We are together in the endeavor to leave no stone unturned in every sphere of teaching and learning; for we believe that knowledge gained and implemented the right way will bear sweet fruit not only for individuals but for society at large.

*Today the true torch bearer of this institution, Principal Mamta Sharma stands out as a true leader whose unrelenting guidance and persistent perseverance has set a benchmark of high quality and standards for the institution. Through the years, she has tirelessly worked to face the challenges of uplifting and emancipation through education of that section of stakeholders who are the most neglected, namely the rural girls. We take this opportunity to salute the spirit of young minds who have taken the institution ahead and shown the light on a difficult and rough road. They continue on their mission to fulfill the grand vision of making Aditi Mahavidyalaya institution to reckon with.*

*It was the pioneer Principal Dr. Usha Puri who took the plunge of creating the ground work and laying the foundation of Aditi Mahavidyalaya. It was no mean challenge to work amongst the rural socio-economic and cultural mindsets of Bawana to convince and ready them to adopt higher education for the girl child. Her determined approach cut through many hindrances. She undertook home visits, even tied 'Rakhi' to the local leaders to assure the safety of the students who attended college. Her public relation abilities took the test of undefined courage to bring in the initial batches of the student stakeholders. Academically, she introduced, as due records hold, five relevant and economically viable courses in the college. Two of them were rare courses at the time, namely B. Ed and Social Work. Personally she was an epitome of leadership- sincere, honest, open minded, proactive and a disciplinarian. She always stood firm for the cause of women empowerment and directed all her energies, courage and fortitude in making women education instrumental for women emancipation.*

*Dr. A.P.J. Abdul Kalam*

*Taking over from the pioneer Principal, Dr. Sharda Lal put in concerted efforts to strengthen the rudimentary foundations that were laid down to bring the light of education to the rural girl child. The college still in its formative stages needed a strengthening in every sphere which was enabled through her proactive participation and keen interest in shaping up every aspect that needed active attention.*

Dr. Sharda Lal

*Carrying forward the legacy, Dr. V<sup>L</sup> Choudhary was a contemporary visionary. She conceived of an enriched future for the stakeholders; step by step a directional approach was given to the institution under her benign guidance which would enable the new generations of rural girls to partake the multifarious opportunities of a holistic growth through education*

*Dr. Kamal Anand as a Principal was a persona that exuded fortitude, perseverance and fore sight. She gave a genuine emphasis on the positive growth of basics of the academic and co-curricular aspects that would shape the holistic personality of the students with an eye on giving exposure that nurtured formative minds conditioned in a rural upbringing.*

Dr. Kamal Anand

*Dr. Saroj Gulati imbibed versatility, vision, insight and innovation. She focussed on every area of the teaching learning scenario of the college, be it academics, socio-economic awareness, personality development and infrastructure. Her inputs went a long way in shaping the present institution as it stands today.*

*Dr. Kalpana Bharara stood as a strong pillar in the implementation and realisation of educational ideals and lofty objectives of opening new horizons for girl students of the traditional rural society. Dr. Bharara had the true leadership qualities that complemented with her intrinsic drive and determination to bring about a change in the outlook and perspective of new generations of young stakeholders. Her tenure was the beginning of a progressive pathway that would enlighten and lead to become a renowned institution and create a place of recognition which is Aditi Mahavidyalaya today.*

## Bachelor of Elementary Education (B.El.Ed.)

In 1995, the college started Bachelor of Elementary Education (B.El.Ed.) course with thirty-five students and was the second college in the University of Delhi to launch it. It is a four-year integrated professional programme of elementary teacher education aimed at fulfilling the need for professionally qualified elementary school teachers. It aims at redefining the social function of the school teacher in the context of achieving universalization of Elementary Education besides focusing on developing a deep critical understanding of the curriculum and pedagogy in teachers, who are believed to perform a transformative role in school education.

Today, we have alumni of over 850 graduates. The Department has a curriculum laboratory with well-stocked reference books. The Department organizes various workshops on Theatre and Performing Art. Students also visit places of innovative teaching and learning practices in and outside Delhi. Students actively participate in other community extension and skill enhancement activities and workshops like Election Commission's awareness campaign on voting and performed street plays. A collection of activities and experiences of the students of the Department is brought out as Newsletter *Aarohi*. *Misaap*, is also the first alumni meet of the college which was organized in Jan 2013. Our graduates meaningfully contribute to many government and private schools, teacher education institutions / colleges and Non-government organizations like Vidya Bhavan Society and Bodh Shiksha Samiti, Nirantar, Geogse, Sard (Society for all round development), Katha Manch. Many of them are working as school principals, coordinators, curriculum developers, counsellors, remedial instructors, e-tutors. They have expanded their horizon by choosing some unconventional but upcoming areas like environment educators, story-tellers, entrepreneurs in education, You Tubers and Blog writers. Some students and faculty of the department have also been part of Innovation (research) projects of the University of Delhi. University of Delhi commemorated a scholarship in the memory of our student Vaishali Tomar to the toppers from the B.El.Ed. first, second and third years for the college fee and book grant.

## Department of Commerce

The Department of Commerce of Aditi Mahavidyalaya was instituted in the year 1994 with one of the premium courses of the University of Delhi i.e B. Com (Hons.) with 30 students and 2 teachers. Year 2006 was the Golden year for the department as university sanctioned to run B. Com course in the college. The Department aims to strengthen hidden potential of students so as to increase their employability, empower them with financial security and benefit them in their future endeavors. The rapid growth of the Department of Commerce is reflected in its expansion as well as novelty in its academic programmes. The department comprises of distinguished faculties, expert in their domain, who are always willing to help students to develop their academic potential to the maximum. From time to time Department of Commerce has also conducted various conferences, workshops, seminars and industrial visits to motivate the students and teachers and help in their career development. To build up administrative and managerial skills, students are given responsibilities to organize various events. The much awaited annual Commerce festival "Vanijyam" gives a platform to students to show their talent and creativity. Upon graduation, many students find placements with renowned business organizations such as Tech Mahindra, A.B.P News, British Telecom, Tata Power Company, Genpact, Bank of America, State Bank of India and University of Delhi.

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge."

## Department of Social Work

The Department of Social work at Aditi Mahavidyalaya was established in Aug. 1997 with a humble beginning. There were 12 students in the first batch and 2 teachers to begin this course. As a Bachelors in Social Work is not much heard of, in the initial years teachers had to do a lot of reaching out in the nearby areas to enrol the students to the course. The teachers would visit the villages and schools near the college to talk about the course and its scope. Within few years itself, slowly and steadily the Social work course started getting publicity in this area. Social work students and their families were our torch bearers as the students were full of praises about the course curriculum and the positive changes each of the students went through in these three year course at Aditi Mahavidyalaya. The Social work Department has played a dynamic role in women empowerment in and around the area of Bawana, through the students as most of them were the first women higher education seekers in their families and communities.

*"You have to grow from the inside out. . .  
There is no other teacher but your own soul."  
- Swami Vivekanand*

The Social work Department strives for academic excellence and is committed to the overall development of each of their students. The Department organises a number of activities to equip the students with knowledge, skills and training to face the competitive world. The activities are planned to give the students greater exposure to social welfare and social development organisations within our country and abroad. In 24 years the Social work department has expanded from 12 students to more than 115 students .

21 batches of students have passed out of the department, pursued their post-graduation from some of the best Social work institutes like Tata Institute of Social Sciences, Department of Social work, University of Delhi, Nirmla Niketan, Indore school of Social Work and Institute of Population studies. Today many of the students are highly placed nationally and internationally in Government and Non-Government Organisations. The students are placed in grassroot, middle and higher levels in different organisations. To mention a few, we have students as Professors in Indian and International Universities, Superintendent in Delhi Government Welfare Homes, Probation and Welfare officers, Counsellors, and working in very reputed organisations.

The Department calendar for each year is packed with a number of activities organised by the teachers and students. Some of them are Orientation program, Fieldwork visits, educational trip, rural camp, Diwali mela, NGO Meet, special lectures, Pearl memorial and alumni meet.

*Paving the road to professional excellence. . .*

## Department of Geography

The inception of the Department of Geography dates back to the inception of the college in 1994 with inclusion of the subject paper in B.A. Program. Geography is a unique discipline in which spatial distribution and temporal changes of the phenomena on the earth surface is studied. The subject has a great impact on the local students who live in fringe areas of Delhi, towards understanding of their surrounding where spatial and temporal changes are very rapid. The increasing interest among students motivated the pioneer faculty to initiate B.A. Hons Geography was started in 2007-08. Today the Department has an alumni base of over 2000 students in general and about 500 Hons students in particular. Many of them are well placed in government sectors as teachers, lecturers, researchers, cartographers, administrative officials, GIS experts; in national and multi-national companies as Remote Sensing and GIS consultant and in NGOs as environmentalists, hazard analysts etc. The Department is well equipped with both traditional and modern geographical equipment, maps, charts, 3D models, ariel photographs, District Planning Maps of all districts of India. satellite imageries, computers with GIS software, GPS etc. The Department has also its own library with about 200 books.

"Walk on with hope in your heart, and you'll never walk alone."

Shahrukh Khan

The Department organizes orientation programs, Freshers Welcome, Farewell bids every year. In Geo Fest, the UN International Year theme is taken for lectures, debate, painting, acting competition to increase awareness among students. Besides, seminars/conferences/lecture series/workshops are conducted every year. The National workshop on Organic Agriculture: A blend of traditional wisdom and modern technology, funded by UGC, the state level seminar on Mega Cities Fringe Dynamism funded by ITCSSR, Role of Women in Disaster Management, Youth Empowerment Skill workshops are worth mentioning. The Department takes social responsibilities by educating nearby slum children, by organizing cleanliness drive and Yamuna cleaning drive with Art of Living Organization. The Department also organizes educational trips to different parts of India every year as part of curriculum. In a span of 27 years, we have covered almost all states of India.

## हिन्दी विभाग

अदिति महाविद्यालय के हिन्दी विभाग ने महाविद्यालय के स्थापना वर्ष(1994) से ही अपनी अध्यापन यात्रा में नए आयाम जोड़े हैं। 1996 में हिन्दी पत्रकारिता एवं जनसंचार पाठ्यक्रम के प्रारंभ के साथ ही विभाग में रोजगारपरक पाठ्यक्रम के रूप में नए अध्याय को जोड़ा गया। आज उन्नीस सदस्यीय संकाय वाला हिन्दी और हिन्दी पत्रकारिता एवं जनसंचार समेत विभाग बी.ए. (कार्यक्रम) के छात्राओं के शिक्षण का सफल सञ्चालन कर रहा है। विभाग द्वारा छात्राओं को परम्परागत विषयों के अध्यापन के साथ कौशल विकास हेतु प्रयोजनमूलक व्यवहारिक विषयों को भी पढ़ाया जाता है। जनसंचार, कंप्यूटर और हिन्दी भाषा, विज्ञापन और हिन्दी भाषा, रचनात्मक लेखन, रंगमंच जैसे रोजगारमूलक विषय पढ़ाए जाते हैं जिससे छात्राओं के लिए भविष्य में रोजगार की संभावनाओं के नए द्वार खुलें।

विभाग के प्रत्येक शैक्षणिक सत्र की शुरुआत 'ओरिएंटेशन प्रोग्राम' के तहत की जाती है जिसके अंतर्गत विषय विशेषज्ञों को बुलाया जाता है जो विभिन्न दृष्टिकोणों के आधार पर छात्राओं का मार्गदर्शन करते हैं। हिन्दी पत्रकारिता एवं जनसंचार पाठ्यक्रम के अंतर्गत छात्राओं की विभिन्न मीडिया संस्थानों में प्रशिक्षण (इंटरनशिप) की व्यवस्था की जाती है। छात्राओं को सैद्धांतिक ज्ञान के साथ-साथ उनके व्यवहारिक ज्ञान में वृद्धि के लिए अकादमिक विजिट पर ले जाया जाता है जहाँ छात्राएँ डॉक्यूमेंट्री निर्माण, शॉर्ट फिल्म निर्माण, संपादन, रिपोर्टिंग आदि के गुर सीखती हैं।

इसके साथ-साथ विशेष व्याख्यान (स्पेशल लेक्चर) भी करवाए जाते हैं जिसमें प्रिंट मीडिया, इलेक्ट्रॉनिक मीडिया, विज्ञापन, साइबर मीडिया (सोशल मीडिया, डिजिटल मीडिया) जैसे सभी अद्यतन विषयों को सम्मिलित किया जाता है। मूलतः अपनी प्रकृति में संवादपरक विशेष व्याख्यानों के जरिये वरिष्ठ मीडियाकर्मियों के अनुभवों और मार्गदर्शन से छात्राओं को सीखने बहुत-कुछ प्राप्त होता है और वे पत्रकार के व्यवसाय की कार्यसंस्कृति और चुनौतियों से परिचित होती हैं।

प्रत्येक वर्ष विभाग द्वारा समसामयिक विषयों पर छात्रोपयोगी विभिन्न राष्ट्रीय और अंतर्राष्ट्रीय संगोष्ठियों का भी आयोजन किया जाता है तथा अन्य विभागों द्वारा विषय से सम्बंधित शोध पत्र वाचन भी किये जाते हैं। इन संगोष्ठियों का उद्देश्य एक ओर जहाँ छात्राओं के व्यक्तित्व चहुँमुखी विकास करना है वहीं दूसरी ओर विषय विशेष के बहुविध आयामों की जानकारी देकर उन्हें दिशा प्रदान करना भी है। प्रत्येक वर्ष छात्राओं को शैक्षणिक भ्रमण पर भी ले जाया जाता है और छात्राओं पर्यटन स्थलों में अपने अनुभवों की रिपोर्ट बनाती हैं।

इन शैक्षणिक भ्रमण पर छात्राओं को ले जाने का उद्देश्य देश की सामासिक संस्कृति और ऐतिहासिक धरोहरों से परिचित कराना है। हिन्दी पत्रकारिता पाठ्यक्रम की सबसे बड़ी सफलता इस बात से आंकी जा सकती है कि अदिति महाविद्यालय की अधिकांश छात्राएँ विभिन्न मीडिया संस्थानों में कार्यरत हैं। जनसंचार पाठ्यक्रम के अंतर्गत 'अदिति समाचार' के नाम से एक समाचार पत्र का भी प्रकाशन किया जाता है। इस समाचार पत्र के प्रकाशन में छात्राओं को रिपोर्टिंग, संपादन, स्क्रिप्ट लेखन आदि सिखाया जाता है।

## BHJ/Department of Hindi

अनुप्रयोग पाठ्यक्रम के अंतर्गत राष्ट्रीय नाट्य विद्यालय, मंडी हाउस, में छात्राओं को विभिन्न विषयों पर नाटक भी दिखाए जाते हैं। विभाग की नाट्य समिति प्रत्येक वर्ष पाठ और प्रदर्शन की पूरी प्रक्रिया में छात्राओं की भागीदारी सुनिश्चित करते हुए साहित्याधारित नाटक का मंचन करती है। इसके अलावा प्रत्येक वर्ष हिन्दी दिवस के अवसर पर विभिन्न प्रतियोगिताएं का भी आयोजन किया जाता है, ताकि छात्राएँ अंग्रेजी के साथ-साथ हिन्दी भाषा के महत्व को भी समझें। विभिन्न शैक्षणिक व सांस्कृतिक कार्यक्रमों में विभाग अपनी बराबर भागीदारी सुनिश्चित करता है।

## *Cultural Bonanza...accolades all the way...*

*Cultural Committee organizes intra and inter-college cultural events for students. The purpose is to promote students' involvement in organization of events and to encourage students' participation, focusing on their holistic development. Events like celebration of National Days - Independence day, Republic day; Cultural events and competitions of dance, music, poetry writing, story writing, painting, rangoli making are organized every year. The committee continued to motivate and inspire students through various online events even in the pandemic of Covid 19. To celebrate the 75 years of India's Independence, Cultural Committee joined the Great Indian Festival - Azadi Ka Amrut Mahotsav (as per the notifications from the Ministry of Education and Ministry of Information and Broadcasting). A range of events, webinars and students competitions are being organised around the themes of the freedom struggle- ideas, achievements, actions, and resolve at 75*

## Teaching / Non Teaching staff

*The great steps of advancement and progress would not have been possible without the superb co-ordination and unrelenting co-operation of the teachers and the non teaching support staff. In a true sense it is the teachers who put the wheels of effective education into motion and gave impetus to the journey to empowerment and the support staff ensured a smooth running by overcoming innumerable encumbrances that could impede the enlightened pathway to progress.*

## Nation Service Scheme... Serving Humanity

National Service Scheme is a noble experiment in academic expansion. It inculcates the spirit of voluntary work among the students and teachers through sustained community interactions. It brings our academic institutions closer to society. It shows how to combine knowledge and action to achieve results, which are desirable for community development. NSS is a permanent student youth programme of the Govt. of India.

NSS is the essence of democratic living and upholds the need for selfless service and appreciation of the other person's point of view and also to show consideration for fellow human beings. It underlines that the welfare of an individual is ultimately dependent on the welfare of society on the whole. Therefore, it should be the aim of the NSS to demonstrate this motto in its day-to-day programmes.

## Vaccination Drive...

*Desperate times, desperate measures...*

To give impetus to our Prime Minister's free vaccination policy for all to defeat this pandemic crisis, NSS Unit of our college was continuously engaged in awareness campaign and vaccination drive in college premises. Keeping our spirits and efforts high, the NSS Unit of our college is also engaged in strengthening our programmes and strategies to help our students and nearby communities in combating Covid 19. With a view of building a strong human infrastructure for our people, NSS Unit at Aditi Mahavidyalaya started vaccination drive, awareness campaign in which till today we have vaccinated around 12000+ individuals from college as well as our communities. We also organised an essay writing and poster making competition on 25th November in the college premises during which the medical team from SDM office also participated.

## Nadi ko janno Campaign

Aditi Mahavidyalaya enthusiastically participated in the nationwide campaign 'Nadi Ko Jaano' organised by Research for Resurgence foundation (RFRF) for crowd sourcing of real time data on rivers in India. National Service Scheme Unit of Aditi Mahavidyalaya contributed in making this campaign a success by sharing the information necessary for downloading and uploading data on the app. We believe that rivers are the most important source of life and coexistence for the whole mankind and hence they need to be protected. We have registered more 2100 students in this campaign and we are ensuring our participation in the institutional awards category by building a common platform for students and faculty members to contributing in crowd sourcing the information about the rivers of India.

## Incubation Centre

In today's fast paced and ever-changing world, there is a need for youth that is skilled more than just academic excellence. One of such values required is: innovation. The pandemic era required us to take an automatic switch to the adaptation of modern-day technology. There is need to focus on skill development by teaching, innovative thinking, analytical behaviour, research and involving academic incubators.

Functionally distinct from classrooms, libraries and student unions, academic incubators establish new forums for idea exchange on campus. Designed to spark strategic partnerships between academia and industry, incubators connect students to start-ups, investors and other collaborators they might not otherwise encounter. The Delhi University's Aditi Mahavidyalaya — an off-campus girls' college based in the semi-urban area of Bawana — has launched a Digital Incubation Platform with Integrated Mentorship to encourage its students, largely from the semi-rural areas, to become entrepreneurs. The incubation cell is lead by the patron, principal of the college, Prof. Mamta Sharma and the Nodal Officer, Prof. Priya Bir. The incubation platform has been set up in collaboration with the Sertifika Bootup 360 Company.

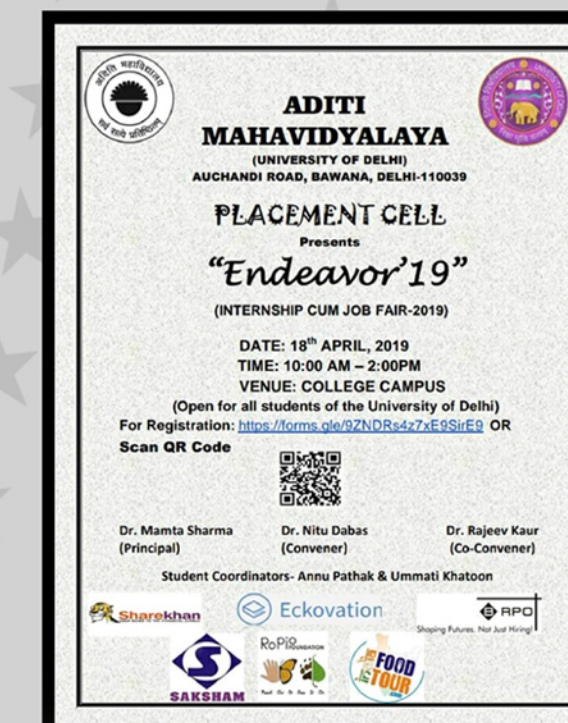

Sertifika Global is an Indian research-based ed-tech firm headquartered in Singapore.

## Placement Cell

Created in 2014, the Placement cell reaches out to students of all departments in the college by providing them with job & internship opportunities offered by the T.P.C. University of Delhi and various other companies scouting for fresh recruits. The Placement cell of the college works constantly throughout the year to provide variety of opportunities to the students. It's been working according to guidelines laid down by Central Placement cell of University of Delhi since its origin. The placement cell progressively works towards furtherance of its aim of developing professional skills and competence amongst girls to help them meet their career goals. The dedicated team of the cell has always strived to organize workshops and seminars that would impart necessary job skills and improve knowledge base of student.
