About PMMMNMTT

The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching emphasises the need to change the role and working of a teacher from mere disseminator of information and knowledge to the one who advances frontiers of existing knowledge by actively developing and creating new insights into diverse social and physical phenomena.

About Hansraj College

Hansraj College is one of the largest constituent colleges of the University of Delhi and has been ranked as one of the top five colleges for science, arts and commerce several times in the last decade. The faculty and students of the college have contributed immensely to the fields of academics, sports and culture. The college faculty is dedicated towards the growth and development of the institution academically and administratively and constantly thrive for excellence. Hansarians have been placed in diverse professions and services worldwide and are bringing fame and laurels to the institution.

About Aditi Mahavidyalaya

"A dream does not become reality through magic, it takes sweat, determination and hard work". These words of Colin Powel aptly echo the mission of this institution which was conceptualized in 1994 with the aim to groom young women – alive with knowledge which gives them the power to act and adapt to the growing challenges of the changing world.

The institution offers a perfect milieu to train women so that they are intellectually sound, morally upright and socially aware to build a humane and just society. Aditi Mahavidyalaya offers well designed honours and professional courses to make the students confident, skilful and self-reliant. Apart from these courses, students are motivated to participate in various co-curricular activities for their personality enhancement. The college is proud of the academic commitment of its faculty members and students, who have several achievements to their credit and have made valuable contribution to the field of academia.

About the Programme

The National Education Policy, 2020 envisages to create a new system of education that is aligned with the aspirational goals of 21st century. The policy focuses on recognizing, identifying and fostering the unique capabilities of each student to promote holistic development in academic and non-academic spheres. The policy highlights the vision and fundamental principles for education in India - no hard separation between arts and sciences, extensive use of technology in education, promoting multilingualism, conducting outstanding research, setting up multidisciplinary institutions. How these goals can be achieved? What steps and procedure should be followed to achieve goals set up by the policy? What will be the challenges faced during its implementation? What will be probable and feasible solutions? According to the policy, our teacher must be at the centre of fundamental reforms in education system. Thus, we take this opportunity in this Faculty Development Programme to discuss and deliberate on the concerns and challenges related to implementation of the National Educational Policy 2020 with teachers and researchers. The key themes covered will be - Multidisciplinary and Holistic Education, Equity and Inclusion, Research and Innovation, Promotion of Indian Knowledge System, Academic Bank of Credit, Blended/Online Mode 'Ed-tech' integration, Promotion of Indian languages/ teaching in mother tongue and Integration of Academic & vocational education.

Registration Details

Interested participants are requested to follow the steps mentioned below in order to register for the FDP:

- Participants are required to pay the registration fee of **Rs. 500** via **NEFT/IMPS/UPI** to the following account:

Account:	**Principal, Hansraj College, FDC**
Bank:	**Canara Bank, Hansraj College, Delhi**
Type of Account:	**Savings**
Account number:	**2848101019873**
IFSC:	**CNRB0002848**

- **NOTE : Fee is Non-Refundable**
- Pre-registration to the programme is through **online** mode only.
- Participants are required to fill the registration form using the following link.
  (Please ensure that you have payment proof before filling up registration form)
- Registration link: **https://bit.ly/3fyBKmc**
- The **last date** for registration is **2nd September, 2021.**
- **Participants** will be informed by **3rd September, 2021**.
- Attendance norms are strict. Participants are required to clear the assessment component for getting the e-certificates.
- Further details will be communicated to the registered participants.
- **ELIGIBILITY**: The programme is **interdisciplinary** and is open to all interested participants. All faculty members **(Permanent/ Temporary/ Adhoc/ Guest)** and **Research Scholars** from any university/college are eligible to participate.

5. Prof. Sameer Anand, Vice-Principal, Shaheed Sukhdev College of Business Studies
6. Dr. Anuja Mathur, Associate Professor, Shaheed Sukhdev College of Business Studies
7. Dr. Shikha Gupta, Associate Professor, Shaheed Sukhdev College of Business Studies
8. Dr. Kumar Bijoy, Assistant Professor, Shaheed Sukhdev College of Business Studies
9. Mr. Ramesh Kumar, Assistant Professor, Shaheed Sukhdev College of Business Studies
10. Dr. Nidhi Kesari, Assistant Professor, Shaheed Sukhdev College of Business Studies
11. Mr. Tushar Marwaha, Assistant Professor, Shaheed Sukhdev College of Business Studies
12. Dr. Sonika Thakral, Assistant Professor, Shaheed Sukhdev College of Business Studies
13. Dr. Santosh Kumar, Associate Professor, Aditi Mahavidyalaya
14. Prof. Asha, Professor, Aditi Mahavidyalaya
15. Dr. Nitu Rana, Associate Professor, Aditi Mahavidyalaya
16. Dr. Nalini Singh, Associate Professor, Aditi Mahavidyalaya
17. Dr. Manisha Bhutani, Associate Professor, Bhagini Nivedita College
18. Dr. Poonam Rathi, Associate Professor, Bhagini Nivedita College
19. Mr. Nagendra, Associate Professor, Bhagini Nivedita College
20. Prof. Anupama Mahajan, Professor, Bharti College
21. Dr. Franky Varam, Assistant Professor, Bhaskaracharya College of Applied Sciences
22. Dr. Khurana, Assistant Professor, Bhaskaracharya College of Applied Sciences
23. Ms. Manu Kataria, Associate Professor, Bhaskaracharya College of Applied Sciences
24. Prof. Manoj Saxena, Professor, Deen Dayal Upadhyaya College
25. Prof. Lalit Sharma, Professor, Indira Gandhi Institute of Physical Education and Sports Science
26. Prof. Sanjeev Kaushal, Professor, Indira Gandhi Institute of Physical Education and Sports Science
27. Prof. Priti Sehgal, Professor, Keshav Mahavidyalaya
28. Dr. Arpana Sharma, Associate Professor, Keshav Mahavidyalaya
29. Dr. Anupama, Associate Professor, Keshav Mahavidyalaya
30. Dr. Ashish Bansal, Assistant Professor, Keshav Mahavidyalaya
31. Dr. Meenakshi Sridhar, Associate Professor, Rajdhani College
32. Dr. Shivani Arora, Associate Professor, Shyama Prasad Mukherjee College for Women
33. Dr. Vandana Ghai, Associate Professor, Shyama Prasad Mukherjee College for Women
34. Prof. Pratima Rani Sardar, Professor, Shivaji College
35. Dr. Rahul Singhal, Associate Professor, Shivaji College
36. Dr. Neetu Rani, Shivaji College

37. Dr. Vibha Malik, Assistant Professor, Shyama Prasad Mukherjee College for Women
38. Ms. Renu Yadav, Assistant Professor, Shyama Prasad Mukherjee College for Women
39. Dr. Bhupinder Kaur, Associate Professor, Sri Guru Gobind Singh College of Commerce
40. Dr. Latika Singh, Associate Professor, Sri Guru Gobind Singh College of Commerce
41. Dr. Ruby Gupta, Associate Professor, Swami Shraddhanand College
42. Dr. Meera Sharma, Associate Professor, Swami Shraddhanand College

Agenda
NEP implementation (AEC/SEC/VAC)

Minutes of the Meeting
A detailed discussion took place on the implementation of the above and the below decisions were taken:
1. Prof. Poonam Verma (Principal, SSCBS) welcomed all attendees and invited Prof. K. Ratnabali (Dean, Academic Affairs) to give the opening remarks.
2. Aim and Objectives of creation of cluster colleges was discussed in brief.
3. All the member colleges of the cluster were requested to open their resources and infrastructure to each other for optimum utilisation.
4. Teachers teaching new courses were advised to take FDPs designed specifically for AEC, SEC & VAC courses at GAD-TLC at SGTB Khalsa College to boost their knowledge.
5. Attendees flagged a concern related to the qualifications the teachers teaching these courses. It was suggested that:
    1. Preference would be given to trained teachers and then they may be offered to passionate teachers.
    2. NCC, Sports or such specific courses should have discipline specific teachers.
    3. Inter-disciplinary courses can be more flexible in terms of teachers teaching these papers.
    4. Non disciplinary courses can be taught by any interested teacher.
6. In cases where only a few students of a college opt for AEC, SEC & VAC courses being run in other colleges, hybrid classes may be taken.
7. Role of Hub and co-hub colleges:
    1. They will act as liaison between the cluster colleges and the university and are responsible for communicating amongst each other and serve as a spokesperson for all cluster college related issues with the university.
    2. They will also act as a coordinator with all cluster colleges, helping to streamline matters.
8. Specific operational challenges:
    1. Attendance of students moving to non-home colleges can be shared on a regular frequency to maintain records and transparency. Hub and co-hub colleges have to play the role of coordinator
    2. It is also suggested that each college should offer maximum choices (keeping institution level resource constraints in mind) under SEC All colleges should offer all 22

languages (under AEC) to their students. University will provide support in cases where no teacher-language combinations are available in any cluster college.

3. Optimum number of students should be there before a paper is offered in the college.

4. No GE, AEC, SEC & VAC papers should be offered if they are linked to/ covered under the core papers in the course in which these papers are being offered.

9. Registration Process:

1. List of papers being offered by a college to be divided under:
    i. Offered by the college
    ii. Desired by the students but not offered
    iii. Preferences may be taken from the students semester wise

2. Timelines for submission of the above data should be adhered to.

3. Complete database should be maintained by the college.

4. A web portal may be developed to share data in a transparent manner keeping papers on offer and extra space in terms of seats and teachers; then the students can bid for particular papers of their choice.

10. Operational set-up:

1. Specific slots should be allocated for AEC, SEC & VAC classes as below to enable the intra-cluster movement of the students:
    i. Monday - slot is 1330-1730 - SEC
    ii. Wednesday - slot is 1430-1730 - VAC
    iii. Friday - slot is 1500-1700 - AEC language

2. All normal college TT should end 30 minutes to 1 hour before the fixed slot timings

3. This intra-cluster movement of students will be allowed only for cases where either particular papers are not being run in the home college or the home college exhausts the number of seats but there are more students who want to opt for that paper so only the additional students are allowed to be shifted.

4. Number of classes per AEC, SEC or VAC course:
    1. SEC - 3/4 periods per week depending on paper chosen (5-6 preferences may be taken from the students so that we can choose to meet up these choices in Sem 1 and subsequent semesters)
    2. AEC - 2 periods (for languages) / 3 periods (Environment) per week (Inter-cluster movement should be avoided for Environment AEC paper)
    3. VAC - 2/3 periods per week depending on paper chosen

The meeting ended with a vote of thanks to all present.
