Agenda:—

1. To shift badminton court & Kho-Kho court
2. To discuss matter of adventure tour of Araveli hills
3. To discuss regular refreshment of students
4. Organisation of Tale - house competitions
- 5.

Minutes:

1. The committee decided to shift badminton court to Kho-Kho to provide adequate free space to the players.

2. Considering adventure trip hosted by Mr. Benival Lambani in the past was not upto the mark & girls were unassured & unsafe at height point of the track. Since the committee had already given him an

advance of 16000, it can't be taken back considering the services provided by his company. If it is decided not to make any further payment of Rs 10,000. The committee had recommended that Rs 16,000 should also be taken back but since the contingent of girls had eaten lunch there the committee had decided not to penalize Mr. Benival further.

- It is also noted that this adventure company had no facilities for river crossing at all.

This they had not mentioned in the offer letter. So the river crossing was done in a very shabby, make-shift and incomplete half-hearted manner by this company & that too for a very short time and at the repeated insistence of the committee members who had accompanied the girls.

- This company had left the girls unsafe on top of the hills where no path was clear and girls managed to return with great difficulty & after taking great risk we shudder to think what would have happened had the girls fallen prey to anti-social elements lurking nearby.

- The committee takes serious note of the lack of professionalism of this company & concludes then & reiterates now that unless this company improves its professional standards the college would not utilize its services.

- The remaining 10,000

The committee has decided to write to the principal to start the refreshment with immediate effect.

4. The committee decided to hold Inter-house competitions from 7 & 18 Jan 2019 in different games such as - Badminton, Kho-Kho, Kabaddi, Volleyball & Sprint Races.

Agenda :- Procurement of Sports kit & Sports Goods

Minutes :-

There is an urgent need to purchase the sports kit and sports goods for the smoothful functioning as the inter-college tournaments are under going. Concerning the need to purchase the same, the sports committee and Department of Physical Education had submitted the requirements to the college. We requested Delhi University Sports Council (DUSC) to send the approved list of sports kit and sports goods for the present session. But the list sent by DUSC does not fulfill the complete requirements of the items needed to be purchased by the department. Not only that we have not seen the approved material/goods offered by them. The method of procuring kit & goods through tendering or through own survey & inspection is more fair and transparent. The e-tendering process is good in conception but it might take a couple of years for that system to fulfill our requirements.

So, the sports committee request/recommend to go for quotation which had be received by the college through proper process but somehow could not opened.
