

Activities of Department of English for Academic Year  
2017-2018

The department of English organized an intra-college Creative writing competition for the students. Original entries were invited from the students. Students sent in poems, stories and articles. The best three entries were sent to the magazine committee for publication in the college magazine. The department also organized an in-class workshop for the students to teach them the art of Group Discussion. This was well appreciated by the students as it is an essential skill required for Competitive exams as well as for the Job market.

The department is teaching English language to students of B.A (Prog), B.Com (Prog) & B.Com (H). Generic Elective English is being taught to students of Geography (H), B.S.W. (H) & B.H.T.
