7.2.1 Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual

2017-18

BEST PRACTICE - I

Title: Good Health For All: Sustainable Development Goal 2 to achieve food security and improved nutrition and to Ensure healthy lives and promote well-being for all.

Objectives of the Practice:

- Primary goal of practice is to promote awareness about healthy diet and innovative practices.
- To develop sensitization amongst students and staff about the cultural diversity in foods of India
- To develop a sense of mutual participation and cooperation through participation in various competitive events in other universities.

THE CONTEXT

Through the following best practices, the college promoted innovative ways to develop awareness about cultural food mobilization practices and healthy life for all age groups. The students participated in various programmes and activities that could make learning about healthy practices accessible for all even within their own homes. Poor Physical health of Children and increasing number of risk factors was a major concern in our country and through the following best practices, the college contributed a lot in developing consciousness about significance of nutrition and infant feeding practices in early childhood health care. Major

Mamta Sharma

challenges faced in this process was that it was really hard to develop collaborations due to scarcity of resources in this area.

THE PRACTICE

1. Students participated in the Intercollegiate Quiz on 'NUTRITION ESSENTIALS' and attended the seminar on 'OPTIMAL YOUNG AND INFANT FEEDING PRACTICES- BETTER CHILD HEALTH', organized by Lady Irwin College during the nutrition week on September 6, 2017.
2. Students participated in the Intra-college recipe contest held on September 8, 2017, during National Nutrition Week and won the First prize for oats Pasta in the recipe contest 'the best nutritious snack.'
3. Students attended the Seminar on "change the future migration: Invest in food security and rural development" organized by AFST (I) (Association of Food Scientist and Technologist Delhi Chapter) on the World Food Day on October 16, 2017.
4. Students actively participated in the recipe contest and won the Second prize for Rice bran biscuits in the recipe contest 'Value from Waste' on October 16, 2017.
5. To develop entrepreneurial skills among students, the FT students organized a Food Stall of nutritious oats idli, Nutri momos, and homemade chocolates at Diwali Mela organized by the social work department of Aditi Mahavidyalaya on October 13, 2017.
6. Food Technology students visited the Industrial unit of Delhi flour mill on October 24, 2017.
7. Students organized a Food Stall of North east cuisine (thupka and momos) in North east festival under the aegis of cultural committee of Aditi Mahavidyalaya on November 10, 2017.

दिल्ली विश्वविद्यालय / University of Delhi
बवाना, दिल्ली-110039 / Bawana, Delhi-110039

Objectives of the Practice:

- Firstly, it was to ensure a dialogue about social concerns, vulnerabilities and understanding the ways to combat social inequalities.
- Secondly, it was intended to promote and make students aware about local actions that can help all of us in achieving the goal of being socially responsible .
- Thirdly, to promote inclusive practices that can promote social development-oriented policies that support inclusive activities, decent job creation, entrepreneurship, creativity and innovation.

THE CONTEXT

Along with developing innovation in educational practices, the college focussed on imparting knowledge about socio-economic development practices In order to make students understand the ways to achieve productive employment opportunities through socially equal and responsible knowledge systems. It was also focussed on developing an orientation about eradication of gender discrimination, human trafficking, elimination of child labour, achieving social justice and development of marginalised sections of our society. The challenge that the college faced in this context was lack of inclusive infrastructure and it was very hard to bring the resource persons in the events described below:

THE PRACTICE

- The major themes undertaken during programme were – “Social Work with Tribal Communities” by Dr. Budhaditya Das (Assistant Professor, Ambedkar University), “Social work with Persons with Disabilities” by Mr. Pawan, Assistant Professor, Disability Studies at GTB College, “Issues and Interventions to protect children” by Mr. Shubham, Social Work Practitioner, Child Welfare Committee), “Social Work in Corporate Sector” by Dr. Seema Sharma (Assistant Professor, Department of Social Work, University of Delhi), “Marginalization and Social Justice” by Dr. Shashi Dev (Assistant Professor, Department of Social Work, University of Delhi), “Psychological grounding in Social Work” by Dr. Meena Sawaria (Educational Psychologist and Research Fellow at Ambedkar University), “Social Work in Legal Sector” by Dr. Vijay Pandey (Social Work Practitioner), “Child Welfare and Social Work practice” by Dr. Abhishweta Jha (Associate Fellow, Ambedkar University) and “Social Work with Minorities” by Dr. Preeti Jha (Associate Fellow, Ambedkar University). The specific objective of this programme was to facilitate the transition of knowledge and practical aspect of Professional Social Work – values, ethics and goals to the future as well as current batches in the department.

2018-19

BEST PRACTICES - I

Title: Education for Environment Conservation and Commitment to Nation's Development: Sustainable Development Goal 4 to Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all.

Objectives of the Practice:

- To develop a sense of national integrity amongst all students through educational practices.
- To inculcate the collective and individual responsibility amongst all to protect India's natural resources.
- To promote lifelong learning practices taught by our social reformers like Mahatma Gandhi for cultural enrichment focused on developing glory about the nation's cultural heritage.

THE CONTEXT

In the following best practices, the college aimed to enhance cultural understanding about indigenous methods of learning for making better human life possible for all. The process was to impart knowledge which was already experimented by our great social thinkers like Mahatma Gandhi whose vision became a way of life in environmental movements in India. The contemporary environmental concerns like E-waste and its management is a crucial challenge that the college decided to work upon by finding a way to connect the knowledge systems of modern e-waste management organization and educational practices. However, there was a challenge of resource mobilization that we all faced during practices of excursion, study tour and conferences in imparting following need based knowledge:

PRACTICE

- Eco-Club in collaboration with the Gandhi Study Circle of Aditi Mahavidyalaya organized a two-day National Conference on 'Gandhian Vision and Environment', held during 6th-7th March, 2019 at Gandhi Bhawan, University of Delhi. The conference provided a platform to our students to interact with eminent scholars from different disciplines of environmental studies, history, political science, commerce etc. It also

conducted a visit to the Yamuna Biodiversity Park on 28th March, 2019 to make the students aware about the principles of ecology.

- Rapid growth of technology and technical innovations have undoubtedly transformed human lives but at the same time also degraded their health and coping mechanisms by leaving huge E-waste dumps in our country. With this issue as our core concern, Dr. Mamta Sharma, Principal, Aditi Mahavidyalaya organized the first National Conference on E-Waste Management and Swachh Bharat Mission sponsored by University Grants Commission on 10th April, 2019 at Department of Environmental Studies, University of Delhi. The event facilitated opportunities for networking, collaboration and exchange of ideas with renowned experts in e-waste management and recycling, research and development and aimed towards sustainability of environment and common resources. Around 200 eminent speakers from Ministries under G.O.I., leading academic scientists, researchers and scholars in the domain of interest from around the country came together to share their expert knowledge, information and best practices, and build a strong vision for the future.
- At the invitation of Spic Macay, the Cultural Committee sent seven students and teachers to participate in the grand Ardh Kumbh 2019 - 'the world's largest congregation of religious pilgrims' —to Prayagraj, Uttar Pradesh. The aim was to understand and attempt to study a number of events, processes, phenomena and traditions. A cultural exchange programme between Directorate of Primary Education (Samagra Siksha Abhiyan, H.R.D.D., Sikkim) and Aditi Mahavidyalaya, University of Delhi was organised under Ek Bharat Shreshtha Bharat initiative. A team of students and teachers went to Sikkim and got an opportunity to take a closer look at Sikkim's rich culture and ecology.
- Extensive Lecture Series Committee organized two workshops for the students. The workshop on "Young Adulthood: Handling Relationships in Society" offered valuable insight to the students about the day to day challenges faced by them with regard to their handling of relationships in society. Another workshop was on Goods and Services Tax (GST), its benefits and role in abolishing corruption.
- The Placement Cell organised its maiden in-campus job and internship fair — Endeavor 2019, wherein corporates like the Sharekhan, Best R.P.O., Eckovation and many more conducted their recruitment drive. The cell acts as an interface between students and recruiters, through a constant sharing of job opportunities with them through social media channels like e- notifications, facebook page etc. thereby ensuring timely dissemination of pertinent job information, and motivating students to apply for the recruitment procedure.

- Students' Union Advisory Committee organised its first ever academic fest "Quest", apart from its annual cultural fest "Utsav" which is held each year. It started with a seminar on "Purvottar Bharat me Hindi ki Dasha aur Disha", where students got an opportunity to know about the status of Hindi language in the North- Eastern states of India and were also got the opportunity of listening to the views of Prof. Chandan Kumar from the University of Delhi and other speakers from the University of Mizoram, Mizoram.
- As part of the Library Week "One nation reading together" event was organised in collaboration with the Library Committee, where the principal, teachers and students read books, novels, newspapers together at one place and at the same time. Student Union cultural fest "Utsav" was held in the month of February. It was a five-day mega event. Cultural evening had power packed performance by "The Astitva Band" and Hasya kavi Sammelan where famous poets like Mr. Chirag Jain, Mr. Arun Jemini, Mr. Nikunj Sharma, Mr. Gajendra Priyanshu and Mr. Mahendra Sharma made the audience laugh to their humour, and satire. These cultural evenings were held in collaboration with the Hindi Academy and Ministry of Art & culture, Govt. of N.C. T. of Delhi and funded by the M.L.A. Bawana cultural fund.
- NCC is a Tri-services organization, comprising the Army, Navy and Air Force, whose aim is to develop qualities of character, courage, discipline, leadership, spirit of adventure, sportsmanship and ideal of selfless services among the youth and to provide leadership in all walks of his life including in armed forces and always be available for the services of the nation. The final event N.C.C. Fest- SHAKTI- 2019 was organized on 28th March, 2019. The Chief Guest of the Fest was retired Lieutenant Mr. Krishan Kumar. The N.S.S. volunteers organized a donation camp for Kerala Relief Fund in Aug. 2018. They organized a road safety and traffic rules training session to spread awareness about the misuse of traffic rules which result in severe accidents. NSS also organized a workshop on "Creativity and Innovation for Inclusion of the Differently Abled".

Best Practices II

Title: Innovation, Inclusion and Transformation in Education : Sustainable Development Goal 4 to ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

Objectives of the Practice:

- To open new knowledge horizons and opportunities for strengthened society amongst all the students.
- To develop collaboration with organizations in order to provide accessible quality of education and to meet new skill demands.
- To utilize existing learning systems as per contemporary need to change, to sync with the newly transformed world with technological changes and global needs.

THE CONTEXT

Through these best practices, all the departments of college were engaged in making Education accessible as a basic human right and elementary to human dignity. It was aimed towards imparting the education that is essential for building the knowledge base our students need to tackle critical challenges like environmental protection and global warming. It helped our youth to prepare for employment in high-skill jobs and livelihood. Moreover, the following best practice ensured that innovative and creative education must be a foundation for peaceful societies and effective institutions. The challenges that college faced in this process was lack of proper infrastructure, insufficient resources and conventional structures.

Best Practice:

- Department of Education and “Vigyan Sanjeevani” Science Society of Aditi Mahavidyalaya conducted three days’ workshop on science interface in everyday life towards women education and empowerment with B.EL.Ed. students.
- The Department of Education organized Workshops for Performing and Fine Arts were organized by Mr. Manish Saini. The objective was to provide an opportunity to discover inherent links between dramatics and education. Students learnt Craft participatory work under the guidance of Ms. Harpreet. The objective was to generate creativity among the students and for them to experience the learning process as a whole.
- The Department of Education invited Dr. Pearl Drego from TACET academy and Mr. Gourav facilitated self- development workshops.

- Department of Education organised Workshops for Story Telling and Children's Literature were conducted by the resource person Ms. Jyotsana, and the Talent Hunt Group (Ms Isha Bhargawa and Mr.Irshad Aalam Khubi).
- Department of Education organized a special Physical Education workshop was organized on 6 February,2019 by Mr. Muskesh Kholi (founder of PECINDIA).
- Department of Education organized Workshops for Drama and Music — Theatre in Education were organized by Mr. T Himmat Singh Negi.
- Department of Education organized a Workshop on low cost aids in primary mathematics conducted by resource persons from Jodogyan Shiksha on 8-9 October 2018. The workshop was a learning experience for students wherein they interacted with the resource person to know more regarding innovative practices/ways to deal topics such as 'number systems', 'fractions' and 'measurements'.
- Department of Education organized Workshop cum Interactive session on Stories as stimulating agent in understanding mathematical concepts was conducted by Mr. Vijay Kumar (Katha Manch) along with Mr. Viren and Mr. Mukesh Digani (Umang school, Gannur Haryana) on 1-2 April 2019.The objective of the workshop was to orient the students how to use stories as a pedagogical tool in teaching mathematics.
- Department of Education organized a one-day workshop on Engaging Learners: Activity based approach was conducted on 8 October,2018 by Mr. Ghanshyam Das and Ms. Devansh. Activity based learning helps the learner to make linkages between multiple sub concepts.
- Department of Education organized a two days' workshop on STEM Education was conducted by Mr. Prakash Sahoo on 16-17 October,2018. Workshop on Innovative Teaching practices in Mathematics was conducted by Resource persons from Jodogyan Shiksha on 14-15 January,2019. The topic circled around alternate ways to transact primary mathematical concepts in schools.
- Department of Education organized a Workshop on Performance Making in School Curriculum: Activity Based Learning on 16 March,2019 was facilitated by Mr. Himmat Singh Negi from T.I.E. The whole experience of the workshop made the students more aware and sensitive towards various issues.
- Department of Education organized a visit to the Ambedkar University, Delhi on 28 March, 2019. All the students and teachers (Dr. Manisha Wadhwa and Dr. Nidhi Goel) attended a workshop and visited heritage site (exhibition) on oral history conducted by CCK (Centre for Community Knowledge) in Ambedkar University, Delhi and gained insights into how they can share the ideas of oral history in a meaningful way with school students.
- Department of Education organized Students attended a presentation by Shival Sawhney Scholars, Department of Sociology (University of Delhi) on fieldwork in

Krishnamurti Schools and discussion on J. Krishnamurti and Educational practices led by Dr. Abhilasha Bajaj on 28 September, 2018. This event was organized by D.S. Kothari Centre for Science, Ethics and Education, University of Delhi.

- Department of Education attended a panel discussion on 29 September, 2018 organized by Asmi, B.El.Ed. Association Gargi College (University of Delhi) on the theme "EWS Children in Private Schools: Promises, Failures and Possibilities."
- Aditians participated in the event One Nation Reading Together on 14 November 2018, organized by the Library Committee, Aditi Mahavidyalaya (University of Delhi) and enthusiastically initiated the campaign "gift a book".
- Department of Commerce organized The Democrats- it was the inaugural event of Annual Commerce Festival of 2019 — 'Vanijyam' held on 20th Feb 2019. The participants disguised themselves as various Members of Parliament and began the session with the question hour in which questions related to current topics like food processing, national language 'Hindi' etc. were put up by the opposition and promptly answered by the ruling cabinet. The act was a beautiful replica of actual Parliament in motion which instilled virtues of confidence and expression among students.
- Department of Commerce organized Business Suits- This event was the dramatization of Annual General Meeting of a virtually created organization (Apna Pvt Ltd.). Students acted as members of the different departments of this company (such as Finance/Marketing/Purchase/CSR). There was a discussion between stakeholders and department heads about the various issues the company is facing and they also came up with the solutions by the end of this event. By this act, students got exposure about the corporate environment which they would be experiencing in their future.
- The Department of Commerce organized Start-up Fiesta - Students set up their attractive stalls and sold various products and food items. Some stalls had exciting games such as: Coin in a bucket, Glass pyramid, Guess the movie, Light the Candle, etc. The idea behind this event was to inculcate the feeling of competence and business intent with a focus on profit motive.
- The Department of Commerce organized a Business Plan - Students prepared Business Plans and presented it through PowerPoint presentations. This event helped participants to improve their knowledge on creating business plans, intended to prepare them for future endeavours and enhanced their presentation skills. The participants were given honest feedback about their areas of improvement.
- The Department of Commerce organized Art Mania -In this event, students showcased their skills by turning the waste material into useful products that can be further best utilized. They collected the waste material from home, gardens, roads like used bottles, leaves, dumped papers, wood, etc., and got the ideas from social networking sites.

2019-20

BEST PRACTICES - I

Title: Developing good Quality life for all through effective collaborations: Sustainable Development Goal 15 and 17 to achieve better health and well-being, educational development and sustaining all life forms with training partners.

Objectives of the Practice:

- The Primary goal of practice is to promote all-round holistic growth of students to develop them into leaders and visionaries of tomorrow.
- To develop sensitization amongst students and staff about the cultural diversity in various remotely situated states of India.
- To collaborate and develop programmes specifically for effective resource and knowledge mobilisation for improving the quality of life of students.

The Context

As the college is located on the rural outskirts, hence it has a lack of accessibility. So, it was really challenging to develop a network of collaborations and practitioners who can update the ongoing developments in policies and strategies for healthy life and well-being, educational opportunities and developing associations for rural camps and outdoor exposure. To meet the above-mentioned goals, students were provided with the following opportunities.

NAAC

The Practices

- 1) Cultural Exchange Programme with Sikkim: A cultural exchange programme between Directorate of Primary Education (Samagra Siksha Abhiyan, H.R.D.D., Sikkim) and Aditi Mahavidyalaya, University of Delhi was organised under EK BHARAT SHRESHTA BHARAT initiative. A team of 21 students and 5 teachers started their journey to this 100% organic and divine place and deboarded at New Jalpaiguri. This trip helped them develop cultural awareness about the social and biological diversity and values in the state of Sikkim.
- 2) Empanelment of Food Technology: Aditi Mahavidyalaya partners with FSSAI as training partner. A training and certification course on food safety awareness 'Basic Manufacturing' was organised by the Food Technology Department. Where 40 students were trained as Food Safety Supervisor.
- 3) Field Visits and Educational Trips: 32 students visited Vidya Bhawan Society, Udaipur from 29th November, 2019 to 3rd December, 2019 to understand the innovative practices in school education, where students observed the schools in varied socio-cultural context.
- 4) Department of Geography organised a long excursion for 56 B.A. Hons Geography and B.El.Ed. students to Kerala. The main aim of the field work was to develop experience of field research, data collection, using of field instruments and conducting survey and observation. Students investigated the area, local community as well as tourists related to their specific objectives related to disaster management and medical tourism.
- 5) The rural camp was organised by Social work department at Social Centre for Rural Initiative and Advancement (SCRIA), Khori, Haryana. In this period students learned about gender equality, community management and self-sufficiency through economic independence.
- 6) Department of Food Technology organised an Industrial visit to Parle-G on 31st August, 2019.
- 7) To instill marketing strategies, C.S.R. initiative of the brand and cost-benefit analysis, an industrial visit to Mother Dairy Plant, Delhi was organised. The purpose was to expose students to get into the insight of supply-chain management and working processes of one of the largest dairy cooperatives of India,
- 8) Department of Food Technology and NHE has organised training for students on Food Safety Supervisor and Certification in collaboration with FSSAI, New Delhi.

EVIDENCE OF SUCCESS

These programs helped to develop cultural awareness and to create a holistic learning environment for its students and bridge the gap between rural and urban areas. Our students developed strong resilience and adaptability to assertively respond to climate-related hazards and natural disasters occurring around them at local and national levels. This awareness has

BEST PRACTICES - II

Title: Ensuring Awareness oriented Education and Proactive behaviour for sustainability: In accordance with sustainable development goal 4, 5 and 9

The Objectives:

- To facilitate the educational programs that can develop eco-awareness and volunteer spirit amongst students to promote sustainable development.
- To undertake skill enhancement initiatives that disseminate the innovative knowledge, motivation and capabilities in the students for being a catalyst in socio-economic change.
- To promote inclusiveness and barrier free educational environment for all.

The Context

In order to develop awareness- oriented education, it was really challenging for the college to gather all technological, infrastructural and social support systems. This was the stage where our practices not only had students and our social reformers like Mahatma Gandhi's role as stakeholders but also the communities and entrepreneurs who were working in the fields and corporations.

The Practice :

1. Conference and Seminar on significant quality education and its accessibility for all by overcoming issues at Aditi Mahavidyalaya, University of Delhi had organized a U.G.C. sponsored National Conference titled 'Revamping higher education for girls in India by exploring possibilities through innovative teaching techniques – Beti Bachao Beti Padoo perspective' on 28th August, 2019 in collaboration with the C.P.D.H.E.
 - a. Awareness about Entrepreneurship: Food Technology department has developed an entrepreneurship skill among students and encouraged them to participate in

Diwali Mela by organizing an exhibition cum food stall on various bakery and nutritional products.

2. UGC National Conference on E-waste management and Swachh Bharat Abhiyan was organised on 10th April, 2019 at Department of Environmental Studies, University of Delhi.
3. The event facilitated opportunities for 200 participants for networking, collaboration and exchange of ideas with renowned experts in e-waste management and recycling, research and development.
4. An interdisciplinary seminar was organised entitled 'Recent Development in the Field of Childhood Disability' with Dr. Neerja Sharma as a resource person. There was marked participation by students and faculty from various colleges of Delhi University.
5. Aditi Mahavidyalaya organised a National Conference on Gandhian Vision and Environment held at Gandhi Bhawan, University of Delhi.

EVIDENCE OF SUCCESS:

Post these practices, the college is successfully working on building resilient infrastructure, promoting sustainable entrepreneurship and fostering innovation to its students.

It is now moving to overall upgrading of infrastructure and building networks with student entrepreneurs to make them sustainable, with increased resource-use efficiency and greater adoption of clean and environmentally sound technologies. There is a significant rise in access to information and communications technology as the college continuously strives to provide universal and affordable access to the Internet to all the stakeholders.

BEST PRACTICES - I

Title: Empowering Women through Education : Sustainable Development Goal 4 Quality Education and Goal 5 to achieve gender equality and empower all women and girls through quality education

Objectives of the Practice:

As expressed in the vision and mission, the college aims to groom young women- alive with knowledge which gives them the power to adapt and act successfully to the growing challenges of the changing world. The college has put all its women and girls as the core stakeholder of the education system that fundamentally empowers them and brings more closer to sustainable development goals and we support rapid access, quality education and sustainable outcomes to achieve SDG 4 & 5 through this best practice by college.

In the attainment of this goal, it is imperative that the teaching – learning process in the college is aligned to the best practices in the academics. As such, the goals of the practices are to:

1. Impart education that aims to create knowledgeable, employable and socially responsible young girls.
2. Provide sufficient exposure to the students on diverse aspects – legal, nutritional, academic, research through organization of conferences, seminars, workshops, talks by eminent resource persons etc.
3. Provide institutional support to promote women participation in practically all areas- physical sciences, sports, nutrition, entrepreneurship, teaching, journalism etc.

THE CONTEXT

The college has been practicing best methods as a pioneering institution bringing higher education to women students. The college experienced many challenges while bringing diversity in college education and fostering the capacities and capabilities of the students coming from different socio-cultural and educational rural milieu. Aditi Mahavidyalaya dynamically worked on strategizing its role in overcoming the challenges by bringing in women empowerment to the marginalized women population of Delhi rural outskirts. To overcome these challenges, Aditi Mahavidyalaya offered well designed courses to make the students feel confident, skilful and self-reliant.

THE PRACTICE

At Aditi Mahavidyalaya, the focus on women empowerment leads to engagement of students, both within and outside the classroom to develop scholarly inquiry which enables them to transform their knowledge into action. In order to achieve this mission, the following efforts have been made:

1. Post conference gender sensitization programs based on learnings BBBP by exploring possibilities through innovative teaching technique *Beti Bachao Beti Padhao* perspective for all disciplines.
2. Installation of sanitary pads dispenser in campus: It is a laudable attempt to promote women hygiene. Aditi is the first Rural College to procure the dispensing machine sponsored by ONGC in collaboration with CSR research foundation.
3. Self-defence workshops are organized in the college on a regular basis to teach and train women in areas of self-defence.
4. Food technology department developed entrepreneurship skills among students and encouraged them to participate in *Diwali Mela* where the students hosted food stalls for various bakery items and nutritional products.
5. Aditi Mahavidyalaya, in its attempt to generate a sense for nutritional awareness and to encourage self-employability organized a training and certification course in association with FSSAI. The theme was food safety awareness and students were trained as food safety supervisors in the course organized and were given certification.
6. To emphasize on the importance and need for physical fitness in women, the physical education department organized a 3 kms Cross Country Race for all the students. The department also provides coaching of sports throughout the year by National Coaches.
7. To generate awareness about legal rights of women in property and inheritance, the Extensive Lecture series organized a talk cum interactive session by eminent Supreme Court Lawyer Pragna Parande.
8. Emotional and psychological well-being amongst youth was discussed extensively by Dr. Vichitra Dargan in "Young Adulthood: Handling key issues" in an interactive session organized by Extensive Lecture Series.

9. To cater to medical fitness amongst young women and staff members, a medical camp was organized where important preventive checkups like Mammography, Pap-smear, etc. were conducted free of cost.
10. Sensitivity towards the "Third Gender – Opening New Horizons" was attempted successfully by Mr. Anjan Joshi from SPACE NGO.
11. The college also collaborated with Hero Honda to train women to drive two wheelers in a training programme organized by the company.
12. Interdisciplinary Lecture cum Training series on "Gender, Legal and Health Issues in Women's Lives" under the aegis of cultural committee was held with various disciplines. The goal was to prepare young girls for a successful transition into the world of work and its challenges.
13. To offer diverse career options, the Placement Cell organized a workshop on "Personality Development and Alternative Career Opportunities" for young girls for career progression
14. Internship fair was also organized for the students.
15. "Communication Skills" enhancement and "Handling Stress at the Workplace" lectures by Dr. Archana Kaushik and Dr. Vandana Gambhir empowered young minds by developing these soft skills through their interactive sessions in September 2019.

EVIDENCE OF SUCCESS

It is believed that if you educate a woman, you educate a family. At Aditi Mahavidyalaya, the teaching learning process is so strong that it has a lifelong impact on the students and continues to play a guiding role even after the student has graduated from college. The alumni of the college endorse the efficiency of the practice as an example of its success in the absence of a tangible index. The alumni of our college are a reflection of the college's efforts in empowering women legally, physiologically, nutritionally, emotionally, financially and psychologically. Our alumni, placed in diverse fields such as journalism, entrepreneurship, entertainment sports, etc. are the reward of our efforts.

Title: Sensitivity to Climate and Environmental Issues : In accordance with Sustainable Development Goal 13 to work collectively to combat climate change.

Objectives of the Practice:

The primary goal of this practice is to join hands with the National Endeavour to do our bit in protecting the environment and climate that is under threat from the selfish and mindless acts of Man. Keeping in focus climate action strategies and plan in SDG 13, The motive is to inculcate a sense of self-discipline where each student shares the responsibility of ushering in the change that we wish to bring in our society.

The overarching and intertwining goal of environmental protection through merging of personal development and social responsibilities is aimed –

1. To sensitize students about the need to act before it is too late.
2. To use the college as a nodal point for disseminating knowledge about techniques and measures to protect the environment.
3. To have an eco-friendly campus.
4. To incorporate Infrastructural changes/adopt ways to saving natural resources.
5. To shoulder social responsibility by spreading awareness through organization of seminars, conferences, workshops, competitions, talks by eminent persons.

THE CONTEXT

College faced major challenges like lack of infrastructure and climate friendly buildings while initiating this best practice. It also faced challenges like lack of accessibility to the technological innovation to develop safer and more environmentally friendly products. It was really challenging to bring diverse stakeholders together on a common platform to work on various kinds of waste disposal and segregation procedures and environmental conservation, natural resources development and conducting campaigns and rallies for bringing the communities together.

THE PRACTICE

Aditi Mahavidyalaya proudly boasts of numerous activities in attainment of the above goal. Some of them are listed as under:

1. organised E-waste management workshops, capacity building programs and visits for the students. NCC cadres participated in various activities for nation building action plans.

2. *Jal Shakti Abhiyan*" an initiative by the Modi government was given impetus by Aditi Mahavidyalaya with students wherein a rally on "Water Conservation and Revival of Johars in Villages" was organized in association with the NSS wing of the college.

3. The college organized a cleanliness drive in the nearby Shahbad Dairy area on 29th August 2019 to generate awareness about proper waste disposal and its impact in keeping the environment clean.

4. *Seva Saptah*, an initiative of the NSS wing at Aditi Mahavidyalaya organized a series of events in the adjoining *Pooth Khurd* area with the help of Ms. Anju Aman Kumar, councillor, to spread awareness about single use of plastic. Volunteer groups motivated street vendors and *subjiwalas* about stopping the use of plastic and promoting cloth bags.

5. The campus was declared "Plastic Free" campus- a welcome and collaborative effort of the management, staff and students.

6. The work of Solar Panelling is another feather in our cap towards doing our bit in the area of environmental protection.

7. The creation of Compost Pits in the campus and ongoing efforts towards Rain Water Harvesting are our ongoing efforts.

8. A Herbal Garden has successfully bloomed over the years in a "Go Green" initiative at the campus.

9. The Eco Club of the college organized on 6th March 2019 a series of intra college activities to generate environment awareness. Plastic Bottle Garden, Pen stands, decorative pieces were displayed in an attempt to create best out of waste. Besides- debates, notice boards and poster making competitions were also organized.

A webinar was organized for the Geography students on May 11, 2020 entitled "GIS Application and Career Opportunities" in collaboration with NIGMT foundation through Zoom. The webinar provided in-depth insight to more than 70 participants about the application of GIS in the various spheres of knowledge and its career prospectus.

- An online cultural event was organized by the Ekta Society, Department of Social Work, Aditi Mahavidyalaya, University of Delhi on 13-11-2020. Theme of the event was Unity in Diversity. Highlights of the event were state representation by students through dance, singing, and poems recitation

EVIDENCE OF SUCCESS

Our students have developed strong resilience and adaptability to assertively respond to climate-related hazards and natural disasters occurring around them at local and national levels. This awareness has motivated them to develop critical thinking about the human actions which are leading to environmental hazards. Due to our efforts to make them aware about their responsibility through educational programs, rallies and campaigns we were successful in developing behavioral change and strengthen institutional capacity to work towards mitigation, risk reduction and developing sensitization about environmental friendly actions.

- To encompass all the possible ways to ensure health, well being and development of all the students and stakeholders of college.
- To utilize already inherited wisdom in SDG Agenda 2030 to deal with human suffering and isolation.
- To promote awareness about prevention of COVID 19 and to develop strategies to strengthen the capacities of vulnerable communities around college.

The Context

It was aimed towards preventing human suffering from the COVID-19 virus and to develop networks for ensuring healthcare for all in all possible ways. Through online platforms like Google meet, Zoom and Microsoft Teams, the college built a strong human infrastructure to protect all its stakeholders in these troubling times. The college was also involved in planning, monitoring and administration of vaccination campaign for students and communities around college. The role of college was very crucial in this whole process but the challenges that we faced during those times involved - facing the public fear and panic about the pandemic, the dedicated team which took efforts to reach college and run vaccination campaigns effectively and the challenging process of resource mobilization through online platforms.

Practice - I

A UGC funded National Conference on "Water Scarcity and Sustainability: A Jal Shakti Abhiyan Perspective " was organized by Aditi Mahavidyalaya, University of Delhi through an online platform on 9th March, 2021. A pre-conference activity was organized on 8th March 2021. Prof Pankaj Arora, Director ILLL, University of Delhi inaugurated the Pre Conference events for students and inspired students on foundations of research at undergraduate level. . In the valedictory session Prof Chirashreeghosh from dept of environmental studies, University of Delhi discussed research conducted on ground water in Delhi and showed how real time data can influence policy change, thus, emphasizing need for research. Prof Vandana Saxena from dept of education, University of Delhi focussed on community sensitisation and role of academic institution in bringing awareness about environmental issues.

UGC funded National Conference titled 'Unfolding the Potentials of Women and Girls including Children: Enhancing the Benefits Exponentially for One and All- Sabka Saath Sabka Vikas Perspective' was organised by Aditi Mahavidyalaya on 27.03.2021. Hon Vijay Sampla ji, Chairman, National Commission for Scheduled Castes was the Chief Guest of the conference. Prof Anupa Siddhu, Head of Department of Home Science and Director Lady Irwin College was the Guest of Honour for the programme. Prof Geeta Singh, Director CPDHE, University of Delhi who was also the Guest of Honour for the programme. Prof Anil Aneja from the

Department of English who is also Nodal Officer for Persons with Disability and President All India Confederation of the Blind delivered the KeyNote Address in the conference.

Department of Education organised a dialogue with practitioner series (6 dialogues) on Teaching Learning in Pandemic Times for I V and III-year students where the school practitioners were invited to hold an interactive session with the students to share their teaching learning and pedagogical initiatives in pandemic times. Our own alumni who are working in the field from past many years were the resource persons. Students were able to understand the practices and challenges of both the public and private sectors in India and school experiences from London.

Department of Education organised an intra-college competitive event on Teachers' Day. Themes of the various events were related to teaching learning in Corona times. Near about 100 students from various departments participated in the event.

Department of Education organised the virtual visit of Nature Schools of Odisha for the III-year students. Purpose of this visit and interaction with teachers and experts was to understand the alternatives in education. That was an exciting journey to rural schools in natural environments and how nature is used as a resource to enhance the teaching learning process. In continuation to that an interactive session was organised with Mirambika School, Delhi to understand their vision of education and learner.

Department of Education in the collaboration with science society and Eco Club of the college organised virtual visit to Bio Diversity park in the month of December, for all the years. It gave them opportunity to clear their doubts and share the observations with nature education officer. Students were part of various other events organised by the committees and societies of the college and participated in the events of other colleges and secured positions in competitions.

Vigyan Sanjeevani Science Society, Department of Education celebrated the National Science Day. Invited speakers deliberated upon the theme "Vision of Science in NEP2020". BEIED students attended the event and participated in Poster Making competition on "Scientific Innovation for Future /Science in Our Lives". b. Science Society organised a webinar on Inquiry in Science Classroom. Speakers presented their views in the area of inquiry in Science Classroom, Science classroom as a gendered space and Assessing Scientific Inquiry.

B.El.Ed. IV year Pedagogy of Mathematics students successfully completed National Level E Quiz on the occasion of "National Mathematics Day" organised by Swami Swatantranand Memorial College, Gurdaspur, Punjab, India.

Business Plan- "Vyojna": It was an opportunity for students to explore their innovative ideas in terms of start ups or business plans. Participants presented their business plans via online presentation on Google meet platform. Total 4 students participated in the event where Siddhi Sharma (B.com, 2nd year) presented on the topic 'Almond drinks foe non-vegan', Trisha and Sadhana (B.com hons, 3rd year) as a team of two, presented on 'Business plan on trading of Clothes' and lastly Anshika Sahni (B.com, 1st year) presented on 'Comfease Office Furniture'. All participants presented their plans very confidently. Dr. Rajeev Kaur (Associate Professor, Department of Commerce) and Ms. Shashi Kumari (Assistant Professor, Department of Commerce) judged the event and announced Siddhi Sharma as the winner of "VYOJANA".

Innovative Teaching Committee of Aditi Mahavidyalaya, with Dr. Bharti Mohan as its convenor and Dr. Priya Bir as Co-Convenor, organized an Online Workshop on Writing Research Papers for Scopus Journals on January 2, 2021. Dr. Jaspreet Kaur, Associate Professor at Pearl Academy was the speaker for the event. Teachers, Research scholars and students from different colleges and Universities participated in this event.

EVIDENCE OF SUCCESS

Our students have developed strong resilience and adaptability to assertively respond to climate-related hazards and natural disasters occurring around them at local and national levels. This awareness has motivated them to develop critical thinking about the human actions which are leading to environmental hazards. Due to our efforts to make them aware about their responsibility through educational programs, rallies and campaigns we were successful in developing behavioral change and strengthen institutional capacity to work towards mitigation, risk reduction and developing sensitization about environmental friendly actions.

Objectives of the Practice:

- To bridge the digital divide by providing the access to the internet and making the possible helplines reachable to all the students.
- To build Multi-Stakeholder collaborations with government and non government n for making basic resources like food, clothes available for nearby vulnerable communities.
- To develop self-reflective and collectively responsible aptitude amongst students for their betterment as global citizens.

The Context

This year, all the best practices were strategized to achieve the goal of building human infrastructure to combat COVID-19 and its unprecedented crisis. In this situation it was very challenging for us to build an inclusive, accessible, healthy and strong human coalition for saving lives. There was extreme scarcity of resources due to lockdown and panic all across the country. In such a scenario, the educators, non- teaching staff and students of the college built a strong coalition to ensure psychological well-being and digital accessibility of quality education for all the students.

Practice -II

- Students have participated in Healthy-nutritious contest organised by Bhagini Nivedita College during RashtriyaPoshanMaah. Toshiba Mongia, B.A Prog 3rd year had secured 3rd position. 4) Kritika Pachouri, B.A. Prog. Ist year secured 3rd Position in drama talkies, an intercollege event organized by dramatics club of New Delhi Institute of management on 21st January 2021 5) Nikita, B.A. Prog, Ist Year secured 2nd Position in poetry writing and slogan writing competition organised by NSS, Shri Rajguru College of Applied Sciences Woman. University of Delhi 6) Nikita, B.A. Prog, Ist Year secured Ist position in an intercollege competition organised by Aatma Ram Sanatan Dharam College.
- The faculty and students participated in a short term course by CEQUIN in collaboration with JDM College on "Understanding Gender"
- Dr Reema Lamba of Aditi Mahavidyalaya and Dr Nirmala Muralidhar of JDM College signed an MOU to collaboratively conduct a certificate course on "Decoding Disability in Children" during February-March 2021 to sensitize students and faculty involved in their colleges and other colleges offering similar UG programmes on this issues. The forte of this course was that there was no course fees, keeping in mind the financial constraints during the Co-vid period.
- Ambedkar Study Circle organized an E- Essay competition on 14th April 2021 on the theme of "Philosophy of Dr.B.R. Ambedkar and Women Empowerment". On the occasion of 130th birth anniversary of Dr. B.R. Ambedkar the committee organized

- The Website Committee at Aditi Mahavidyalaya has been active throughout this year. In COVID times the Website was an important link of communication for the students. The students of our college come from different states of the country. Some of the students also reside in rural India belonging to remote villages, for them the college website proved very beneficial for accessing vital information, notifications regarding admissions, examinations and other college functioning. The System Administration and the committee members worked regularly to update the website with the e-resources, all university notifications, important information, college and department activities. The Website has been updated with activities and information collected from the Department Teacher-in-charges and Convenors of various committee working in the college. Efforts have been made to make the College Website relevant, informative and user friendly.
- During the period of Covid pandemic as colleges were closed an awareness event on AIDS was organised through online mode on 5 th March 2021 where cadets made posters and performed a nukkadnatak regarding aids awareness
- Discipline committee organized webinar on 'Managing Conflicts: A Lifestyle Challenge' on 13 February, 2021. The purpose of this webinar was how to cope up with conflict in both personal as well as professional lives. Resource Person Dr. Anjali Gupta (Department of B.Voc., Ramanujan College, University of Delhi) explained how to respond and resolve conflict in every sphere of life
- The 74th Independence Day of the nation was celebrated in the virtual mode by Aditi Mahavidyalaya with immense gusto and enthusiasm. The celebration received an overwhelming response from the staff and students alike. The patriotic fervour was set by a KaviSammelan by distinguished poets - Sh.Jai Singh Arya of Sahitya Parishad, Sh. Rajesh Chetan of Sanskar Bharti, Sh.Vijay Tripathi, Chairman, Akhil Bhartiya Sahitya Parishad (UP) and Dr. Vinamra Sen Singh who mesmerized the attendees by their pearls of wisdom echoed through heart touching poetry. To add further zeal to the event the dynamic speech by the Principal Prof. Mamta Sharma followed by the pledge for being VOCAL FOR LOCAL, set the mood rolling for exceptionally beautiful and soulful performances by the students.
- On 26th January 2021, Aditi Mahavidyalaya, celebrated republic day, on the theme 'The India I Dream' with students and staff of the college (teaching and non-teaching). The programme began with opening remarks by convenor(s), Dr Nidhi Goel and Dr Manisha Wadhwa, followed by the National Anthem. Then our principal, Prof. Mamta

Sharma addressed students and shared how the celebration of Republic Day is different because of the on-going pandemic. Taking the discussion further, the chief guest of the programme Prof Pankaj Arora, Director Institute of Life Long Learning, University of Delhi discussed the concepts of 'Citizenship', 'Secularism', 'Republic' and 'Democratic' with students. He emphasized that these values do find expression in various articles and provisions of our constitution.

- Amidst the lockdown, through a webinar teachers and students of our college commemorated the success of women all over the world, on the golden occasion of BasantPanchami on 16 February 2021. The theme of the event was 'Girls: On the heights of Success' was to showcase success stories of women in multiple fields. The chief Guests of the programme were Dr. Latika Gupta, Faculty of Education, University of Delhi and Dr Nidhi Gulati, Department of Education, Institute of Home Economics. DrLatika Gupta discussed the notion of 'Modern Girl' and Dr. Nidhi Gulati spoke on 'Movies, Education and Girls'. The observation and experience of the speakers in the area provided insights to participants. They highlighted many critical questions for further reflection. The session was thoughtful, inspiring, motivating and meaningful for participants.
- On the visit of vice chancellor of university of Delhi, Prof P.C. Joshi to college on 10 April 2021 notice board on the theme 'Ek Bharat Shreshtha Bharat' was displayed. The rich cultural heritage and lifestyle of prosperous state Sikkim was shown.
- Science society celebrated the National Science day on Feb 28, 2021 by organizing a webinar for students on the topic "Vision of Science in NEP 2020". The resource persons of the events were Dr Mamta Singhal, Institute of Home Economics, University of Delhi, Ms Aparna Joshi, Gargi College, University of Delhi and Dr Gaurav Singh, School of Education, IGNOU. The webinar drew attention of students towards the key points of science in the National Educational Policy 2020.
- An online event (webinar) was organized on the occasion of the International Day for Biological Diversity for bringing awareness among students of Aditi Mahavidyalaya. More than 80 students and about 15 teachers from different departments of the college and the principal, Aditi Mahavidyalaya attended the session. For this a talk was conducted by Dr Bela Bhatia, Associate professor in the department of Botany, Deshbandhu College, University of Delhi. She discussed the concepts of Biodiversity – its benefits, hotspots and conservation. She also raised the concerns about factors like pollution, global warming, responsible for loss of biodiversity.
- Virtual walk to the Aravalli Biodiversity park by Dr M Shah Hussain (Scientist In charge, Aravalli biodiversity Park) and Ms Balwinder Kaur (Nature Education Officer, Aravalli Biodiversity Park). Dr Hussain explained how celebration of a special day like today brings awareness to the masses. He further elaborated that Biodiversity parks are action models based on research which significantly contribute to biodiversity restoration.

- The Vedic Society, Department of History, Aditi Mahavidyalaya organized an event on the topic "Red Fort : A National Heritage" on 30th April, 2021 .The event started with a virtual tour of Red Fort through a documentary detailing the architectural excellence of Red Fort and the important historical events that took place there. The virtual tour was followed by a panel discussion on the same topic.
- An Online UGC funded National Conference on Water Scarcity and Sustainability: A Jal Shakti Abhiyan Perspective was organized on March 9th, 2021. The Inaugural Session was graced by Mr. U. P. Singh, currently, Secretary, Ministry of Textiles (formerly, Secretary, Ministry of Jal Shakti), Professor RadheyShyam Sharma, Department of Environmental Studies, University of Delhi and Dr. Shard Chander, Scientist, Space Application Centre, ISRO. The inaugural session was followed by the Panel Discussion on the theme: Traditional and Modern Water Wisdom: Conservation, Treatment and Governance. The Panelist in the Panel Discussion were Professor Mamta Sharma, Principal, Aditi Mahavidyalaya, Dr. Sandeep Shukla, Scientist, Environmental Pollution Analysis Lab and Dr. Akansha Bhawsar, Scientist, Division of Basic Sciences, ICMR. The Valedictory Session of the conference was presided by Professor Chirashree Ghosh, Department of Environmental Studies, University of Delhi and Professor Vandana Saxena, Department of Education, University of Delhi 10. An online event was organized to mark 51st Year of Earth Day on 22nd April, 2021. It was an interactive and brainstorming session amongst students, faculty members and Principal, Aditi Mahavidyalaya, Prof. Mamta Sharma on the theme COVID TSUNAMI.
- Under the co-ordination of Dr Sunita Bahmani (Faculty, Department of Social Work)& Dr Mali Devi Sawariya, (Faculty, Department of Social Work) on 24th April 2021 we initiated the society - 'Voices: The Society for Integrated Dialogues & Concerns' with the following objectives: 1. To develop a holistic understanding of contemporary scenarios with the help of expert panelists, stakeholders and professionals in the field. 2. To construct and re-synthesize the academic ideas and dialogues for development of critical thinking skills of students. 3. To incorporate diverse disciplines and practices for responding to the needs and concerns of all the college students innovatively. In this unprecedented covid 19 situation what we are witnessing is exceptional. On one hand the rate of infection is rising. On the other hand whatever the health care infrastructure is, it is always going to be insufficient for the ever-increasing demand for oxygen, medicine, beds, space, and everything that is needed. In this general doom and gloom, we still need hope. Maybe it's time for human infrastructure to work. It's time for people to come together to tackle this pandemic situation and to protect each other. In a human crisis humanity always rises. In this given scenario, the objective of 'this' initiative is to make people aware about the importance and significance of plasma treatment. On how this pandemic can be defeated by better planning and better utilization of existing human infrastructure with 'volunteerism' as its core in reaching out to our needy-social world. With this objective into consideration and practice,

VOICES began its very first endeavor in the form of JEEVAN RAKSHIKA :ANTI - COVID HELPLINE with a force of around thirty two student volunteers and representatives from our college across disciplines who were ready to dedicate their time and efforts through 'digital coordination' in matching lead availability with the needs of the people, survivors and families who were battling COVID-19. In the very initial phase, our volunteers shared their vision of their objective behind joining Jeevan Rakshika. One of them shared that – 'I lost my family member, it broke my family and its survivors. I don't want anyone to go through what I had witnessed. Through Jeevan Rakshika, I just want to help people and save their families'. It was dedication and passion of such student volunteers that helped Jeevan Rakshika to reach out to people beyond Delhi also.

Plasma Donation Drive by the college under Delhi University. From this inspiration, on 1st May 2021, we launched our first 'plasma donation drive' initiative for our college under Jeevan Rakshika. Then we organised webinar organized by Jeevan Rakshika: Anti-Covid Helpline of Aditi Mahavidyalaya, University of Delhi on "CREATING HUMAN SUPPORT SYSTEM TO COMBAT PANDEMIC- PLASMA DONATION AWARENESS" took place on Saturday, 15th May, 2021. The significant aim of this awareness session was to prepare the Volunteers "How we can make aware the donors to donate their plasma after recovery from Covid-19". In this webinar our resource person was Ms. Sabita Chanda from India Cares Foundation who put forth her insight and experiences on how to convince donors and for rapport, how to eliminate the misconceptions & myths related to plasma donation & also educate the volunteers about Plasma Donation process. Through this drive we were able to provide plasma to the six needy patients in hospitals till 18th May 2021. In order to make our reach wider to the needy sections of society, we created social media platforms like Twitter so that we can reach services available for the needs of the people and society. We created social media platforms like Twitter so that we can reach to services available and the needs of the people.

- Further, in collaboration with IQAC, we organised a panel discussion with Ms Karishma, Ms Erika Anand and Sh. Mustafa Raahi (Our Rights and Social Society) on "THE ESSENCE OF VOLUNTEERING IN PANDEMIC – BUILDING HUMAN INFRASTRUCTURE" 20th May, 2021 at 1PM. Over 80 people attended our webinar. In this Panel Discussion our participants were Ms Sarita (Inception of Life), Ms Kirti Kaushik (Dreamland) also participated to ensure collaborative efforts. This Panel discussion helped our volunteers to strengthen their perspectives on "how the volunteers can help to reach the essential resources to help the vulnerable people in this widespread of Covid-19 or how can volunteerism be the foremost human service in combating this pandemic?". This panel was successful in providing the information on the creation of multi-layered and multi-level intervention for our campaign. This two hour panel discussion was really educational, engaging and fulfilling because of the enlightened presence of panelists.
- Formation of Informative Kits for Public health communication about Awareness and Education to combat against COVID-19 : We also focused on Information Education & Communication because it is an integral and important component of our programme to promote our services to the vulnerable people and families. Through this campaign, we were able to verify around 105 leads, referred around 8 leads and were able to fulfill needs of around 10 people on a daily basis by providing linkages for oxygen, beds and blood donation. It has attained greater importance in our AntiCovid Helpline awareness and development of the knowledge base. By using this approach, we made posters, wrote poems & made awareness videos.

ADITI MAHAVIDYALAYA (NAAC - 2017-22)

- Community Outreach through Partner Organizations: Community outreach in Jeevan Rakshika is about giving, contributing, and helping those who cannot help themselves. Community outreach also allows us to influence younger generations of our volunteers to give back to the community to be a helping hand in these bad times. In these three organizations Ms Sarita from Inception of Life, Ms Kirti Kaushik from Dreamland & Sh. Mustafa Rahi Our Rights & Social Society became our backbone in helping communities living in slums around Bawana.
- Aditi Mahavidyalaya is excited to be part of the V2 Scheme which entails sharing resources and expertise through innovation, experimentation and experience. Meticulous plans have been proposed to further the cause of cooperation amongst colleges through knowledge sharing. The college is located in remote, tribal and rural interiors of Central India. Thereby necessitating help and resource sharing from urban centers to rural areas. A dynamic team at Aditi under the mentorship of Principal Prof Mamta Sharma is getting ready the blueprint to launch this noble initiative of the University of Delhi. Vidya Vistar Scheme of the University of Delhi is an initiative to maximize the contribution of higher educational institutions to nation-building through optimum utilization of existing resources and potential. India's dream to be a global superpower in the coming decades depends primarily on enhancing the skills of its human resources to meet global demands and increasing innovations and startups to fuel the economy.

EVIDENCE OF SUCCESS

Our students learnt about diverse forms of life and their significance in ecosystems and life in all forms. Moreover, they were able to develop a responsible approach for its conservation through creative ideas and initiatives. There was a human chain approach in which all the students were informed about how to be a catalyst in all initiatives.
