Agenda: Regarding a complaint by a first
year student

It was found by the committee that the
first year students had willingly gone with
III year students on their own for outing/
recreation. The incident happened outside
the college premises. However, after taking
versions of all the concerned students was
taken verbally and in writing.

It was found that there was only heated
arguments among the students and no physical
false case of ragging was observed.

Agenda: Letter received from a student,
from 2nd year B.A (P).

1. The members observed following points.

1. Letter of Ms Soni II yr B.A (P) student has wrongly stated the subject. The content of the letter does not reflect any ragging by senior students.

2. Misbehavior was within B.A (P) II yr students.

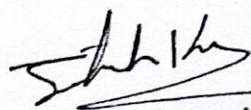

3. Misbehavior of Ex-students does not come under the purview of anti ragging committee.

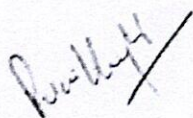

4. Thus the committee concluded that it is purely discipline amongst students of the same year and ex students, hence it is a case for discipline committee and not anti ragging committee. The committee decided that the letter should be returned to the student.

principal with a noting that
it is a case to be looked by the
discipline committee and not by
anti ragging committee.
