

#### 4. Beyond the Campus Environmental promotion and Sustainability activities

- ❖ Eco-Club in collaboration with the Gandhi Study Circle of Aditi Mahavidyalaya organized a two-day National Conference on 'Gandhian Vision and Environment', held during 6th-7th March, 2019 at Gandhi Bhawan, University of Delhi. The conference provided a platform to our students to interact with eminent scholars from different disciplines of environmental studies, geography, history, political science, commerce and some other streams students.

# ADITI MAHAVIDYALAYA (NAAC - 2017-22)

❖ Eco-Club of Aditi Mahavidyalaya organized a visit to the Yamuna Biodiversity Park on 28th March, 2019 to make the students aware about the principles of ecology.

- ❖ **Rapid growth of technology and technical innovations have undoubtedly transformed human lives but at the same time also degraded their health and coping mechanisms by leaving huge E-waste dumps in our country. With this issue as our core concern, Prof. Mamta Sharma, Principal, Aditi Mahavidyalaya organized the first National Conference on E-Waste Management and Swachh Bharat Mission sponsored by University Grants Commission/ UGC on 10<sup>th</sup> April, 2019 at Department of Environmental Studies, University of Delhi. The event facilitated opportunities for networking, collaboration and exchange of ideas with renowned experts in e-waste management and recycling, research and development and aimed towards sustainability of environment and common resources. Around 200 eminent speakers from Ministries under G.O.I., leading academic scientists, researchers and scholars in the domain of interest from around the country came together to share their expert knowledge, information and best practices, and build a strong vision for the future.**

- ❖ *Jal Shakti Abhiyan*” an initiative by the Modi government was given impetus by Aditi Mahavidyalaya on 19<sup>th</sup> August 2019 wherein a rally on “Water Conservation and Revival of *Johars* in Villages” was organized in association with the NSS wing of the college.
- ❖ The college organized a cleanliness drive in the nearby Shahbad Dairy area on 29<sup>th</sup> August 2019 to generate awareness about proper waste disposal and its impact in keeping the environment clean.
- ❖ *Seva Saptah*, an initiative of the NSS wing at Aditi Mahavidyalaya organized a series of events in the adjoining *Pooth Khurd* area with the help of Ms. Anju Aman Kumar, councillor, to spread awareness about single use of plastic. Volunteer groups motivated street vendors and *subjiwalas* about stopping the use of plastic and promoting cloth bags.
- ❖ The Eco Club of the college organized on 6th March 2019 a series of intra college activities to generate environment awareness. Plastic Bottle Garden, Pen stands, decorative pieces were displayed in an attempt to create best out of waste. Besides- debates, notice boards and poster making competitions were also organized.
- ❖ In 2021-22 Department of Education in collaboration with the science society and Eco Club of the college organized virtual visit to Bio Diversity

park in the month of December, for all the years. It gave them the opportunity to clear their doubts and share the observations with the nature education officer. Students were part of various other events organized by the committees and societies of the college and participated in the events of other colleges and secured positions in competitions.
