It is my privilege and pleasure to release this first newsletter of the Cultural Committee of the college today on the 25th Annual Day and in the Silver Jubilee year 2018-19. The newsletter reports and interprets the various activities undertaken by the college to understand cultural

concepts, symbols and ideas. The purpose of producing an exclusive document on cultural activities is to highlight illustrations, photographs and explorations of the Committee and students. After perusal of the Newsletter, I am happy to congratulate the Committee for its successful and enthusiastic commemoration of the Independence Day, Inter-Departmental Lecture cum Training Series (on Gender, Health and Legal Issues in Women's Lives), Republic Day, Ourunodoi, Dastangoi performance and for organizing dance performances for this Annual Day, and for participation in the 1st Spic Meeay Moving Convention-Kumbh Mela and in the Cultural Exchange Programme between Directorate of Primary Education (Samagra Shiksha Abhiyan) under Ek Bharat Shreshtha Bharat initiative of the Ministry of HRDD, Sikkim. This newsletter, I sincerely hope, would inspire future generations and office-bearers to propagate and explore the ever-evolving cultural paradigms and to understand our vital cultural mornings.

With best wishes,  
Dr. Mamta Sharma

## Coconvenor's Message

Dear colleagues and students,

The Cultural Committee can be treated as just a forum for the organisation of traditionally-formatted programmes but on the other hand and preferably, be evolved into a space of creative growth. The latter has been my experience in the past year and in my personal opinion, that continuity must be maintained. What the Committee has accomplished, has been mentioned here by my colleagues and therefore I would write about what additional goals the Committee might set museums of art and culture may also be introduced. At least three visits of the students to the rural countryside may be planned where the aim should be explore the link between live practices and traditional thought. How inhibiting the activities are or how stimulating, may be an area of interest for the students, the relations, the power dynamics and the roles of genders may be important points of observation and study. It goes without saying that activities of dances, plays and folk and popular music should be pursued but there can be an additional emphasis on the understanding of culture as an integral part of the Indian work culture, attitudes and economics. Intra-college singing competitions and dance competitions, which are not expense-intensive and which may be easily done in the existing facilities of the college may be taken up four to five times in the whole year. The idea is that more and more students, that is, at least two to three hundred students take part. The Committee might also actively stay in touch with the Delhi Government's Department of Arts, Languages and Culture and expose students to low cost or free cultural performances. Constant engagement and unceasing innovation and nothing less, may be the Committee's beacons of inspiration. Working in this Committee has been a sheer joyride and fulfilling experience. As we go the next year, the leaf that we turn is a golden one! I pray and hope that the next issue of The Gold Leaf would carry a rich tapestry of the life and culture that we once had and once more, seek!

Neerja Nagpal  
Coconvenor

## Independence Day Celebration

The Independence Day was celebrated with the usual pageant of the unfurling of the tricolour flag and the singing of Vande Mataram by the Music Department. The occasion was also marked by enthusiastic flying of paper kites, enjoyed both by students and teachers. This year also saw innovative initiatives. Firstly, the usual laddoos, that were distributed each year, were replaced by healthful snacks in form of low-carb but high-protein bars. Secondly, the students were given an orientation and training on the ways to listen to, receive and respect the national anthem. The correct and upright bodily postures were talked about. An oath for complete electoral participation was also administered to students. The event concluded with a homage to national leaders, heroes and martyrs and a singing of the National Anthem.

## A Perspective on Culture

Culture is universally constituted by social behaviour and norms in the societies. It includes expressive forms like arts, music, dance, rituals, cooking, clothing, physical expression such as architecture, technology and immaterial such as mythology, philosophy, practices of political organizations. All are our intangible cultural heritage. Therefore, Culture is the binding stone which lays the foundation of generation to stay, travel, grow and relish. India is the world's most culturally diverse country and is famous for amalgamation of wide range of cuisine, dresses, dances, music, architecture and art forms.

Aditi Mahavidyalaya grabbed an opportunity to visit a group of students under cultural and education exchange programme for Sikkim under "Ek Bharat, Shreshtha Bharat" a government of India initiative along with the members of cultural committee. Under the same segment cultural committee members also visited Kumbh Mela at Prayagraj. Under cultural exchange programme the students and teachers explored north eastern state Sikkim and celebrated the cultural festival "OURUNODOI" and organised one day seminar "SIKKIM EXOTICA" to understand the cultural and social life style of Sikkim. Cultural Committee also organised certain events in the college like Independence Day, Republic Day, Women's Day etc. To enrich our culture and heritage knowledge.

## From The Resource Person

There has been recent development of culture and education lies between New Delhi and Sikkim as both have been partner States for 2017-18 and 2018-19 under the Ek Bharat Shreshtha Bharat programme. The Human Resource Development Department of the Government of Sikkim has many exchange programmes with Delhi under this programme. Of all those, some prominent programmes were held in between the HRDD, Sikkim and Aditi Mahavidyalaya, Delhi which records in the event chronology, the exchange of teachers and students in general terms. ## Cultural Exchange Programme with Sikkim

A cultural exchange programme between Directorate of Primary Education (Samagra Siksha Abhiyan, H.R.D.D., Sikkim) and Aditi Mahavidyalaya, University of Delhi was organised under EK BHARAT SHRESHTHA BHARAT initiative. A team of 21 students and 5 teachers started their journey to this 100% organic and divine place on 14th march 2019 and deboarded at New Jalpaiguri on 15th march. We first stopped at and explored Jorethang and more of west Sikkim later. Pelling was a major halt of our trip and the beginning of our itinerary on 16 March. There we studied Sangachooli, a famous skywalk in West Sikkim. This skywalk in Pelling is a transparent foot bridge leading to a 137 feet high statue. Chenrezig. The very same day we explored Sangachooli monastery. This monastery is as old as 1701 AD and one of the most important gompas in Sikkim.

Next, we went to Khecheopalri lake. It is sacred for both Buddhist and Hindu and believed to be a wish-fulfilling lake. On the same evening, the entire troop visited a rural school in Yuksom. We experienced the vast culture of Sikkim in their traditional folk dances and songs. Thereafter, the N.S.S. volunteers and cultural performers of Aditi Mahavidyalaya gave three performances – one Punjabi Bhangra, one hindi group dance and one solo Bharat Natyam performance and thus showcased the dance performances of various states. We trekked through the rural areas of Yuksom, visited the throne and the coronation site of the first king of Sikkim that had happened in 1642 (387 years ago). The troupe travelled to Ravangla, all along enjoying the mountain steams, little water falls, valleys, fog, mist and an occasional forest fire. Our senses were mesmerized. In Ravangla we visited the Buddha Park, which is technically not a monastery but a park showcasing the life and times of Buddha; it is also known as *tatha-gatha sthal* in South Sikkim. On the subsequent day, we visited Padmanabham Temple in Namchi. This is one of the oldest temples there. It is the 600 hundred year old shrine of Anant Padmanabham Swami. And the evening of the same day the troupe had an experience of the religious zeal and purity of the Sikkim culture via their visit to Char Dham. This Char Dham, also called, Siddheshwaram Dham, is a replica of Jaganath, Badrinath, Kedarnath and Rameshwaram. This is the only place which brings the Char Dham under one roof at Solophok, Namchi (South Sikkim). In White Hall Flower Exhibition Centred in Gangtok. In this small but beautifully landscaped space, we photographed and learnt about rare, healthy and prize-winning orchids. Soon after, the troupe visited the Tashi view point. It offered an opportunity to get a clear and unobstructed vision of the eternal great Kanchenjunga mountain ranges. The Tashi view point offers panoramic view of Sikkim. In Gangtok, M.G market is a modern market complex which also has handicrafted products of Sikkim like bamboo and straw along with clothing, fruits and vegetables.

Our final destination of the trip was the Changlu Lake which is the glacial lake in the East Sikkim 40 km for the capital Gangtok. The last dinner at the H.R.D.D. Guest House was preceded by distribution of traditional and elegant silk khadas and mementoes to all students. Gifts were given to all. The Director, the CEO and the Deputy Directors spoke extensively about how India could be strengthened and states could benefit from each other. The teachers accompanying the troupe presented gifts to all the hosts and gave speeches of thanks and extended counselling and technical support on behalf of the Principal Dr. Mamta Sharma.

**Sikkim : An insight into culture and traditions**

In the prehistoric times the state of Sikkim was occupied by three tribes namely Naong Chang and the Non. The people of Sikkim have a rich cultural heritage with a homogeneous blend of different communities of people living together. Even small festivals are celebrated with great devotion. There are social or religious gatherings by the monks during religious festivals. The monks cover themselves with guily painted masks, sparkling. Hons and religious ohating saga dawa in one of the most famous festivals celebrated by the people. Sikkim is like a beautiful bouquet that is adorned with the amazing colours.

Sikkim is a small state situated in Eastern Himalayas. We went there on 15th March 2019. My visit mainly focused on observing human behavior. I must say that it was a great visit and most beautiful place I have ever visited in India. In Sikkim there is no gender discrimination. As I belong to Delhi which is also known as staring capital, women nowadays feel very unsafe in Delhi. But In Sikkim women enjoy certain freedom if I compare with other states. Traditionally there was no social discrimination against girl child. Girls and boys are considered equal and there are no social evils like dowery, female foeticide etc. The level of physical violence against women is apparently low if it is compared with other states. The position of sikkimese women in different activities shows that economically they are empowered. In agricultural sector, pastoral and garden economy ,women play a vital role. She attains a prime role in household work and have deep involvement in the ritual activities. Prevalence of bride price also shows the importance of women in their society. I want to visit Sikkim again and again. Delhities should learn something from North eastern people that how to grown up in a surrounding of love, honesty, and simplicity. Living here is very peaceful. I personally enjoyed the white clouds playing over the green mountain ranges.

Sikkim is a Paradise on Earth. It's sheer Magic. Its Natural Beauty is just unbelievable. It is a Land of Rugged Mountains, Deep Valleys, Dense Forests, Rivers, Lakes, waterfalls, Monasteries and Pagoda- style Houses. It is situated at an Altitude of 5800 ft.( 1,547 metres) between the borders of Nepal, Bhutan and Tibet. It's a Pollution free Organic State that lies in the Lap of Mt. Khangchendzonga, 3rd highest mountain in the world. The place is easily approachable by Airways, Railways, Roadways & Helicopter. Gangtok the State Capital presents a picturesque and serene repose in the lap of Nature. Here

you will find a blend of Lepcha, Bhutia and Nepali Culture and Cuisine. The place has attractions for people of every age, faith, culture and interest. There are Temples and monasteries like Char Dham, Chenrezig statue, Kecheopalri lake, Dubai monastery etc. The Norbugang Coronation Throne is of great religious and cultural importance because here Phutsog Namgyal was crowned as the first Chogyal of Sikkim. This is also the place where the three lamas used to gather to preach Buddhism. The experience to visit Nathu La was really wonderful. The beauty of snow-capped mountains on the way was mesmerizing. Besides Gangtok there are several other places like Nathula Pass, Yuksom, Pelling, Ravangla, Namchi in Sikkim. We went there on 15th March 2019 and enjoyed 5 to 6 days there, the last day was heart breaking as we had to leave sikkim. I enjoyed a lot.

**CULTURE AND LANGUAGE OF SIKKIM**

Sikkim is brother of the seven sisters. It has the highest mountain peak, khangchendzonga. Sikkim is a multilingual-state , where people of many communities reside peacefully. Nepali can be pointed as the most spoken language here. There are numerous local dialects as well. Out of these dialects, Tibetan, Bhutia and Lepcha languages are significant. English is used specially for official matters. Hindi is spoken and understood by the maximum number of people. The people of Sikkim consist of three ethnic groups - lepcha, bhutia and Nepali. Sikkim consists a homogenous blend of communities which makes it different from other States. We went to many places in Sikkim like jalpaigiri, jorethang, Pelling, yuksom, tashiding, M.G market and Gangtok. Firstly we stayed in jorethang and next day we travelled to skywalk and khechuperi lake in Pelling. We experienced that both places are very peaceful and exotic. Skywalk have a speciality that it has a mirror bridge which seems unique in its own way. Next we went to yuksom in a government school . The school personals completely left us amazed. Lastly the manchi char dham - Badrinath, kaidamath, jagarnath and Rameshwarm under the one roof in siddheshwarm dham in Sikkim touched me a lot. This is the most enriching experience because India is the only place where we feel positive power of spirituality. I must say all these places are wonderful and Sikkim is a beautiful exotic place.

**Sikkim- India's first fully organic state**

It is often said that good things come in small packages and Sikkim is one of them. Small in size but big in offerings. It is blessed with a natural bounty of flora and fauna. Beautiful valleys, high mountains, lush greenery and PEACEFUL environment. We went there on 15th March, 2019. I observed the simple living of people. The use of natural resources like BAMBOO is in plenty. Some dustbins were made by using

bamboo. Even the covering of water bottle was made with paper that was renewable and can be torn easily. The people of Sikkim somewhere lead a hard life 'vis' a 'vis' our lives in plains . There are three major communities - Lepchas, Bhutias and Nepalesewho reside PEACEFULLY in small territory of Sikkim. Buddhism is the main religion that is followed by the people there. Even with the presence of a number of communities in one place, there has never been any communal violence in the state. The people of sikkim are extremely warm and friendly in hospitality of the tourists. We went to various monasteries of Sikkim like PEMAYANGTSE GOMPA established by LAMA LHATSUN CHEMPO for the ' purest of monks'. ENCHEY MONASTERY houses attractive statues of GURU PADMASAMBHAVA and a 'zang- thok-palri' that is the celestial place of the GURU.

We also visited KHECHEOPALRI lake. The Lake is easy to spot with its colourful display of prayer flags swaying in the cool breeze and hundreds of prayer wheels chime harmoniously at its entrance bridge. For those wishing to stay near the lake, there are numerous well- kept lodges available around at rock bottom rates. It was such a wonderful trip to Sikkim. There is no gender discrimination there. Girls are even more safe there than in Delhi. The people of sikkim respect each and every person and protect the nature and environment they live in. My experience to Sikkim for 5 to 6 days was an enjoyable one indeed

*By- Rupal Dabhas*

Sikkim is a place where we can see or explore Northeastern culture. Most of Sikkim population includes Nepalese. There, people are very warm hearted, kind and welcoming in nature. Sikkim is also greenest state in all over India. 90 percent of Sikkim land is covered with trees.

We went to Sikkim for 6 days. I explore there a lot and learnt many things from Sikkimese which all Delhities should learn from them. I enjoyed a lot and explored many things such as Sikkimese use bamboo to make baskets and use them as

dustbin on highways. Also at M.G. Road I noticed that every shop had two types of dustbin recyclable and non- recyclable. I noticed that after 7o' clock there were police rounds for the protection of the citizen. I also noticed that there were flags at the side of the road and people believe that these flags bring peace to their lives. I ate Momos of M.G. Road and those were way different from what we eat in Delhi. People of Sikkim are warm, affectionate, loving, kind and they speak either Sikkimes, Nepali language or English. I love this city, its nature, fresh air which we don't have in Delhi, warm- hearted people. One should visit Sikkim once in their life.

This was my second experience to visit Sikkim under cultural exchange programme 'EK BHARAT SHRESHTA BHARAT.' It was the great learning for me about their culture, language, religion, festivals, food, lifestyle every thing. The people of Sikkim are polite and disciplined. I experienced all the places peaceful and exotic. Skywalk has a mirror bridge which seems unique in its own way. visited Yuksom government school The school personals completely left us enchanted. Monestries also has unique cultural and decent atmosphere.

White House flower show exhibition and Tashi view point in Gangtok also fascinated me a lot. This is the most enriching experience because India is the only place where we feel positive power of spirituality. I must say all these places are wonderful and Sikkim is a beautiful exotic place .We celebrated Holi with my teachers and friends that was my best Holi celebration in Sikkim. My best and memorable trip which I will always miss and all enjoyable moments with my teachers and friends. Thank you

2020-21

Celebrations in the year 2020 seems like an irony: we are all locked into our homes, we have not met our near and dear ones since past few months and many of us have experienced loses that words cannot do justice. The very joy of being out, in the open, free as a bird, this year it seems to be a privilege that humans do not have.

While the covid 19 lockdown may have taken away our older freedoms from us, it has helped us understand newer perspectives of being free. Freedom from wants over needs; freedom to go within ourselves; to discover long forgotten interests; the freedom to be with our closest ones and freedom to find values in present.

It is with this understanding that we celebrated cultural events this year. We wish for a world that is free from greed, illness and sorrows, for all generations to come and wishing for inspiration, hope, unity and peace.

**INDEPENDENCE DAY CELEBRATION**

The 74th Independence Day of the nation was celebrated in the virtual mode by Aditi Mahavidyalaya with immense gusto and enthusiasm. The celebration received an overwhelming response from the staff and students alike. The patriotic fervour was set by a *Kavi Sammelan* by distinguished poets - Sh.Jai Singh Arya of Sahitya Parishad, Sh. To add further zeal to the event the dynamic speech by the Principal Prof. Mamta Sharma followed by the pledge for being VOCAL FOR LOCAL, set the mood rolling for exceptionally beautiful and soulful performances by the students. Prof. Sharma made the celebration lively by sharing lesser-known facts associated with the

independence of India. The rendition of the National Anthem coupled with self-composed poems, speech, dance performances and posters by students on the theme of patriotism and Students participated in the various activities such as Speech, Poem, Dance and Poster making.

The programme to reach its successful completion, much credit goes to the wonderful sync between the hosts and organizers Ms. Neerja Nagpal and Dr. Manisha Wadhwa of the cultural committee and Dr. Baldev Gulati, NSS Coordinator of the college.

## **Action Taken Report of the Programme on 75<sup>th</sup> Independence Day Celebrations**

**On Aug 15, 2021**

### **Summary:**

#### **Flag Hoisting in the College Campus**

Aditi Mahavidyalaya celebrated 75th Independence Day, Aazadi ka Amrut Mahotsav with a series of activities. The program began with Flag hoisting by Principal Prof Mamta Sharma followed by Rashtra Gaan on the college premises. In this physical offline event selected members from teaching and non-teaching staff were present, following social distancing and covid protocols. Flag hoisting was followed by a plantation drive by the Garden Committee of the college. About select 50 people participated in the programme including teachers, non-teaching staff and students.

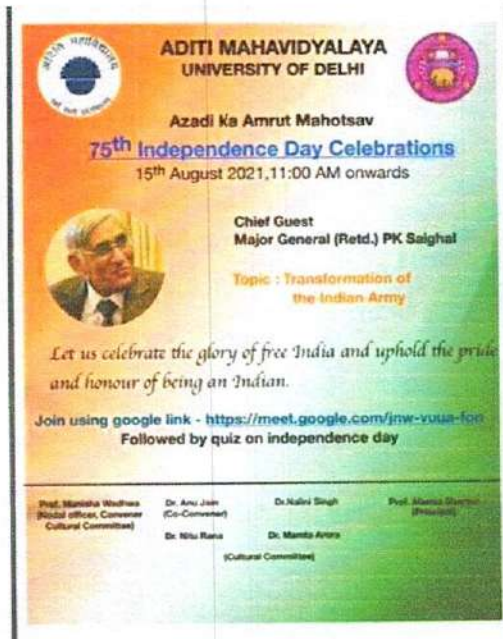

#### **Webinar:**

Retired colleagues were invited to plant trees. It was followed by an online webinar. Maj Gen Pramod Saighal was the speaker at the event. He described various combat missions of the Indian armed forces and highlighted their achievements. He discussed the life of a soldier is not a job but service, love, and passion for the country.

During interaction with students, she motivated girls to join forces and also discussed in detail about the possible opportunities for them. The results of competitions organized under Azadi ka Amrut Mahotsav were announced (Enclosed herewith). The program ended with a multilingual song prepared by students on patriotism. The song was sung in Hindi, Punjabi, Uttarakhand, Bangla, Sikkimese, and Sanskrit. It is a tribute to our soldiers and their service to the nation. It was followed by a quiz on India's Independence.

**Suggestion for the Improvement:** 100 participants were present in the webinar on the occasion of the Independence Day. The capacity of the Google meet is 100, that why more number of participants were not able to join. It was suggested that college should take membership of Zoom or any other virtual platform with capacity of 500 so that more number of participants can benefit from the organization of such events. Secondly events like this should be Facebook like or YouTube like, which will benefit

others. Events like this should reach to more number of Students across the discipline in the College. Initiatives should be taken at classroom level towards motivating maximum students for participation in the Heritage Week.

# REPORT ON CELEBRATION OF REPUBLIC DAY

Like every year, this year too, all the students and faculty members of our college successfully organized a grand event on the occasion of REPUBLIC DAY. Although it was virtual but was memorable enough. Everyone was feeling very happy that day because it was a matter of great pride for all of us because on 26 January 1950 the constitution of India came into force and our country, India became a republic. For this event we invited two most intellectual personalities. First we had Surbhi Sharma, a renowned name in the field of Media and Journalism. Currently she is associated with India's most popular news channel INDIA TV. In the event her topic was WOMEN EMPOWERMENT. And secondly we had Prof. Niranjana Kumar who enlightened us with his immense knowledge as his topic was DU's Undergraduate Curriculum Framework 2022 and Future Education.

The program was started with national anthem at 12:00 noon.

Then there were opening words from Manisha Wadhwa Ma'am, who is also the convener culture
