WHAT IS YOUR SUPERPOWER?

The conducted study attempted to understand street harassment experienced by young women in many states across the country and worldwide. The interactive session was conducted with more than 70 girls between the ages of 18 to 22 years to understand the nature of harassment they faced, its perceived consequences, their ways of coping with it, and the changes they felt were needed for them to feel safer. Findings revealed that harassment occurred most often in crowded spots and in broad daylight. High levels of harassment were attributed to factors like prevalent attitudes toward women and weak implementation of laws.

The screenshot shows a Zoom meeting interface. The main screen displays a presentation titled "WHAT IS YOUR SUPERPOWER?" with five strategies for dealing with harassment:

- DISTRACT**: Pretend to be friends, ask for the time or make a commotion, be creative. (Icon: starburst)
- DELEGATE**: Find someone else better equipped to deal with it and ask them to intervene. (Icon: hand pointing)
- DOCUMENT**: Write down or video the harassment and give the it to the person who was harassed. (Icon: camera)
- DELAY**: Comfort the harassed person after, acknowledge the behavior was wrong, be a friend. (Icon: thumbs up with "OK?" text)
- DIRECT**: As a last resort, set a boundary directly, but don't get into a back and forth or escalate the situation. (Icon: speech bubble with "..." text)

Below the presentation, a row of participant video thumbnails is visible, including Biama Javed, Sorali Chawhan, Anjali 1421, mahak Soni 1095, Anushka Verma 1..., 57 others, and You. The bottom status bar shows the time 12:52 and the user vpp-mqyn-smi.
