About the IQAC: Aditi Mahavidyalaya

IQAC or the internal Quality Assurance Cell has been proposed as an essential quality sustenance measure by every institution seeking accreditation by NAAC. IQAC aims to be a tool of performance evaluation and quality enhancement and assessment which constitute the benchmark of academic excellence. The framework of IQAC at Aditi Mahavidyalaya aims to make significant contribution to the growth and sustenance of the institution by working consciously and consistently towards quality up gradation of the institution as a centre for higher learning. The IQAC at Aditi will keep its focus on the stakeholder i.e. the staff both teaching and non teaching students, management, alumni as well as parents and channelize their combined efforts towards realization of its goal i.e. Quality Enhancement.

Vision

Setting standards for academic excellence, holistic development and ultimate quality creation and enhancement.

Mission

Including Best Practices and Innovation thinking in a research oriented dynamic environment for its entire stakeholders.

Objectives of IQAC

- To act as a catalyst of change and development for the institution.
- To initiate the concept of Best Practices and Innovative thinking in the institution.
- To act as a facilitator for policy implementation and quality enhancement.
- To synergize and integrate the efforts of the management, staff and students so as to achieve highest standard of excellence.
- Integration of the best academic with extra-curricular activities and extension of community service activities.
- Maximize ICT in every sphere of Institutional Development.

Message from the Chairperson

Dear faculty & non faculty members, and my dear students,

Greetings of the day!

We have gathered on this platform to witness the progress our college has attained during the forgoing academic year 2020-2021. Today, in light of the worst survival crisis ever faced in human history that is being braced by the world, I would like to put focus on how to make progress happen amid this testing time not just in the forthcoming year, but also in the years to come. Someone rightly once said that *'the attitudes & choices you make today build the houses that you live in tomorrow'*. The grave situation our world is in at present due to the COVID-19 pandemic, downtown is real and it has become individual responsibility of each person & organization to take serious, corrective actions on their part so as to make this planet safe and secure. I take pride to say that our entire Aditi family inclusive of teaching staff members, non-teaching staff members and students have come together and helped each other nurture & grow at these turbulent times, strengthening the existing bond of mutual trust & respect. I am glad to say that with changed academic and administrative work cultures to online mode, everyone is contributing to their maximum to uphold the academic competency and efficiency that has always defined our campus environmental structure. At our college, we seek to achieve holistic development of students which not only prepares them for economic & professional prosperity, but also teaches them how to live a happy & contented life while facing life's challenges. Past year has been no exception to the same, as we witnessed our college growing from pillar to pillar with students and staff members actively engaged in organizing and participating in numerous national & international conferences, cultural exchange, community development programmes and other activities which extend beyond academics. Similar accolades were achieved in co scholastic activities like sports & theatre as well. I am sure that with undaunted efforts and spirit of the staff and students, our college will continue to grow and shine bringing a hope to many who look up to us for nurturing their untapped potential. In final words, I wish safety, health and abundance for all.

Thank You

Chairperson

Message from the Principal

Aditi Mahavidyalaya, the only institution of higher learning catering to a cluster of 52 villages of North West Delhi began its journey in the year 1994 with a vision to reach out to thousands of first generation learners in one of the most underdeveloped regions of Delhi. Over the last 25 years the College has not just set a high standard in academic excellence for itself but also carved out a niche for itself in the arena of extracurricular activities - cultural performance, social responsibility and sports. It's heartening to see the way the college has progressed over the years to be recognized as one of the sought after institutions in University of Delhi.

Aditi Mahavidyalaya is playing a pivotal role in educating young minds in a vibrant and disciplined environment. As an institution we have always been driven by the objective of holistic development of students - physical, intellectual and moral. We have an unwavering focus on innovative and research oriented activities to nurture academic rigor and critical thinking amongst students and teachers.

Faculty members are working relentlessly to raise the bar in pedagogy and academics by regularly participating in seminars, symposiums and workshops organized at the national and international level. All academic Departments in the College also conduct enriching national and international seminars and workshops on various topics relevant to overall development of all stakeholders. The faculty members are regularly undertaking research projects funded by UGC and MHRD and getting recognized for the same both at the State and National level.

Our students remain at the heart of everything we do. On their part the students too exhibit exemplary spirit and energy actively participating in various cultural exchange programs and extension and outreach activities. The latest extension activity under which the college adopted the Shahbad Dairy Village was widely applauded by the Government. The campus placement cell has been doing a stellar job regularly conducting placement drives in the college helping many students get absorbed in reputed organizations.

Another key pillar sustaining the smooth functioning of the college is the administrative department, which is helping every other stakeholder focus on their function without getting distracted by the day to day challenges. My sincere thanks to all the Chairpersons Governing Bodies and members from time to time for their continuous support.

I have been fortunate to be leading Aditi Mahavidyalaya over the last several years and aim to actively engage with all stakeholders in our collective pursuit of making Aditi one of the most sought after colleges in Delhi. I take this opportunity to thank each and every member of the IQAC for their hard work and perseverance in putting up the current Report

Department of HDFF

A Certificate Course on Decoding Disabilities in Children was conducted during February-March 2021. It was a collaborative initiative of HDFF Departments of Aditi Mahavidyalaya and Janki Devi Memorial College. The objective was to sensitize students and faculty involved in similar UG programmes on issues related to disability and inclusion. Resource persons were rehabilitation professionals, medical experts, academicians, parents, research scholars and all those actively involved with these concerns. The different lectures covered topics ranging from understanding the diverse needs of children with disabilities, reimagining disability, educational provisions, capacity building, understanding lived experiences and role of family and community in bringing about a change. The deliberations not only improved the knowledge base of our students but also helped them to understand and deliberate upon the deep seeded issues. A webinar on "POCSO 2012 Act" was organized on 02nd September, 2020 where speaker was Ms. Ratna Saxena. Insightful thoughts and facts on this sensitive issue by one of the most illumined mind in the field held the audience captive. It generated a lot of discussion and went a long way in sensitising young minds. Looking at the growing rate of child abuses in India, Department also organized a webinar on "Child abuse" on 25th August, 2020 via Google meet.

अदिति कॉलेज में सबका साथ-सबका विकास पर राष्ट्रीय कॉन्फ्रेंस

संवाददाता (दिल्ली)। दिल्ली विश्वविद्यालय के अदिति महाविद्यालय ने विश्वविद्यालय अनुदान आयोग (यूजीसी) के संयुक्त तत्वावधान में एक राष्ट्रीय कॉन्फ्रेंस का आयोजन किया। इस कॉन्फ्रेंस के विषय का मूल उद्देश्य सबका साथ-सबका विकास था। कॉन्फ्रेंस में राष्ट्रीय अनुसूचित जाति आयोग के चेयरमैन विजय सांप्ला मुख्य अतिथि के तौर पर मौजूद थे। उनके साथ होम साइंस विभाग की प्रो. अनुपा सिंह, इंग्लिश विभाग के प्रो. अनिल कुमार अनेजा और कॉलेज की प्रिंसिपल प्रो. ममता शर्मा भी मौजूद थीं। कॉन्फ्रेंस में विभिन्न विषय विशेषज्ञों द्वारा पेपर प्रस्तुतीकरण किया गया जिसमें मुख्य रूप से महिला सशक्तिकरण, वर्चुअल और ऑनलाइन माध्यम के कारण होने वाली

स्वास्थ्य संबंधी समस्याओं, हिंदी साहित्य में दिव्यांगों की परेशनियाँ, स्ट्रेस मैनेजमेंट आदि विषयों पर गम्भीरता व विस्तार से चर्चा हुई। कॉन्फ्रेंस में बहुत से सकारात्मक पक्ष निकल कर सामने आए जो निश्चित रूप से बेहतर समाज और बेहतर भविष्य के लिए कारगर सिद्ध होंगे। नई शिक्षा नीति प्रत्यक्ष प्रमाण है कि कोई व्यक्ति, कोई वर्ग, अवसरों से वंचित न रहे। यही प्रयास जरूरी है। कोविड के बाद हम बेहतर विश्व का निर्माण कैसे कर सकते हैं। महामारी से जो सबसे खतरनाक सबक मिला है वो यही है कि मनवाधिकारों का सम्मान करना किसी भी देश की सेहत दुरुस्त करने की सबसे अच्छी नीति है और इसी से यह तय होता है कि हम एक स्वस्थ समाज में रहते हैं या बीमार

समाज में। इस महामारी में विश्व अर्थव्यवस्था पर असर और उसमें सुधार के बीच फर्क साफ दिखता है। इस महामारी ने भयंकर संकट पैदा किए हैं तो साथ ही साथ नए अवसर भी प्राप्त हुए हैं। दुनिया भर के लोग अब इस बात को ले कर भी फ़िक्रमंद हैं कि कोविड के बाद की दुनिया कैसी होगी? न्यू नॉर्मल क्या होगा साथ ही साथ कोविड ने हमें यही सबक भी दिया है कि समाज के कमजोर तबके के सामने जो जोखिम हैं उनकी अनदेखी नहीं की जा सकती, स्वास्थ्य व अन्य सेवाएँ सबके लिए हैं किसी एक के लिए नहीं। न्यू नॉर्मल में सबसे अधिक आवश्यकता इस बात की होगी कि हम कैसे समाज में सकारात्मक सोच को बढ़ावा दें।

NEW INITIATIVES

THE VIDYA VISTAR SCHEME

Aditi Mahavidyalaya is excited to be part of the V2 Scheme which entails sharing of resources and expertise through innovation, experimentation and experience. Meticulous plans have been proposed to further the cause of cooperation amongst colleges through knowledge sharing. The college identified is located in remote, tribal and rural interiors of Central India. Thereby necessitating help and resource sharing from urban centres to rural areas. A dynamic team at Aditi under the mentorship of the Principal Prof Mamta Sharma is getting ready the blueprint to launch this noble

initiative of the University of Delhi. Vidya Vistar Scheme of University of Delhi is an initiative to maximize contribution of higher educational institutions to nation building through optimum utilization of existing resources and potential. India's dream to be a global superpower in the coming decades depends primarily on enhancing the skills of its human resources to meet global demands and increasing innovations and start-ups to fuel the economy. The roles that the universities, colleges and other educational institutions have to play is crucial in this context. Alone, each University/institution will require investment of considerable amount of its resources for these activities. However, being a developing country, it would be in the best interest to maximise the utilization of existing resources available with the Universities/academic institutions by sharing the same, through academic collaboration and cooperation

UNIVERSITY OF DELHI

amongst them, for augmenting the human resources. The Vidya Vistar Scheme is based on the principle of mutual respect, cooperation and sharing between two Colleges/Departments of both the universities as equal partners.

UDAAN project -A project of people for Nation

Aditi mahavidyalaya is happy to collaborate with UDAAN (Unfolding drama and acts to awaken nation) . It is a platform for youth engaged in various mediums of creative expression. They are established bas one of the biggest youth platform of its kind in Delhi NCR and have created ripples in art and culture circles in the country through these years .

Mission for the future

- The team is busy preparing the AQAR for current session and work has been delegated amongst all members to ensure that no activities have been left out.
- The IQAC team is coordinating with **Talking Yak** which is English speaking online platform to facilitate English language learning skills for the students of our college.
- Efforts are also being made to ensure bar coding is done in the college for the PWD category to facilitate their easy movement in the Campus through QR Scanning.
- IQAC also plans to organize workshops for non-teaching staff to address their day to day problems in handling technology.
- The team is actively geared up to follow up on promotions from stage 1 to stage 2 . We are not lagging behind in any way where the promotions are concerned. For most departments the process has already been completed for at least one stage for every applicant and the entire procedure of stage one would be completed by 30th December. The principal has already invited applications for second stage of promotions and the last date of which is 28th of December 2020.

Most of them are already been accomplished for the screening stage. Interview process is likely to start soon and the college would not be lagging behind in any way in facilitating the process for teachers.

The IQAC continues its endeavors to reach better heights. and we look forward to a very fruitful year ahead with lots of activities and achievements to our credit.
