Sub: Update on Access Audit progress at Aditi College

Dear Madam,

I hope this email finds you well. I am writing to provide an update on the Access Audit of Aditi College conducted by the Association for Disabled People. Our organization takes great pride in being an active participant in the Accessible India Campaign and being an empaneled organisation under AIC.

As per our previous correspondence, we successfully conducted a pre-access audit of Aditi College in 2022 as part of the Accessible India Campaign. Our dedicated team worked diligently to assess the accessibility aspects of the college's facilities and submitted the comprehensive access audit report on 22nd October 2022.

I am pleased to inform you that last week our audit team revisited Aditi College to review the progress made in implementing the recommendations outlined in the access audit report. We were delighted to observe that approximately 90% of the civil work related to accessibility has been completed, which demonstrates the college's strong commitment to creating an inclusive environment for all.

The efforts made thus far are highly commendable, and we sincerely appreciate the college's dedication towards enhancing accessibility for students with disabilities. While we acknowledge the significant progress achieved, we kindly request that the remaining 10% of the recommended work be expedited and completed at the earliest convenience.

We are confident that Aditi College's continued efforts will lead to a more inclusive and accessible environment, fostering an atmosphere of diversity and equality. The Association for Disabled People remains committed to supporting and collaborating with Aditi College in its ongoing accessibility initiatives.

Should you have any questions or require further information, please do not hesitate to reach out to us. We value our partnership with Aditi College and look forward to the continued success of our shared mission in promoting accessibility and inclusivity.

Thank you for your attention to this matter.

Yours sincerely,

Pradeep Raj

(General Secretary)
