Pro-Teacher Fellowship Program | Final Results

HR Team Jun 2

Dear Harpriya,

Thank you for your patience during the selection process. We received a heart-warming number of applications from all over the country from talented student-teachers like you. With each high-quality candidate we interviewed, we knew the decision was going to be hard. After serious deliberation, we have selected our paid fellows.

However, a few remarkable candidates like you narrowly missed the cut. We are a new organization and like all new organizations, have budget constraints. So, while we cannot add more paid fellowship seats, we would love for you to be a part of the program. We are extending an offer to you to join the program without a stipend. In case you accept the offer, you would receive the same inputs, a certificate, and a letter of recommendation at the successful completion of the program. During the fellowship, you will also have access to the AI tool for classroom management, which would help you hone your classroom management skills.

Please convey to us your decision by 5 pm on the 8th of June 2021. If we do not receive any communication from you by then, we would consider it as a declination and will withdraw this fellowship offer.

Irrespective of the decision you take, we hope to stay in touch with you and encourage you to keep an eye on our future programs and offerings.

Should you have questions, please reach out to us on the same email ID.

Best wishes,

TONORPOWERSITY FOUNDATION
