## **Inter-disciplinary Lecture Series on "Gender, Health and Legal Issues in Women's Lives" on 23-25-Oct-2018**

Aditi Mahavidyalaya is relentlessly working for the education and empowerment of girls. We aim for optimal growth and cognitive development and thus strive to dispense holistic education and awareness. The objective is to expand their growth potentialities, and unfold multiple learning opportunities via workshops and stimulating and thought-provoking lectures and training programs.

Youth who are about to enter into motherhood, workforce, and other challenging roles, ought to comprehend state-of-the-art health practices, the importance of children's and mothers' well-being, social and intellectual paradigms of gender-inclusive of construction and ken of constraints; its helpful and not so helpful stereotypes; gender and family; gender-fluidity; transsexualism -- as well as the traps of domestic violence, sexual harassment, the threat of human trafficking and feminist legalese. Consequent enablement and empowerment could help them to counter and resist crime and exploitation if any. We need to enhance their existing set of skills to the next level to enable them to perform their future roles efficiently and effectively.

With the above perspective in mind, a group of teachers from diverse academic backgrounds and committees like English, Home Science (HDFE), Medical, Cultural N.S.S. Committees of Aditi Mahavidyalaya decides to organize a four day, '**Inter-Disciplinary Lecture cum Training Series**' on "**Gender, Legal and Health Issues in Women's Lives**" with the goal of preparing them for their successful transition into the world, the world of work and its challenges. The Series attaches special importance to discourse on North East Region. The sessions have been planned accordingly.

Please find attached the detailed programme schedule of the above Lecture cum Training Series.

## Extensive Lecture Series Committee

The Extensive lecture series committee of the college has organized two workshops in 2018-19. Students were highly satisfied with both workshops and were also asked about their experiences, inputs and suggestions through feedback forms in each workshop.

### **Young Adulthood: Handling Relationships in Society**

The workshop was organized on 09<sup>th</sup> August, 2018. The session offered valuable insight to the students about the day to day challenges faced by them with regard to their handling of relationships in society. The resource person Dr. Vichitra Dargan Anand - an eminent psychologist talked at length about nurturing the art of building healthy relations not only with others but also with one's own self. The session was made lively with role play and handouts that kept the audience engaged and interested. The session offered a platform to the students to share their anxieties and concerns faced in young adulthood and how to resolve conflicts situations generated by peer and parental pressure. The Principal Dr. Mamta Sharma shared valuable observations and engaged with the students at a personal level.

## Extensive Lecture Series Committee

This workshop was organized in association with commerce department on 13<sup>th</sup> February, 2019. G.S.T., an indirect tax has been implemented in India since 1<sup>st</sup> July, 2017. It is levied on the supply of goods and services and replaced existing multiple flowing taxes such as central excise duty, services tax, additional customs duty, surcharges, octroi etc. levied by the central and state governments. It is imposed at variable rates on variable items.

The resource person- Mr. Ankur Jain, faculty of Times Education started session with the comparisons on pre and post G.S.T. era. He talked about the major advantage of implementing G.S.T. i.e., the positive impact it has on the nation and how it helped in abolishing corruption and black money problem. Also, he told students about how to make first mover advantage and how G.S.T. can become an opportunity for future success.

The impact of G.S.T. professionally and personally was also discussed during the session. The lecture was interactive and students were highly satisfied. The Principal, Dr. Mamta Sharma, T.I.C. of Commerce Department- Dr. Nitu Dabas and Convener of Extensive Lecture Series Committee -Dr. Rajeev Kaur graced the event with their presence and motivated the students.
