The Department of Psychology of Aditi Mahavidyalaya, University of Delhi organized various interactive workshops and webinars in the year 2021-22 in the web-based mode amidst pandemic. The onset of the academic year 2021-22 was embarked by our very first event conducted by the department on "Stand up against Street Harassment" on 13th of August, 2021. Women are being subjected to discrimination and violence at home, in public spaces as well as the workplace, so for disseminating knowledge to our students for how to take up such situations, a one-day training session was held. The session was led by Ms. Bisma Javed who is the lead trainer for "Breakthrough India". It was organized in partnership with Hollaback Foundation and LOreal Parison as Prof. Priya Kanwar being the Organizer of the webinar and Dr.RituShrama as the Co-Convener. The training was found to be very effective as participants learned about the importance and powers of 5Ds: Distract, Delegate, Document, Direct and Delay. The program was designed to encourage people to break the silence and intervene in
