You are expected to be courteous and polite in all your dealings with everyone. It is also important that you express your point of view freely and without fear. Remember to be assertive, not aggressive. You are expected to compete with your greatest competitor. Yourself.

You are expected to work as per the Rules and Regulations of the Company with proper decorum, enthusiasm, and positive attitude. There should be no reason for you to involve yourself in any sort of conflict with any individual within or outside Arc Math. While your work will be mainly in the domain of what was intimated to you, it is reasonable to expect that you carry out all tasks your supervising officer or any other employee at Arc Math gives you. Even if some tasks seem mundane and/or uninteresting you must understand its importance and carry out the task with elegance and class.

Your reporting officers at Arc Math will be on their best behavior as well! We promise that any termination of your job from our side will never be unreasonable or unjust! We will try our best to make your engagement with us as much fun for you as possible! We will try our best to not make you workaholics although there are no guarantees in this regard! We promise to be honest and caring in all our dealings with you!!!

Working Hours and Salary

The Company shall require you to come to the office 5 days a week. You are entitled to two off days in a week. For now, you will have Sunday and Monday as off days which is subject to change as per the company requirements. The usual timings are from 10:00 am to 6:30 pm. The exact number of days and working hours would depend on the state and progress of projects. It may also vary in case of emergency situations. While such situations are rare, you are expected to be professional enough to carry out these tasks as per our requirements, keeping in mind the well-being of the Company. The salary will be Rs. 20,000 per month till the probation period. After completing the probation period your salary will be Rs. 25,000 per month.

Leaves and Holidays

You Shall be entitled for Casual leaves, sick leave and Holidays in accordance with the provisions of the Leaves and Holidays Rules policies of the Arc Math.

Conditions Regarding Suspension, Termination and Notice Period

1) Suspension

If you are accused of misconduct, you shall be liable to be suspended from service pending or in contemplation of enquiry. During the first 60 days of suspension period, you shall be entitled only to a Subsistence Allowance at the rate of 50% of your basic Salary to which you were entitled immediately preceding your suspension.

If you are found guilty of any charge of misconduct, you shall be deemed to be absent during the suspension period and not be entitled to any salary.

In the enquiry, you may bring only a co-employee (who is not accused of similar charges or suspended) to represent or assist you. As such, you shall not be entitled to bring any outsider to represent or assist you in such enquiry.

2) Termination and Notice Period

a) If during, or on the expiry of the probation period the Management finds your performance to be unsatisfactory or that you lack the aptitude for the job or that you are not suitable for the job, or the like, your probationary employment would be liable to be terminated.

b) You cannot leave the organization before June, 2022. After that you have to give 2 month notice period if you are willing to resign.

c) Your resignation shall become effective as soon as the Management accepts it.

d) The absence for a continuous period of eight days (without inform) and any unauthorized over stay for a period of eight days, would make you lose your lien in the service. By remaining absent unauthorized for such period of eight days, you will be treated to have voluntarily abandoned your service and your lien in service will automatically stand terminated.

You will not reveal the above said particulars to any individual/agency/organization by word of mouth, written /verbal/electronic communication or otherwise without prior written permission from your supervising officer at Addmath Research Centre Pvt. Ltd.

Intellectual Property

As mentioned above, Arc Math constantly works to solve problems that were thought to be unsolvable. It is frequent that during your engagement with the Company you will come across new Discoveries, Inventions etc. You must understand that you are part of the Arc Math family. From the very need to invent something to resources in terms of finance and/or contacts and/or personnel would have been provided by Arc Math for your invention/discovery to be a success.

While no praise or deserving credit would be withheld both, within Arc Math or outside you agree that all proprietary rights title and interests in any and all intellectual properties, such as ideas, inventions, discoveries, designs or works which are conceived, developed or prepared by you during your engagement with the Company shall vest with the Company absolutely.

Further, Addmath Research Centre Pvt. Ltd. may make exceptions to the above rule at its own discretion and a joint rights title and/or interest may be filed with you and the Company or any other individual the company reasonably nominates. Please note that such a decision will be taken by the Board and will stand as final and binding.

Any personal research and/or work and/or pursuit of ideas during the time period of engagement with the Company must be informed to the Board before any such personal work is undertaken. Arc Math would be happy to know and even invest in your personal pursuits of excellence.
