Aditi Mahavidyalaya Library Committee initiated the Graduate Research Seminar GRADS 2023 at the Library Festival on April 26.

29 papers, including papers from other universities, were received from different colleges and departments at Delhi University, which was a resounding response. Graduate and postgraduate students read papers on a range of topics, including tourism, women and violence, women and personal hygiene, acceptance of third gender, classroom teaching and learning, curriculum and texts, adolescent issues, mental health, entrepreneurial mindsets, and privileges etc.

The data gathered from the fields was presented in the majority of the studies. Over 100 attendees, 39 presenters (including group paper presentations), and 7 faculty mentors along with the IQAC convener, Nodal officer G20 Presidency, and the Principal grace the occasion with their presence. In order to facilitate a dialogue, each group (4 parallel sessions) had a teacher mentor/s.

This seminar was an opportunity for graduate students to present their research and use the space for critical and reflective discussion of their research with other researchers and mentors.

The Medical Committee and Swachh Bharat Committee of the college jointly organised an awareness session on Menstrual Hygiene by renowned speaker, Ms. Ankita Sukhwad, CSR Executive on **20th September 2022**. All the students from various departments were a part of this elucidative program. There were more than 100 participants who attended this offline session.

Ms. Ankita Sukhwad started the Awareness session on Menstrual Hygiene. She reflected her profound knowledge on the topic and highlighted how important it is to understand the psychology of every girl during her period days. Menstrual hygiene is fundamental to the dignity and wellbeing of women and girls and an important part of basic hygiene, sanitation and reproductive health services for which every woman and girl has a right. However, menstruation is too often seen as a taboo, with many negative cultural attitudes associated with it, including the idea that menstruating women and girls are ‘contaminated’, ‘dirty’ and ‘impure’. All the students were very attentive and eagerly listened to the session and also put up their queries. At the end, all the participants received free samples of sanitary napkins by Ms. Ankita Sukhwad. The informative seminar culminated with a vote of thanks proposed by Ms. Snehal Jain, student coordinator.

The course has been designed keeping in view the industry requirement of skilled professionals, to train the students who are looking for career as yoga teacher, personal trainer, gym trainer, group fitness instructor, nutrition counselor. The certification will be jointly done by Navyoga Suryodaya Sewa Samiti & Aditi College, University of Delhi. The Department of Commerce of Aditi Mahavidyalaya in collaboration with AV Financial Experts Network Private Limited (FinX) organized an online orientation session of “Chartered Financial Expert” by a renowned personality Ms. Nisha Shah (Coordinator from FinX) on **28th October, 2022**. The session highlights the framework of course that consisted of **three segments: Technical, Behavioral & Selling of Financial Products and Services**. It also prepares students for the NISM VA certification examination. It was informed that the instructor-led live sessions, lectures by industry experts, case studies, and content on LMS and placement assistance would be organized for the students. The course aimed to acquaint the students with the fundamentals of financial markets and to understand the complexities involved in the world of finance. It was especially designed with a vision to emphasize adherence to excellence and values in the field of capital markets and to equip students with specialized skills needed to excel in the corporate world. The session culminated with a formal vote of thanks proposed by Prof. Bhawna Rajput.
