**ADITI MAHAVIDYALAYA ORGANISED ‘Y20 MODEL UNITED NATIONS (MUN)’ ON ‘CLIMATE CHANGE AND DISASTER RISK REDUCTION- MAKING SUSTAINABILITY A WAY OF LIFE’**

August 22, 2023 - New Delhi, India - Aditi Mahavidyalaya, UNIVERSITY OF DELHI, successfully organised the ‘Y20 Model United Nations (MUN)’ on the pivotal theme of "Climate Change and Disaster Risk Reduction- Making Sustainability a way of Life". The event took place on August 22, 2023, and brought together a diverse group of young leaders, scholars, and professionals to engage in meaningful discussions on global issues. The Y20 MUN, meticulously organized by the college garnered enthusiastic participation from students across various disciplines. The conference provided a unique platform for students to simulate real-world diplomatic negotiations, fostering a deeper understanding of the complexities surrounding climate change and sustainable development management. The event was graced by the esteemed presence of Principal Professor Mamta Sharma, who delivered an insightful inaugural address. Professor Mamta Sharma emphasized the pressing need for collective action to combat climate change and the role of youth in driving sustainable development strategies. Her visionary speech set the tone for the MUN, inspiring participants to actively engage in constructive debates and propose innovative solutions.

A talk and discussion on ‘Semi-conductors in Everyday Life’ was conducted on March 13, 2024. Dr Meetu Luthra, Associate Professor, Physics Department, Bhaskaracharya College of Applied Science, University of Delhi was distinguished the speaker for the event. Dr Meetu Sethi elaborated the journey of invention of the modern semiconductor, by John Bardeen, Walter Brattain, and William Shockley, who developed the first transistor in 1947. Their invention laid the foundation for all modern electronics, making semiconductors essential to the digital age. She discussed different types of semiconductors - classified as intrinsic or extrinsic (n-type and p-type), which are crucial in modern technology. She explained that semiconductors power devices like computers, smartphones, and solar cells by controlling electrical currents. The emphasis on semiconductor manufacturing arises from their role in global tech industries, as they enable innovation and economic growth. The session was followed by Live Screening of the Hon’ble Prime Minister’s address on ‘YouTube Live on @Narendra Modi’.

1. B.El.Ed. Department along with Science Society 2023-24 organized various events during the year 2023-24. A Workshop on Air Quality in collaboration with Lung Care Foundation under the aegis of Delhi Effective Education and Pedagogy Cluster on Jan 11, 2023 in the Reading Hall of the college. Dr Mitali Raja, seand Climate Action, Lung Care Foundation and Dr Anurag Saini from Cluster Innovation Centre were resource persons for the workshop.

2. Celebration of International Day of Women and Girls in Science (as observed by the United Nations) on Feb 11, 2023 was organized with a webinar on the theme. The objective was to promote the full and equal access and participation of Women in Science, Technology, Engineering and Mathematics (STEM). Prof Rambir Singh from the department of Horticulture, Aromatic and Medicinal Plants of the Mizoram Central University and Dr Shilpa Jain from the Department of Chemistry, Shivaji College, University of Delhi were the invited speakers for the event.

3. On Feb 2, 2023 a group of 37 students of B.El.Ed Ist year from the Science Society visited Yamuna Biodiversity Park along with Dr Priya Khurana and Dr Gomti on the occasion of the World Wetlands Day 2023.

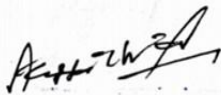

4. Participation in 65<sup>th</sup> Annual Flower Show, University Of Delhi: As a preparation for the event Garden committee 2023-23, Aditi Mahavidyalaya, organised craft based workshops for B.El.Ed. year students on 20<sup>th</sup> and 22<sup>nd</sup> February 2023. During these workshops, our resource person Ms. Harpreet Kaur facilitated students to innovate a wide variety of flower pots and planter pots using readily available material and waste water bottles. It was an enriching experience for students and they all enjoyed enhancing their creative skills. Our students, under the guidance of Garden Committee 2023-24, then participated in Delhi University 65<sup>th</sup> Annual flower show (Pushpotsava 2023) on 2<sup>nd</sup> March 2023, held at Buddha Garden, North Campus to celebrate the centennial blossoming of University of Delhi. Theme for our stall was to promote Sustainable Development Goals as proposed by the G20 Summit. It was done by creating awareness about reusing and recycling waste material such as old plastic bottles, coconut shells, glass bottles etc to be used as flower pots. Those pots were beautified using old clothes, jute threads and motifs, and planters were put for sale. Feedback books were filed by people who visited our stall at the event. They were highly appreciated by esteemed guests for their contribution in promoting sustainable development goals. This participation not only helped students to make eco-friendly material but also built their

## DEPARTMENT OF GEOGRAPHY

The Geographical Society organised an **Annual Inter-college Geo-Fest** on 18th April, 2024 on the theme "**Women at the forefront of climate action**", which was inspired by the UN International themes. It is honoring the priceless efforts of female activists, leaders, scientists, and campaigners who are significantly advancing the cause of combating climate change.

To speak on the theme, a dynamic feminist academician **Prof. Anindita Datta**, Head, Department of Geography, Delhi School of Economics, University of Delhi was invited as resource person. She delivered a talk on the topic “ *Women at the forefront of climate action: Feminist Solidarity, mutual aid and Gendered Possibilities to build back better in crisis and recovery*”. She begins by stating that Disasters are typically perceived as tragedies resulting in the loss of lives and property. However, adding a different perspective to it, she argues that disaster are an ‘window of opportunity’ to build back better that is they present a chance to address pre-existing conditions, such as sex equity. Through the process of recovery and rebuilding after a calamity strike, we can actually create a more utopian and more egalitarian society.

The National Service Scheme, Aditi Mahavidyalaya University of Delhi on 3rd June 2023 celebrates "World Bicycle Day" at 11:30 am with patron principal prof. Mamta Sharma NSS program officer Dr. Mali D Sawariya and 15 NSS volunteers.

World Bicycle Day is an international observance recognised by the United Nations (UN). It is celebrated annually on June 3 to promote the benefits of cycling and raise awareness about the importance of bicycles as a sustainable mode of transportation. The day celebrates the uniqueness, durability, and versatility of the bicycle and promotes it as a simple, sustainable means of transportation. Bicycling is good for physical and mental health, also it is good for the environment and the economy. Volunteers ride bicycles and promote the use of it through the slogan Use bicycles save Environment

Mali Devi Sawariya and Coordinator Voices Society Prof. Sunita Bahmani. President Kirti NSS and President Ms. Kavita . The facilitator of the event, Ms. Shreyanshi(NSS) and the NSS and Voices Society volunteers .

Aditi Mahavidyalaya, University of Delhi, actively participated in the "Swachhata Hi Seva Campaign" by organizing a Cleanliness Drive on October 1, 2023, under the esteemed guidance of Prof. Mamta Sharma, the Principal of the institution, and Dr. Mali D. Sawariya, the Program Officer of NSS.

The primary objective of this event was to contribute to the cleanliness and well-being of our community while promoting the spirit of Swachhata

The Cleanliness Drive began early in the morning with enthusiastic volunteers from Aditi Mahavidyalaya, including NSS members, students, and faculty, coming together to make a positive impact on the environment. The event included the following activities: Campus Cleanup: Volunteers, armed with brooms, dustbins, and gloves, cleaned the campus area, ensuring that it remained litter-free. Street Cleaning: The team extended its efforts to the surrounding streets and public areas, picking up litter and promoting responsible waste disposal. Awareness Campaign: NSS volunteers conducted an awareness campaign during the drive, educating the local community about the importance of cleanliness, proper waste disposal, and environmental conservation.

National Service Scheme, ADITI MAHAVIDYALAYA, UNIVERSITY OF DELHI **Organising Cow Therapy visit** on the occasion of "World habitat and Animal welfare day" on 3 October 2023, under the guidance of Principal Professor Mamta Sharma, Programme Officer Dr. Mali Devi Sawariya, Facilitator of the event Saloni kumari (incharge of persons with differently abled), President of NSS team Kirti and Vice presidents Priyanka pathak & secretary Bhawana along with the active Participation of the Volunteers, Siddhi Jain, saumya pandey, Rukhsar, khushi, Anushka, Shriyanshi. World Habitat and Animal Welfare Day is an annual observance dedicated to raising awareness about the importance of preserving natural habitats and promoting animal welfare worldwide. On this day, various organizations, communities, and individuals come together to highlight the need for conservation efforts, sustainable development, and compassionate treatment of animals. Events may include educational programs, community clean-up initiatives, advocacy campaigns, and fundraising activities aimed at protecting habitats, preventing animal cruelty, and promoting coexistence between humans and wildlife. The day serves as a reminder of our collective responsibility to safeguard the environment and ensure the well-being of all living beings.

The National Service Scheme (NSS) unit at Aditi Mahavidyalaya organized a significant pledge ceremony aimed at eradicating drugs and promoting a healthy lifestyle. The event took place on [Insert Date] and was attended by students, faculty, and staff, with the active participation of our esteemed principal, Prof. Mamta Sharma, NSS volunteers, and the Program Officer of NSS, Ms. Mali Sawariya. Pledge for a Drug-Free Life: The ceremony began with a solemn pledge led by Principal Prof. Mamta Sharma. The attendees, including NSS volunteers and other students, repeated the pledge to renounce drugs and commit to a drug-free life. This symbolic act served as a powerful reminder of the importance of maintaining a clean and healthy lifestyle. Commitment to a Healthy Life: Beyond the pledge against drugs, the event underscored the significance of overall well-being. Participants affirmed their commitment to leading a happy and healthy life, emphasizing the importance of physical and mental health.

ज़िन्दगी को हाँ और नशे को ना कहें शपथ  
Say Yes to Life, No to Drugs Pledge

शपथ पढ़िये | Read Pledge

We realize that drug abuse is increasing in our country, especially among the youth and this is a matter of concern. We pledge that we will cooperate in stopping the drug abuse. We promise that we will not consume any harmful or illegal drugs in any way for any purpose.

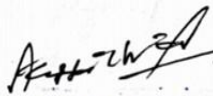

We will create awareness about the ill effects of drug abuse by encouraging every person, especially the youth so that the youth of India can live drug free and they can become creative and important members of the society.

Today we pledge that we will stay away from drugs and live a healthy life.

National service scheme of Aditi mahavidyalaya organised a introductory and awareness session bottles for change initiative by bisleri trust as on 30th october at 11:00 under the guidance of our principal professor mamta sharma,program officer Dr.mali devi sawariya and Our guest sh.mudit(executive CSR) ,kirti(president of NSS )and with active participation of volunteers.Bisleri, a leading brand in the bottled water industry, organized an insightful and engaging event titled "Bottles for Change Awareness Session." The event aimed to create awareness about recycling and responsible disposal of plastic bottles, emphasizing the importance of environmental sustainability.Inspirational speech : sh. mudit delivered inspiring speeches, emphasising the significance of individual and collective efforts in preserving the environment. They shared success stories of communities actively involved in recycling initiatives.Demonstrations: Live demonstrations showcased the transformation of used plastic bottles into reusable products, demonstrating the practical benefits of recycling.Bottles for Change Initiative:Participants were introduced to Bisleri's "Bottles for Change" initiative, which encourages citizens to deposit their used plastic bottles at designated collection points. In return, participants receive incentives, promoting a culture of responsible recycling.

The NSS orientation on October 31st was a resounding success in promoting the spirit of selfless service among students. It provided valuable insights into the NSS program, its ideals, and the positive impact it can have on both individuals and the community. The motto "We serve Not me but you" was reinforced, motivating students to actively participate in NSS activities and make a meaningful difference in society.

This orientation event laid the foundation for a year filled with dedicated service, personal growth, and community engagement through the NSS program.

On December 7, 2023, the National Service Scheme Team (NSS) enthusiastically participated and volunteered in a significant initiative—a free cervical cancer camp. Under the thoughtful guidance of Principal Prof. Mamta Sharma and NSS Program Officer Dr. Mali Devi Sawariya, the NSS team showcased a profound commitment to community health. The primary objectives of the event were to raise awareness, provide screenings, and offer crucial support to individuals at risk of cervical cancer.

This impactful endeavor was organized by the Delhi Commission for Women & Mahila Panchayat in collaboration with the Rajiv Gandhi Cancer Institute and Research Center. The coordination of this multifaceted initiative was skillfully overseen by a dedicated team, including Firdos Mam (Member/Mahila Panchayat Member in charge), Deepika Mam (Program Coordinator), Nusrat Mam (Assistant Program Coordinator), Radhika Mam (Member Office Assistant), and Dr. Indu Agarwal (Rajiv Gandhi Cancer Institute). The Chief Functionary of Mahila Panchayat, Mr. Amit Kumar Arhe, played a crucial role in ensuring the smooth execution of the camp.

The National Service Scheme (NSS) convened a general meeting with the Community Empowerment Trust to address and discuss concerns related to the transgender community. The aim of the meeting was to foster collaboration, share insights, and develop strategies for empowering and supporting transgender individuals. The general meeting proved to be a crucial platform for fostering understanding and collaboration between NSS and the Community Empowerment Trust. By sharing perspectives and resources, both entities aim to contribute significantly to the empowerment and well-being of the transgender community. The commitment to ongoing collaboration and joint initiatives reflects a positive step towards a more inclusive and supportive society.
