

## The Programmes of Disaster Management Cell, Aditi Mahavidyalaya ( 2023-24)

An online training programme on Role of **ROLE OF DISASTER MANAGEMENT PLANS TO ENHANCE THE RESILIENCE OF EDUCATIONAL INSTITUTIONAL BUILDINGS** was organised by Disaster Management Cell in collaboration with Skill Development Cell of the college. National Institute of Disaster Management (NIDM), as the co-partner has borne all the expenditure and facilitated the online platform for participants. More than 200 participants including faculty members, educationist, research scholars, staff members, students, DM professionals (DDMAs) and Practitioners from all over the country attended the training program.

On the first day, the online training programme was inaugurated in virtual presence of Shri Rajendra Ratnoo, Executive Director, NIDM; Shri Sushil Singh, Special CEO, DDMA, Govt. of NCT of Delhi; Prof. Ravinder Kumar, Chairperson of Governing Body of Aditi Mahavidyalaya; and Prof. Mamta Sharma, Principal who have shared their views regarding the issues of disasters in educational institutes. The inauguration was followed by 2 technical sessions, namely, Mainstreaming women in Governance and DRR (SFDRR /international frameworks, PM 10-point Agenda on DRR) by Dr. Anita Bhatnagar Jain, Former Joint Secretary, NDMA Member (Admin), UP Public Services Tribunal, India; and Disaster Management in India and the Importance of DM Plan in an Educational Institution by Dr. Garima Aggarwal, Senior Consultant, NIDM. On the 2<sup>nd</sup> day, there were two technical sessions. The first session was on Fire Risk Mitigation in Educational Buildings- challenges & Recommendations by Sh. R C Sharma, Ex. Director, Delhi Fire Services ; and the second session was on HRVA, Structural and Non-structural Safety in educational institute, by Dr. Ashish Panda , Director, Mission Life, NITI Aayog. Likewise, two technical sessions were conducted on 3<sup>rd</sup> day. The resource persons of these technical sessions were Prof. B.W.Pandey, Department of Geography, University of Delhi and Mr. Nakul Kumar Tarun, Director Z4S. They discussed on High Altitude Hazards in Indian Himalayan Region and Steps for development of disaster management plan for educational institution – risk assessment and mapping respectively.

The programme was introduced by Prof. Punyatoya Patra, Convener Disaster Management Cell on 1<sup>st</sup> day and vote of thanks was given by Prof. Sadhana Jain, Convener, Skill Development Cell. The training program was fruitful to all the stake holders who contribute towards the planning and response measures of disasters.

**A training cum mock drill on Disaster Management** was held on 7<sup>th</sup> December, 2023 in the college premises in collaboration with Zone4Solutions. After preparing Disaster Management plan map of the college, it was necessary to train the teachers, students and staff how to use the map and other disaster management related instruments at the time of any disaster that might happen in the college premises. The resource persons were Tanushree Verma, Disaster Management Expert; Inderjit Singh First-aid Trainer; and Sh. Naresh Kumar, Search and Rescue Trainer from Zone4Solutions.
