INTERNAL QUALITY ASSURANCE CELL (IQAC) 2022-2023

<https://aditi.du.ac.in/>

NEWSLETTER

MESSAGE FROM THE PRINCIPAL

It brings me great pleasure to express my gratitude and support for our institution's Internal Quality Assurance Cell (IQAC). In order to promote a culture of excellence, innovation, and constant improvement in academia, research, and administration, the IQAC is essential.

Ensuring quality in teaching, learning, and institutional governance is crucial in the rapidly changing educational world of today. Implementing best practices, keeping an eye on performance, and encouraging a learner-centric workplace are all made possible with IQAC. Our dedication to academic success and holistic growth is reinforced by IQAC's methodical planning, regular evaluations, and helpful feedback systems.

I urge all stakeholders, including students and faculty, to get involved in the projects and support our common goal of creating an institution that values integrity and quality.

With great pride I am delighted to present this edition of the IQAC Newsletter, highlighting our collective efforts toward fostering academic excellence, innovation, and institutional growth. At IQAC, our commitment remains steadfast in ensuring continuous quality enhancement through structured initiatives, best practices, and collaborative engagement with all stakeholders.

This newsletter serves as a reflection of our journey—showcasing significant achievements, insightful activities, and contributions aimed at strengthening our institution's vision of academic and administrative excellence. I extend my sincere appreciation to the dedicated faculty, staff, and students whose relentless efforts make these milestones possible.

As we move forward, let us continue striving for excellence, embracing new opportunities, and upholding the highest standards of quality in education. Your valuable feedback and active participation will further empower us in this mission.

**PROF. NEELAM RATHI - CONVENER
IQAC CELL**

ABOUT THE IQAC

IQAC or the internal Quality Assurance Cell has been proposed as an essential quality sustenance measure by every institution seeking accreditation by NAAC. IQAC aims to be a tool of performance evaluation and quality enhancement and assessment which constitute the benchmark of academic excellence.

The framework of IQAC at Aditi Mahavidyalya aims to make significant contribution to the growth and sustenance of the institution by working consciously and consistently towards quality upgradation of the institution as a centre for higher learning.

The IQAC at Aditi will keep its focus on the stakeholders i.e. the staff both teaching and non teaching, students, management, alumni as well as parents and channelize their combined efforts towards realization of its goal i.e. Quality Enhancement

VISION

Our vision is to set benchmarks in academic excellence, holistic development, and continuous quality enhancement. We strive to create a rigorous learning environment that fosters intellectual curiosity, critical thinking, and lifelong learning. Beyond academics, we focus on the overall growth of students—intellectually, physically, emotionally, and socially—through diverse programs and initiatives. Committed to continuous improvement, we embrace innovation in curriculum, teaching, and infrastructure. Collaboration with institutions, industry, and the community strengthens our mission, ensuring excellence in education. Through ongoing evaluation and adaptation, we remain at the forefront of academic innovation and quality advancement.

MISSION

Our mission is to foster a dynamic, research-driven environment that encourages innovation and intellectual growth. We are committed to research excellence, promoting rigorous methodologies, ethical standards, and data integrity. By integrating best practices, we ensure high-quality research outcomes. Innovation is key to our approach, driving transformative discoveries and advancements. We actively collaborate with researchers, students, faculty, industry partners, and the community to enhance knowledge-sharing and interdisciplinary learning. Diversity, inclusion, and equal opportunities are at the core of our mission. Through continuous evaluation and adaptation, we strive to remain at the forefront of academic and research excellence. Our ultimate goal is to contribute to societal progress through groundbreaking discoveries and knowledge advancement.

OBJECTIVES OF IQAC

- **Act as a driving force for positive change and continuous development within the institution.**
- **Foster a culture of excellence by encouraging the adoption of best practices and innovative thinking in academic and administrative processes.**
- **Ensure the effective execution of institutional policies while striving for continuous improvement in quality standards.**
- **Integrate and align the efforts of management, faculty, staff, and students to achieve the highest standards of institutional excellence.**
- **Strengthen the balance between academic excellence, extracurricular activities, and community engagement to foster well-rounded development.**
- **Enhance institutional efficiency and effectiveness by leveraging Information and Communication Technology (ICT) across all operational and academic spheres.**

FUNCTIONS OF IQAC

- **Function as a dedicated unit for maintaining institutional records and documentation in accordance with UGC regulations (2010).**
- **Prepare and submit the Annual Quality Assurance Report (AQAR) as per the prescribed format developed by NAAC.**
- **Organize and oversee Faculty Development Programmes, seminars, research projects, and other innovative academic practices to enhance institutional growth.**
- **Serve as a central body for evaluating and improving academic and administrative activities through structured quality assurance mechanisms.**
- **Promote automation in administrative, accounting, and library functions while encouraging the widespread use of Information and Communication Technology (ICT).**
- **Ensure the timely communication of various quality benchmarks as mandated by higher education regulatory bodies.**
- **Implement and promote eco-friendly initiatives such as solar panel installations, rainwater harvesting, e-waste recycling, and composting practices.**
