

Aditi Mahavidyalaya Research Advisory Committee Newsletter (2021-22)

Research is to see what
everybody else has seen,
and to think what
nobody else has thought.

—Albert Szent-Gyorgyi

Message

With the belief in holistic development of the faculty and the students, our college has been actively contributing to research initiatives to meet the academic needs. Our institution has dedicated itself completely to the task of creating empowerment of women through provision of numerous research opportunities for them to learn, raise and shine. The research committee takes initiatives by organizing conferences and webinars to promote and strengthen research skills of students and faculty members of our college.

Message

Research is creative and systematic work undertaken to increase the stock of knowledge. The primary purposes of research committee is to create a conducive environment for promotion of research & innovation activities in the institute, to encourage faculty members to apply for Major, Minor Research Projects, to ensure smooth functioning and effective Management of Research & Innovation activities at the institute

Prof. Mamta Sharma
(Principal, Aditi Mahavidyalaya)

Message

The primary role of the Research Advisory Committee is to advise and support the development, implementation, review and dissemination of research activities within the college. The Research Advisory Committee supports field research, education and extension activities by providing suitable environments, facilities and support staff.

What is research but a
blind date with
knowledge?

Will Harvey

Research Activities 2021-22

1. Research Gallery: Inauguration Of “Wall of Research Innovation”

The Research Advisory Committee coordinated the development of a research gallery in the college to showcase and recognize the various innovative, major and minor projects of the teachers and students that represent an interesting combination of research activities and technological innovations. The research advisory committee organized inaugural function on 26th August 2021 on the research innovation arena of the institution. In the inaugural function, Head of the Institution, Dr. Mamta Sharma along with Hon'ble Chairman of the College, Mr. Prabhanjhan Jha and other dignitaries of the governing body and Convenor, Dr. Bhawna Rajput graced the ceremony and inaugurated “Wall of Research Innovation “ with pride in hearts and smile on faces.

2. Research and Academic Journals

The committee coordinated the enlisting of around 20 Research and Academic Journals in the UGC approved list of Journals in the year 2022. The committee organized the orientation lectures in research for the students and teachers to promote Research Climate in the Institution.

3. MOU with National Productivity Council of India

The Research Advisory Committee signed an MOU with National Productivity Council of India. The Inauguration of the programme was held on **22nd October 2021**. The purpose of this MOU is primarily to do capacity building, training, consultancy and research. The occasion was graced by the presence of Mr. Nikhil Panchbhai, Director and Group Head (IT), National Productivity Council.
